Prophetic Fragments

Marc H. Ellis

Prophetic Fragments:

Prophetic Fragments Cornel West, 1988 **Global Fragments** Eduardo Mendieta, 2008-06-05 Philosophical explorations of the processes of globalization particularly in the context of Latin America Introducing Prophetic Pragmatism Jacob L. Goodson, Brad Elliott Stone, 2019-08-01 Prophetic pragmatism is a gritty philosophical framework that undergirds the intellectual and political work done by those who seek to overcome despair dogmatism and oppression It seeks to unite one's intellectual vocation and one's duty to fight for justice Cognizant of the ways in which political forces affect thought while also requiring political action to not be so sure of itself that it simply replaces one oppressive structure with another prophetic pragmatism requires a critical temper through the mode of Socratic questioning Introducing Prophetic Pragmatism argues that hope lies between critical temper and democratic faith Socratic questioning prophetic witness and tragicomic hope open a space for democratic energies to flourish against the forces of nihilism and poverty Critical temper keeps democratic faith from becoming too idealistic and Pollyannaish and democratic faith keeps critical temper from being pessimistic about the ability to change current realities These twin pillars provide the best and most helpful framework for understanding the nature and purpose of prophetic pragmatism Through their dialogue Jacob L. Goodson and Brad Elliott demonstrate why prophetic pragmatism is in the words of Cornel West pragmatism at its best

Composition and Cornel West Keith Gilyard, 2008-05-05 Composition and Cornel West Notes toward a Deep Democracy identifies and explains key aspects of the work of Cornel West the highly regarded scholar of religion philosophy and African American studies as they relate to composition studies focusing especially on three rhetorical strategies that West suggests we use in our questioning lives as scholars teachers students and citizens In this study author Keith Gilyard examines the strategies of Socratic Commitment a relentless examination of received wisdom Prophetic Witness an abiding concern with justice and the plight of the oppressed and Tragicomic Hope a keep on pushing sensibility reflective of the African American freedom struggle Together these rhetorical strategies comprise an updated form of cultural criticism that West calls prophetic pragmatism This volume which contains the only interview in which Cornel West directly addresses the field of composition sketches the development of Cornel West's theories of philosophy political science religion and cultural studies and restates the link between Deweyan notions of critical intelligence and the notion of critical literacy developed by Ann Berthoff Ira Shor and Henry Giroux Gilyard provides examples from the classroom to illustrate the possibilities of Socratic Commitment as part of composition pedagogy shows the alignment of Prophetic Witness with traditional aims of critical composition and in his chapter on Tragicomic Hope addresses African American expressive culture with an emphasis on music and artists such as Curtis Mayfield Marvin Gaye Aretha Franklin and Kanye West The first book to comprehensively connect the ideas of one of America's premier scholars of religion philosophy and African American studies with composition theory and pedagogy Composition and Cornel West will be valuable to scholars teachers and students interested in race class

critical literacy and the teaching of writing **The Prophetic Books of the Old Testament** Frederick Carl Eiselen, 1923

Against Empire Matthew T. Eggemeier, 2020-09-09 *Against Empire* analyzes the relationship between Christian theology and radical democracy by exploring how black prophetic thought, feminist theology, Latin American liberation theology, and peaceable theology offer plural forms of ecclesial resistance to empire. Cornel West, the black church, the ecclesia of women, Elisabeth Schussler Fiorenza, the church of the poor, Ignacio Ellacuria, Jon Sobrino, and the peaceable church, Stanley Hauerwas. These approaches to Christian political engagement differ in their specific focus but share common resistance to neoliberalism, nationalism, and militarism as networks of power that intersect with racism, sexism, and neo-colonialism to form what they refer to as empire. In diverse ways, West, Schussler Fiorenza, Ellacuria, and Sobrino, and Hauerwas reimagine Christian witness as a form of radical democratic resistance to empire in the face of political formations that not only block the expansion of democracy, neoliberal neoconservative hegemony, but also attempt to retrench its achievements.

authoritarian populism **The Dead Sea Scrolls, Volume 5B** James H. Charlesworth, 2024-10-22 This volume of the Princeton Theological Seminary Dead Sea Scrolls Project significantly helps us understand Jewish interpretations of Torah, preoccupations with purity, penchants for creating new prayers, the need to bless the Creator at all times, the sacredness of the land, eschatology, and celebrating the importance of the Creator, God, and Israel. Thanks to improved images supplied by the Israel Museum and focused research of other specialists, many of these compositions are significantly improved. Some fragments are read for the first time, and names are provided to fragments that have been considered insignificant. If the Bedouins tore manuscripts, cast others aside, and repaired sandals with others, and if most of the manuscripts in the Qumran Caves had deteriorated over time due to exposure, then a small fragment may represent a once large scroll. Eldon J. Epp and Larry Hurtado provide the Qumran Greek Fragments. Almost all of the rest of the volume is the work of James Charlesworth, with Lea Berkuz, but contributions by Daniel Gurtner, Blake Jurgens, and one contribution each by Jolyon Pruszinski and B. Allen complete the volume. Additionally, Henry W. Morisada, Rietz, and Loren L. Johns served as Associate Editors. *The Book Unsealed: a Lecture on the Prophetic Periods of Daniel and John, in Their Historical Verification and Approaching Climax ... Delivered ... August 17th, 1869, Etc* John Thomas, 1870 *Rorty and the Religious* Jacob L. Goodson, Brad Elliott

Stone, 2012-08-14 Prior to his death in 2007, the self-described secular philosopher Richard Rorty began to modify his previous position concerning religion. Moving from atheism to anti-clericalism, Rorty challenges the metaphysical assumptions that lend justification to abuses of power in the name of religion. Instead of dismissing and ignoring Rorty's challenge, the essays in this volume seek to enter into meaningful conversation with Rorty's thought and engage his criticisms in a constructive and serious way. In so doing, one finds promising nuggets within Rorty's thought for addressing particular questions within Christianity. The essays in this volume offer charitable yet fully confessional engagements with an impressive secular thinker. Contributors to this Volume: Stanley Hauerwas, Eric Hall, Barry Harvey, D. Stephen Long, Charles

Marsh David O Hara Jason Springs Donald G Wester Keith Starkenburg Roger Ward **An Ethics of Dissensus** Ewa P?onowska Ziarek,2001 Addressing a constellation of diverse thinkers including Emmanuel Levinas Patricia Williams Jean Francois Lyotard Michel Foucault Frantz Fanon Julia Kristeva and Luce Irigaray the author proposes a new conception of ethics an ethics of dissensus that rethinks the relation between freedom and obligation in a double context of embodiment and antagonism The author employs discourses that have hitherto been segregated postmodern ethics feminism race theory and the idea of radical democracy **Finding Our Voice** Marc H. Ellis,2018-06-19 Finding Our Voice is a series of meditations on how to express the deepest sense of who we are in a troubled world What is the core of our being How do we find the language to name that core If the core of our faith is identifying and embodying the prophetic for our time surviving that naming is as challenging as finding our voice Often as not the prophetic lands us in hot water We feel alone and abandoned Recognizing others in the same situation is crucial to our ability to hold fast With others our voice grows more certain and finds a home even in exile Soon the community we left is replaced by a new community of fellow travelers We are not alone **Prophecy in a Secular Age** David True,2021-02-09 The place of religion within a secular society has been much discussed in recent years fueled in part by Charles Taylor s Secular Age 2007 The conversation surrounding Taylor s work suggests a widespread interest in religion in secular or post secular contexts Even as scholars have become increasingly interested in emerging and novel forms of religion prophecy has continued to be depicted in traditional forms employed to further partisan agendas In place of secularity as religious declension and culture clash this volume explores prophetic works in a variety of forms including satire tragedy the novel Native American tradition science fiction the Bible and higher education itself Together the contributors demonstrate that there is much to learn from both religious and secular prophecy The book is inspired by the idea that prophetic works are a promising subject area for a diverse audience in both higher education and the church The volume s contributors demonstrate as much in that they work in a wide range of disciplines including religious studies biblical studies theology American studies literature philosophy and political theory **Prophecy A-Z: The Complete Eschatological Dictionary** Bernie L. Calaway,2012 Ever tried on a God helmet Are there still prophets running around Will the world end before Christmas next year Surely you ve pondered such issues far into the lonely night Still there are moments when we wonder about that stuff But where is the solid and basic information to push us along Fear not Prophecy A Z is here to help you out As the subtitle pledges the book is complete eschatological and a dictionary of prophecy A letter by letter dictionary of prophetic terms from Aaron to Zwingli Sixty essays covering the most complex end times concepts Healthy doses of history philosophy and apocalyptic shop talk It s handy it s thorough it s essential for every interested lay reader Bible scholars and clergy professionals **Radicals** David Horowitz,2012-09-24 Radical liberals want to make America a better place but their utopian social engineering leads ironically to greater human suffering So argues David Horowitz bestselling author in his newest book Radicals Portraits of a Destructive Passion From

Karl Marx to Barack Obama Horowitz shows how the idealistic impulse to make the world a better place gives birth to the twin cultural pathologies of cynicism and nihilism and is the chief source of human suffering A former liberal himself Horowitz recounts his own brushes with radicalism and offers unparalleled insight into the disjointed ideology of liberal elites through case studies of well known radical leftists including Christopher Hitchens feminist Bettina Aptheker leftist academic Cornel West and more Exploring the origin and evolution of radical liberals and their progressive ideology Radicals

illustrates how liberalism is not only intellectually crippling for its adherents but devastating to society *Theology as Improvisation* Nathan Crawford,2013-02-15 In *Theology as Improvisation* Nathan Crawford reimagines the possibilities for how theology thinks God within a postmodern world He argues that theology is improvisation by analyzing the nature of attunement within theological thinking and how this opens certain possibilities for theology He does so by engaging a number of thinkers including Martin Heidegger Jacques Derrida David Tracy and Saint Augustine He navigates the nature of thinking God in a postmodern world by using these thinkers to offer critiques of onto theological thinking and totalizing systems while also following their embrace of the fragment and focus upon the nature of thinking as attunement The result is a unique way of approaching theological thinking in our contemporary context Haggai and Zechariah Carroll

StuhlmueLLer,1988-05-01 The collected proclamations ascribed to two little known post exilic prophets Haggai and Zechariah represent a bridge between the traditions of classical Israelite religion and the dramatic changes essential to the preservation of the fragile Restoration community Carroll StuhlmueLLer s section by section verse by verse analysis and exposition focus on the prophetic word as addressed not only to Israel in this time of small beginnings but also to the Church today His primary concern is the theological message of the prophets yet ever with an eye toward their historical context literary form and cultural setting *Rebuilding with Hope* Carroll StuhlmueLLer,1988 The collected proclamations ascribed

to two little known post exilic prophets Haggai and Zechariah represent a bridge between the traditions of classical Israelite religion and the dramatic changes essential to the preservation of the fragile Restoration community Carroll StuhlmueLLer s section by section verse by verse analysis and exposition focus on the prophetic word as addressed not only to Israel in this time of small beginnings but also to the Church today His primary concern is the theological message of the prophets yet ever with an eye toward their historical context literary form and cultural setting *Something Within* Fredrick C.

Harris,1999 Going beyond the opiate inspiration debate that has dominated research on the subject author Fredrick C

The Prophetic Books of the Old Testament, Their Origin, Contents, and Significance Frederick Carl Eiselen,1923

Reformed Churches in South Africa and the Struggle for Justice Marry-Anne Plaatjies-Van Huffel,Robert Vosloo,2013-11-01 The various contributions in this informative and exciting volume explore the ambivalent and complex history of Reformed faith during the years 1960 to 1990 in apartheid South Africa In the process light is shed on the role of Reformed churches in the struggle for justice freedom and dignity Parameters are simultaneously provided for defining the

public role of Reformed faith in contemporary South Africa in the context of Africanisation and globalisation Prof Nico Koopman Dean of the Faculty of Theology Stellenbosch University
