Prophetic Covenants:

Covenants and Care Gary L. Harbaugh, Rebecca Lee Brenneis, Rodney R. Hutton, 1998-01-01 A team of experts in ministry and the Bible offer skills for the long haul They employ the Old Testament notion of covenant and ask ministers to enter a covenant both for their own self care and as a key to framing and enlivening their care for others in ministry True to life stories show how biblically based covenantal relationships with clear boundaries promote healthy relationships and are integral to faithful personal and pastoral care

The Covenants of the Prophet Muḥammad Ibrahim Mohamed Zein, Ahmed El-Wakil, 2022-12-30 Through analysis of the Covenants of the Prophet Mu ammad which pledge protection to diverse faith communities this book makes a profoundly important contribution to research on early Islam by determining the Covenants historicity and textual accuracy The authors focus on the Prophet Mu ammad s relationship with other faith communities by conducting detailed textual and linguistic analysis of documents which have received little scholarly consideration before This not only includes decrees of the Prophet Mu ammad Umar ibn al Kha b Al ibn Ab lib and Mu wiya ibn Ab Sufy n but also of important Muslim rulers They present their findings in relation to contemporaneous historical writings historic testimonies official recognition archaeological evidence historic scribal conventions date matching calculations textual parallelisms and references in Muslim and non Muslim sources They also provide new and revised translations of various Covenants issued by the Prophet Mu ammad which were attested by Muslim authorities after him The authors argue that the claim of forgery is no longer tenable following the application of rigorous textual and historical analysis This book is essential reading for Muslims Christians Jews Samaritans and Zoroastrians as well as anyone interested in interfaith relations Islamophobia extremist ideologies security studies and the relationship between Orthodox and Oriental Christianity with Islam

God's Kingdom through God's Covenants Peter J. Gentry, Stephen J. Jeremiah in Prophetic Tradition Hetty Lalleman-de Winkel,2000 In this study it is argued that the book of Jeremiah was influenced by the books of Amos and Hosea All three books show a similar pattern of development There is a correspondence between the reactions of those addressed and the prophetic message which changes from the preaching of repentance to a message of irreversible judgment Finally these prophets testified that only God could bring about a new future This study which originally took the form of a dissertation examines several topics common to Hosea Amos and Jeremiah Dr Lalleman demonstrates important correspondences which point to a prophetic tradition received and developed by Jeremiah in his own way The research concentrates on the themes of repentance and hope covenant and the role of the prophet in intercession as well as his personal involvement in his message The differences between these prophetic books however show that the individual characteristics of each prophet must not be neglected The assumption of one monolithic Deuteronomistic redaction responsible for the editing of all the books is therefore unlikely The prophets are best interpreted in their own historical contexts although they are connected by a common spiritual heritage a prophetic tradition
