## **Prophet Against Prophet:**

Prophet Against Prophet Simon John De Vries, 1978-08-21 Throughout the history of the Israelite kingdoms there were prophets who prophesied nothing but favorable consequences for the actions of their political leaders Opposing them were prophets who drew a distinction between the will of Yahweh for his people and the opportunistic aims of the monarchs In the Micaiah narratives of I Kings 22 are seen two early stages in the development of this ideological conflict Simon John De Vries examines thoroughly these early stages in order to find and understand the root causes of the conflict that led finally to national ruin Back cover *Prophet Against Prophet* Simon John De Vries, 1978 **An Exposition of the Prophet Ezekiel** William Greenhill, 1839 *Commentary on the Prophets of the Old Testament* Heinrich Ewald, John Frederick Smith, 2024-05-03 Reprint of the original first published in 1881 **Concerning the Prophets** Daniel Epp-Tiessen, 2012-09-19 Epp Tiessen sheds light on the compositional history structure and theology of the book of Jeremiah by demonstrating that a large concentric unit of material focusing on true and false prophecy stands at the center of the book This unit titled Concerning the Prophets 23 9 utilizes the heritage of Jeremiah to contrast the nature of true and false prophecy in order to warn the Second Temple community of the disastrous consequences of false prophecy and to highlight the saving potential of true prophecy False prophecy leads to doom because it ignores the moral failings of the community promises well being in the face of catastrophe and reinforces the misleading theological certainties of Judah's pre 587 way of life In contrast the true prophet Jeremiah challenges the faith community to embrace the physical and spiritual dislocation of the Babylonian destruction Post disaster life stands under the saving purposes of YHWH but the only way forward is to learn the painful lessons of catastrophe and heed the prophetic summons to repent and embrace a Torah based way of life **The Prophet's Dictionary** Paula A. Cave, 2006-01-01 Prophets of the Great Spirit offers an in depth look at the work of a diverse group of Native American visionaries who forged new syncretic religious movements that provided their peoples with the ideological means to resist white domination By blending ideas borrowed from Christianity with traditional beliefs they transformed high gods or a distant and aloof creator into a powerful activist deity that came to be called the Great Spirit These revitalization leaders sought to regain the favor of the Great Spirit through reforms within their societies and the inauguration of new ritual practices Among the prophets included in this study are the Delaware Neolin the Shawnee Tenkwatawa the Creek Red Stick prophets the Seneca Handsome Lake and the Kickapoo Kenekuk Covering more than a century from the early 1700s through the Kickapoo Indian removal of the Jacksonian Era the prophets of the Great Spirit sometimes preached armed resistance but more often used nonviolent strategies to resist white cultural domination Some prophets rejected virtually all aspects of Euro American culture Others sought to assure the survival of their culture through selective adaptation Alfred A Cave explains the conditions giving rise to the millenarian movements in detail and skillfully illuminates the key histories personalities and legacies of the movement Weaving an array of sources into a compelling narrative he captures the diversity of these prophets and their commitment to the common goal of Native American survival      **Commentaries on the Twelve Minor**
