Prophetic Pentecostalism In Chile A Case Study On Religion And Development Policy:

Prophetic Pentecostalism in Chile Frans Hendrik Kamsteeg,1995 *Prophetic Pentecostalism in Chile* Frans Kamsteeg,1998-11-05 From his anthropological fieldwork in Chile from 1991-92 Kamsteeg interprets prophetic Pentecostalism as a multifaceted phenomenon its particular manifestation in Latin America the growth and vicissitudes of the Chilean nonclassical brand of Pentecostalism and the impact in a working class Santiago neighborhood A useful glossary augments the analysis BOOK NEWS

Lived Religion, Pentecostalism, and Social Activism in Authoritarian Chile Joseph Florez,2021-05-25 In *Giving Life to the Faith* Joseph Florez explores Pentecostal social engagement as it was folded into the extraordinary circumstances of everyday life during the Chilean military dictatorship 1973-1990 Florez traces Pentecostal activism commonly portrayed as politically aloof or inert through the life stories of the believers themselves and uncovers the logics of survival resistance and belief that sustained their work in the face of ubiquitous state repression Using archival materials and Pentecostal oral histories Florez brings Pentecostals religious innovations and improvisations to the forefront of discussion and challenges observers of Latin American Pentecostalism to reconsider normative interpretations of the world's fastest growing religious movement

Pentecostalism: A Guide for the Perplexed Wolfgang Vondey,2012-12-18 Pentecostalism is the fastest growing religious movement of our time The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide Once marginalized from public discourse Pentecostals have entered into mainstream culture religion politics academia and social action However the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes stereotypes and misrepresentations This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement the tension between local manifestations and global Pentecostalism the inconsistency between spiritual discernment and charismatic excess the gap between rampant denominationalism and the pursuit of Christian unity the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel the division between Oneness Pentecostals and their trinitarian counterparts and the worldview of Pentecostals beyond the confines of a religious movement Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world

Pentecostalism and Development D. Freeman,2012-09-03 Development was founded on the belief that religion was not important to development processes The contributors call this assumption into question and explore the practical impacts of religion by looking at the developmental consequences of Pentecostal Christianity in Africa and by contrasting Pentecostal and secular models of change

Pentecostalism and Christian Unity Wolfgang Vondey,2010-03-01 This volume of ecumenical documents key texts and critical essays is the first collection of its kind exclusively dedicated to Pentecostalism and its contributions to Christian unity In the first part a cadre of internationally renowned scholars addresses the ecumenical heritage and perspectives of the

Pentecostal movement since the early twentieth century Part 2 offers a collection of final reports from international dialogues with Pentecostal participation The final part contains programmatic essays in response to The Nature and Mission of the Church a major study on the doctrine of the church published by the World Council of Churches Most of these essays were first presented by the ecumenical studies group of the Society for Pentecostal Studies currently the only organized ecumenical think tank among Pentecostals in North America Since its formation in 2001 the group has encouraged Pentecostal participation in ecumenical concerns has hosted Roman Catholic Pentecostal conversations at the annual meeting of the Society has invited international scholarly debates on ecumenical matters and has engaged in the study of ecumenical consensus statements The essays and documents in this collection model the dedication and commitment among Pentecostals today that engage the challenges and opportunities of Christian unity from the perspective of a tradition that has often been falsely accused of being anti ecumenical This collection presents an invaluable resource for teachers scholars and pastors interested in engaging the global Christian arena from the worldwide and ecumenical image of Pentecostalism Contributors Carmelo E Alvarez Harold D Hunter Douglas Jacobsen Veli Matti Karkkainen Frank D Macchia Raymond R Pfister Cecil M Robeck Jr Paul van der Laan Wolfgang Vondey The Cambridge Companion to Pentecostalism Cecil M. Robeck, Jr, Amos Yong, 2014-08-11 Pentecostalism is one of the fastest growing religious movements in the world Groups in the United States dominated early Pentecostal histories but recent global manifestations have expanded and complicated the definition of Pentecostalism This volume provides a nuanced overview of Pentecostalism's various manifestations and explores what it means to be Pentecostal from the perspectives of both insiders and outsiders Leading scholars in the field use a multidisciplinary approach to analyze the historical economic political anthropological sociological and theological aspects of the movement They address controversies such as the Oneness Trinity controversy introduce new theories and chart trajectories for future research The Cambridge Companion to Pentecostalism will enable beginners to familiarize themselves with the important issues and debates surrounding the global movement while also offering experienced scholars a valuable handbook for reference **Scholarly Engagement and Decolonisation** Maurice Crul, Liezl Dick, Halleh Ghorashi, Abel Valenzuela Jr, 2020-06-09 Considering that one of the core tasks of academia is to provide social critique and reflection universities have an undeniable role to formulate the contours of a more inclusive academia in contrast to visible and normalised structures of exclusion Translating such ambitions into transformative practices seems to be easier said than done Academics need mutual inspiration and exchange of thoughts and practices to reflect on their actions and their own knowledge productions The authors in this book mirror the challenges and achievements of academics and practitioners in three national contexts which could serve as a foundation for academia to move towards dismantling elitist and privileged based assumptions and formulating new forms of knowledge production and institutional policies inside and outside academia The book aims to help create a more inclusive society in which academics students and practitioners can engage

learn and transform structures of inequality exclusion and disconnection where it seems to have the biggest impact **The Spirit Poured Out on All Flesh** Amos Yong,2005-07-01 The Pentecostal movement has had an incredible impact on the shape of worldwide Christianity in the past century Estimates are that Pentecostals and charismatics make up approximately one fourth of Christians worldwide and the numbers are only expected to grow With these developments comes the need for thoughtful Christians of all persuasions to better understand Pentecostal theology In fact Amos Yong believes that Pentecostal theology can be a great gift to the church at large Yong presents a thoroughly Pentecostal theology of salvation the church the nature of God and creation He also provides a fascinating survey of the state of worldwide Pentecostalism examining how Pentecostal theology is influencing Christian churches in other countries Enhancing Research for Academicians in Higher Education Mdikana, Andile Alfred,2024-11-29 Academics and postgraduate students in higher education often face challenges navigating the complex research landscape from formulating a sound rationale and problem statement to developing a robust theoretical framework and publishing their work effectively Many need help publishing their research and making informed decisions and the current lack of assistance hinders their academic progress and contribution to knowledge production Emerging academics often need more guidance in research supervision and postgraduate students may require support in writing quality research proposals and dissertations Enhancing Research for Academicians in Higher Education offers a transformative solution to these challenges providing a comprehensive guide to rethinking and reimagining research in higher education Centralizing the research discourse through the concept of Africanization offers a unique groundbreaking and timely perspective The book empowers academics and postgraduate students to develop their research profiles explore various research approaches and paradigms and understand research s philosophical and theoretical foundations The Oxford Handbook of Latin American Christianity David Thomas Orique,Susan Fitzpatrick-Behrens, Virginia Garrard,2020-03-23 By 2025 Latin America s population of observant Christians will be the largest in the world Nonetheless studies examining the exponential growth of global Christianity tend to overlook this region focusing instead on Africa and Asia Research on Christianity in Latin America provides a core point of departure for understanding the growth and development of Christianity in the Global South In The Oxford Handbook of Latin American Christianity an interdisciplinary contingent of scholars examines Latin American Christianity in all of its manifestations from the colonial to the contemporary period The essays here provide an accessible background to understanding Christianity in Latin America Spanning the era from indigenous and African descendant people s conversion to and transformation of Catholicism during the colonial period through the advent of Liberation Theology in the 1960s and conversion to Pentecostalism and Charismatic Catholicism The Oxford Handbook of Latin American Christianity is the most complete introduction to the history and trajectory of this important area of modern Christianity **The Missionary Self-Perception of Pentecostal/Charismatic Church Leaders from the Global South in Europe** Claudia Währisch-Oblau,2009 Building

on long time research and extensive interviews this ground breaking study offers a portrait of pentecostal charismatic immigrants from the global South who do not define themselves as victims but as expatriate agents with a calling to change Europe

Organizational Ethnography Sierk Ybema,Dvora Yanow,Harry Wels,Frans H Kamsteeg,2009-08-20 Just as newspapers do not typically engage with the ordinary experiences of people s daily lives so organizational studies has also tended largely to ignore the humdrum everyday experiences of people working in organizations However ethnographic approaches provide in depth and up close understandings of how the everyday ness of work is organized and how in turn work itself organizes people and the societies they inhabit Organizational Ethnography brings contributions from leading scholars in organizational studies that serve to unpack an ethnographic perspective on organizations and organizational research The authors explore the particular problems faced by organizational ethnographers including questions of gaining access to research sites within organizations the many styles of writing organizational ethnography the role of friendship relations in the field problems of distance and closeness the doing of at home ethnography ethical issues standards for evaluating ethnographic work This book is a vital resource for organizational scholars and students doing or writing ethnography in the fields of business and management public administration education health care social work or any related field in which organizations play a role

Organizational Relationships in the Networking Age Willem Koot,Peter Leisink,Paul Verweel,2003-01-01 Globalization the information technology revolution individualization and other processes in contemporary society all impact on organizations This text analyzes the framework of these organizational relationships and the dynamics of identity formation and bonding on several levels

Studying Global Pentecostalism Allan Anderson,Michael Bergunder,Andre F. Droogers,Cornelis van der Laan,2010-09-24 With its remarkable ability to adapt to many different cultures Pentecostalism has become the world s fastest growing religious movement More than five hundred million adherents worldwide have reshaped Christianity itself Yet some fundamental questions in the study of global Pentecostalism and even in what we call Pentecostalism remain largely unaddressed Bringing together leading scholars in the social sciences history and theology this unique volume explores these questions for this rapidly growing multidisciplinary field of study A valuable resource for anyone studying new forms of Christianity it offers insights and guidance on both theoretical and methodological issues The first section of the book examines such topics as definitions essentialism postcolonialism gender conversion and globalization The second section features contributions from those working in psychology anthropology sociology and history The third section traces the boundaries of theology from the perspectives of pneumatology ecumenical studies inter religious relations and empirical theology

Latin America's Neo-Reformation Eric Patterson, 2013-10-11 The purpose of this study is to focus on the intersection of religion and politics Do different religions result in different politics More specifically are there significant contrasts between the political attitudes and behavior of Catholics and Protestants in Latin America

The New Blackwell Companion to the Sociology of Religion Bryan S. Turner, 2016-10-03 THE NEW BLACKWELL COMPANION TO THE Sociology of Religion I enjoyed reading this book for its in depth examination of the complexities of the social forces that are shaping and are being shaped by religious groups around the world I certainly see this being of theoretical value for researchers engaging the new religious realities of our world Sociology of Religion A Quarterly Review The new companion is a timely and valuable work validly updating the original companion and a good addition to the reference shelves of any academic or specialist library Reference Reviews Reflecting recent developments in the field this companion provides a comprehensive introduction to the sociology of religion with a clear emphasis on comparative and historical approaches Covering all the areas relevant to undergraduate courses in this area the Companion begins by laying down the anthropological and sociological foundations of the study of religion and their contemporary developments It continues with an analysis of both traditional and contemporary forms of organization such as church sect typologies as well as megachurches and modern forms of spirituality The secularization and post secular society debates are considered in depth

along with the globalization process fundamentalism charismatic movements and revivalism It also discusses the sociology of Buddhism Christianity Hinduism Islam Judaism and religions of China as well as the areas of American exceptionalism from de Tocqueville onwards religious nationalism women and piety movements and the spirituality of Native American communities Considering new developments in social theory and religion the collection concludes with a discussion of recent work that attempts to understand the future of religion blending the sociology of modern societies anthropological ethnography and philosophical inquiry

The Routledge Handbook of Religions and Global Development Emma Tomalin, 2015-02-11 This Handbook provides a cutting edge survey of the state of research on religions and global development Part one highlights critical debates that have emerged within research on religions and development particularly with respect to theoretical conceptual and methodological considerations from the perspective of development studies and its associated disciplines Parts two to six look at different regional and national development contexts and the place of religion within these These parts integrate and examine the critical debates raised in part one within empirical case studies from a range of religions and regions Different religions are situated within actual locations and case studies thus allowing a detailed and contextual understanding of their relationships to development to emerge Part seven examines the links between some important areas within development policy and practice where religion is now being considered including Faith Based Organisations and Development Public Health Religion and Development Human rights Religion and Development Sustainable Development Climate Change and Religion Global Institutions and Religious Engagement in Development Economic Development and Religion Religion Development and Fragile States Development and Faith Based Education Taking a global approach the Handbook covers Africa Latin America South Asia East and South East Asia and the Middle East It is essential reading for students and researchers in development studies and religious studies and is highly relevant to those working in area studies as well as a range of disciplines from theology anthropology and economics to geography international relations politics and sociology
