Prophet Priest King:

Following Jesus Timothy R. Gaines, 2018 *Prophet, Priest, and King* Travis Anglim, 2016-08-09 David Elijah Aaron All of these men were leaders of sorts in their time but only Jesus filled all their roles when He came to Earth And He so thoroughly filled those spiritual roles that all the world stared in wonder What can we learn from the example of all these ancient leaders What can we find in Christs fulfillment of their duties that we can apply to our own everyday lives

Prophet, Priest, and King Richard P. Belcher, 2016 Richard Belcher explores the Old Testament to define the basic functions of prophets priests and kings through an analysis of key texts He then explains how these offices are fulfilled in Christ understood in the context of his humiliation and exultation A nuanced view of Christ s work through these offices points us to how the church its leaders and individual believers also fulfill these roles Includes study questions Prophet,

Priest, and King Richard P. Belcher (Jr.), 2016 Although early church fathers recognized the different roles of Christ John Calvin was the first to call attention to his distinct offices of Prophet Priest and King Starting in Genesis these offices recur time and again throughout the Bible Viewed alongside Christ s humiliation and exultation they give us a fully rounded understanding of His work as well as insight into the ongoing work of the Church In this biblical theology Richard Belcher explores and defines the basic functions of prophets priests and kings through an analysis of key Old Testament texts before discussing the fulfillment of these offices in Christ and the transformation of these offices for the Church its leaders and individual believers Includes study questions

Prophet, Priest, & King R. Albert Mohler Jr., 2025-04-01 In this book theologian R Albert Mohler Jr delves into the historical significance of the offices of prophet priest and king He traces their origins in the Old Testament to their ultimate fulfillment in the person and work of Jesus Christ Mohler presents a compelling argument the three offices should not be compartmentalized They are interconnected and essential for Christian faithfulness in the home the church and society When Jesus Christ returns the whole world will bow to him as Lord Prophet Priest and King *Prophet, Priest, and King* Zondervan, 2025-03-25 How might different voices from the global church help all

Christians understand the person and work of Jesus Christ better Written by a team of leading Majority World scholars this joint project explores and articulates a doctrine of Christ by appealing to his threefold office as prophet priest and king Thus it considers Christology not only as a central tenet of the Christian faith but by drawing from a variety of voices throughout the worldwide church it also points to the unified testimony of the global catholic church This is the first volume in the Theology Together series which highlights the voices of Majority World scholars each of whom brings insights from a particular context and places them in conversation with one another to contribute to a richer deeper understanding of a shared faith in Christ Prophet, Priest and King John Howard Reid, 2008-10-01 Thrilling action suspense and mystery

abound in this historical novel inspired by the books of Kings and Chronicles in the Old Testament of the Bible Highlighting the latter days of King Solomon in the city of Jerusalem in Ancient Israel the novel is a real page turner that moves with the

speed of an arrow In addition to the aged King Solomon Biblical characters include Jeroboam a former governor in Israel accused of plotting against Solomon and now exiled in Ancient Egypt Ahijah a wandering prophet a friend and former servant of Jeroboam Iddo a blind seer Rehoboam Solomon's favorite son and designated heir Zabud Solomon's long time friend Qoheleth a fanatical supporter of Jeroboam Gallim the mayor of Bethel Berechiah captain of the Bethel town guard Nathan the prophet King David and his son Adonijah the girl Abishag Ethan the sage and Azariah the young and ambitious High Priest

Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts Gabe Sylvia, 2024-01-05 Toward the end of his life the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days Building on the finished work of Christ by the power and gifting of the indwelling Holy Spirit believers do these works as prophets priests and kings in what the church has called the gifts of the Holy Spirit Through study of the Old Testament saints who filled these offices Christ to whom they point and important New Testament texts Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually gifted ministry This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum This book lays out a path for taking seriously the Lord's assertion that in these last days by the power of the Spirit and for the glory of God the church will do great things

A Man in Charge Ronald E. Williams, 1979 **THE PARABLES OF THE LORD JESUS CHRIST** John Sandbek, 2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set the metrics for ruling and reigning with him The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus's parabolic teaching from these three ordinations and how each relates to Christ's future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning

King, Priest, and Prophet Robert J. Sherman, 2004-03-02 The doctrines of the atonement and the Trinity are central not only to the Christian faith but also to Christian systematic theology Over the last decade or so one or another theological interpretation of either of these doctrines has assumed pride of place among theologians Before Robert Sherman though no theologian has ever dared to read the atonement in light of the Trinity Most of the time atonement theories simply focus on the redeeming work of Jesus Christ without any reference to Christ's

relationship to the Father and the Spirit of the Trinity But as Sherman argues Christ's atoning work is diverse and cannot be limited to one who ransoms our sins or to one who has victory over our sins although in Sherman's view Christ's atoning work includes these tasks and more He offers here a constructive theological proposal that connects Trinity with the rubrics of prophet priest and king to help explain Christ's atoning work One can understand adequately neither Christ's multifaceted reconciliation of a complex humanity to God nor that reconciliations fundamental unity as God's gracious act apart from the Trinity Without this framework one will likely stress one person of the Trinity one aspect of God's reconciling work and or one understanding of the human predicament to the exclusion of others and the detriment of theology both systematic and pastoral Sherman's constructive theological proposal suggests that we should recognize a certain correspondence and mutual support between the three persons of the Trinity the three offices of Christ king prophet priest and the three commonly recognized models of his atoning work Christus victor vicarious sacrifice moral exemplar Sherman's book offers a well nuanced and well grounded constructive theology of Trinitarian atonement and is a significant addition to the Theology for the Twenty First Century Series Robert J Sherman is Professor of Christian Theology at Bangor Theological Seminary in Maine His work has appeared in such publications as the Scottish Journal of Theology the International Journal of Systematic Theology and The Journal of Religion

Basic Christian Doctrine John H. Leith, 1993-01-01 John Leith provides a brief but comprehensive statement of Christian faith for contemporary Christians He considers the theologians of the ancient church and affirm the faith of the ancient creeds

Foundations of the Christian Faith James Montgomery Boice, 1986-06-19 James Montgomery Boice provides an overview of Christian theology and doctrine in one systematic volume

Prophet, Priest, Prince, and the Already, Not Yet TK Dunn, 2023-07-27 Using the enigmatic theological expression of P T Forsyth TK Dunn explores how a holistic and comprehensive interpretation of the threefold office of Christ undermines three critical areas of dispensational theology the literal hermeneutic disdain for the church catholic and a convoluted interpretation of the end times focused on ethnic corporate Israel Interacting with liberalism as Forsyth's foil and using the exegetical analysis of Scripture by G E Ladd Dunn argues that the kingdom of God is not the human driven utopia dreamed of by liberal scholars nor a dystopic disconnected future realm exclusively for ethnic corporate Israel rather the kingdom must be understood as the dominion of Christ's reign over a redeemed people who order their lives according to his gospel Access to the kingdom therefore is open to all who are redeemed by the priestly work of Christ submit to the king's constitution and thereby live according to the prophetic proclamations of kingdom life
