Prophetic Gospel:

The Prophetic Gospel Anthony Hanson, 2006-08-15 Why is the account of Jesus in the Fourth Gospel so very different from the one we find in the Synoptic Gospels Professor Hanson believes that at least part of the answer can be found in the considerable dependence of John's narrative on the Old Testament The first thirteen chapters of this book are devoted to careful examination of the language of the Gospel in this light Again and again this shows that passages are heavily influenced by the Old Testament mostly from the Septuagint but also sometimes by the targumic tradition This leads to the conclusion that John was writing what might be called a prophetic gospel rather than an historical account of Jesus life He saw many passages in what he regarded as scripture as containing prophecies which must have been fulfilled in the life and teaching of Jesus despite having no historical basis Although this is not to say that John freely invented speeches and episodes as he chose John thus felt justified in departing widely from the early tradition about Jesus Professor Hanson contends that Johannine scholarship has suffered too much from the conviction that scholars must defend the substantially historical nature of the Fourth Gospel The study ends with a consideration of John's christology and of how the Church today should regard the Fourth Gospel *The Christian Prophets and the Prophetic Apocalypse* Edward Carus Selwyn, 1900

Prophetic Preaching Leonora Tubbs Tisdale, 2010-01-01 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale's work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake **The Prophetic**

Reformer: Or The Age of Religion: William Gauthern, 1826 A statement in prose and poetry of the author's religious beliefs particularly in opposition to those of the Quakers **The Prophetic Reformer: Or, the Age of Religion: and the Fruits of the Age Truly Uncovered, Etc. (A Needful Supplement to the Prophetic Reformer, Etc.).** William GAUTHERN, 1826 *Challenging Perspectives on the Gospel of John* John Lierman, 2006 This book had its genesis at a conference held in Cambridge Pref

The Hebrew Christian witness [afterw.] Hebrew Christian witness and prophetic investigator, 1873 **The Gospels and the Scriptures of Israel** Craig A. Evans, W. Richard Stegner, 2004-10-01 This book offers studies by leading international scholars concerned with the New Testament Gospels and their relationship to and usage of the Old Testament the scriptures of Israel Several essays are devoted to each of the four Gospels Questions of sources form redaction tradition and method are raised and discussed The contributors are convinced that the Gospels cannot be understood correctly apart from a careful consideration of their indebtedness to the Old Testament Readers will be treated to new interpretations and lively debate *Creation Imagery in the Gospel of John*

Carlos Raul Sosa Siliezar, 2015-07-30 Sosa Siliezar investigates the presence and significance of creation imagery in the

Gospel of John He argues that John has intentionally included only a limited albeit significant number of instances of creation imagery and that he has positioned them carefully to highlight their significance Sosa Siliezar contends that the instances of creation imagery used in varying contexts function collectively in a threefold way that is consonant with John's overall argument First John uses them to portray Jesus in close relationship with his Father existing apart from and prior to the created order Second John uses creation imagery to assert the primal and universal significance of Jesus and the message about him and to privilege him over other important figures in the story of Israel Third John uses creation imagery to link past reality with present and future reality portraying Jesus as the agent of creation whom the reader should regard as the primal agent of revelation and salvation The book concludes by underscoring how these findings inform our understanding of John's Christology and Johannine dualism

Sense Perception and Testimony in the Gospel According to John Sunny Kuan-Hui Wang, 2017-06-02 In this book Sunny Kuan Hui Wang explores the relationship between sense perception and testimony in the Gospel of John While Johannine scholars tend to focus on one or the other she shows that sense perception and testimony are both significant and are used together with the intention of drawing readers into the narrative so that they become witnesses in an emotionally engaged way It is argued that John's use of sense perception together with testimony is rooted in Jewish literature Yet John also employs a Graeco Roman rhetorical technique enargeia which appeals to the persuasive power of sense perception to make his narrative vivid John does not downplay sense perception Rather he uses it in the context of testimony as a means of persuasion to draw the readers in their imagination into the experience of the first disciples and thus deeper into faith and witness

Southern Hyperboles Michał Choiński, 2020-05-06 In *Southern Hyperboles* Metafigurative Strategies of Narration Michał Choi ski confronts the often paradoxical and excessive elements of southern literature focusing on dominant narrative modes and representation strategies in works produced from the early 1930s to the late 1950s With renewed attention to renderings of the gothic and grotesque Choi ski argues that modernist literature from the U S South often deploys the trope of hyperbole which escalates contrasts and disrupts the sense of the normal By focusing on how writers processed the South via narratives of hyperbolic excess *Southern Hyperboles* explores a mode of comprehension forged from the tensions of a segregated patriarchal society driven by racial and social decorum Moving chronologically Choi ski traces distinct manifestations of hyperbolic metalogic in the works of seven authors Katherine Anne Porter William Faulkner Lillian Smith Katherine Du Pre Lumpkin Tennessee Williams Flannery O'Connor and Harper Lee The mode of hyperbole identified by Choi ski relies on a clash of opposites along with the rapid intensification of disharmonious ideas pushed to extremes leading to an ultimate break in established decorum The shock produced by hyperbole generates a momentary state of confusion that soon dissipates allowing recipients to reach a new understanding of their surrounding world Melding an innovative use of rhetorical theory with fine grained analysis of literary texts *Southern Hyperboles* elucidates contradictory and interlocking issues related to memory social trauma grotesquerie and troubled

mythologies that permeate the U S South *Introduction to the Literary Art of the Gospel of John* Paul Jaesuk Jo,2022-05-24 The Gospel of John is a magnificent book Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors Throughout the history of the church interpreters have long been captivated by its loveliness and power Many modern interpreters however would not hesitate to call it puzzling confusing or ridden with riddles at least What is John is therefore a fascinating question that lingers During the last half century literary theories have been brought into the study of the Fourth Gospel with varying degrees of success New analytical lenses are cast over the Gospel to render its secrets but it feels as if only those who are initiated into its mystery have the knowledge Reading and rereading strategies are offered but the path out of the vast labyrinth is difficult to find The Gospel of John however surprisingly reads much like the Old Testament In fact its form is deeply imbued in the styles of Old Testament poetry narratives and prophets that when they are properly understood together John s message comes across clearly Taking a comprehensive view of the styles of the Old Testament this book takes you to see John in its grand design **Praying Faith** Thomas Dooley,2005 As a molecular biologist Dr Thomas Dooley is well trained in applying scientific analysis to execute experimental research But in Praying Faith this man of God exercises his faith to invade the marketplace with an apostolic prophetic anointing With genuine faith the scientist entrepreneur rejects evidence of natural circumstances and instead leans on the compass of spiritual revelation An industry sector veteran Dr Dooley equates a faith lifestyle with risks taken on by any businessmen either Christian or non believer that anyone can use to achieve Godly success **Bible Student and Religious Outlook** ,1923 *Biblical Inspiration and the Authority of Scripture* Carlos R. Bovell,2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible *The Epistle of James and Eschatology* Todd Penner,1996-05-01 The aim of this book is to challenge the common view that the epistle of James is a late Hellenistic Wisdom document that has little importance for our understanding of earliest Christianity The author undertakes two main projects first an examination of the various assumptions about date setting and content that have influenced how the letter of James has been interpreted and second a re reading of the letter that seeks to uncover the special character of the epistle by stressing the fusion of its eschatological framework with its ethical instruction The literary cultural and social contextualization of James that emerges sheds new light on this often neglected text and its place in early Christianity *God in South Africa* Albert Nolan,2024-02-01 This is a reprint of the 1988 publication which is now out of print The book was written while Albert Nolan was in hiding during the State of Emergency in South Africa This volume includes reviews of

the book used with permission from the South African Grace and Truth journal from 1990 The author believes that in South Africa the practice of the struggle is the practice of faith and to show this he reviews the central themes of the Christian faith as found in the Old Testament and the preaching of Jesus the nature of sin and salvation and of God's action in the world He also faces the dilemma of Christians who can no longer support the apartheid state but are uncertain where the liberation struggle will lead Like his best selling Jesus before Christianity God in South Africa is a contextual theology a theology rooted in the painful conversion of a church to the cause of liberation It can be regarded the author says as a conversation between South African Christians but out of that conversation comes a challenge to Christians everywhere to discover the meaning of the gospel to find God in their situation This profound book written in the 1980s to guide those seeking to deploy the gospel message against the repressive and abhorrent South African apartheid regime continues to speak powerfully to all peoples in all times and in all places It continues to show how the gospels respond to the signs of the times anywhere that people are in crisis providing the tools to build a contextualised and local theology that can preach the good news of God's liberating power against all forms of injustice Albert Nolan South Africa's Gustavo Gutierrez revealed hope that God cares for and finds the poor and oppressed wherever they are For my own community the potential to construct a contextualised and local Ukrainian theology offers hope that the good news always challenges those who oppress and forever speaks liberation for those burdened by an unjust war and the despair found in its wake

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord

Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170 **Helping Jesus Fulfill Prophecy** Robert J Miller,2017-01-26 It s obvious that Jesus fulfilled prophecies about the promised Messiah or so the gospels make it seem But the real story is more complex and more compelling In hindsight we can see that Jesus had help fulfilling prophecy The gospel writers skillfully manipulated prophecies carefully lifting them out of context creatively reinterpreting them even rewriting them to match what Jesus would do in fulfilling them The evangelists also used the prophecies themselves to shape the very stories that show their fulfillment This book describes in detail how Christian authors helped Jesus fulfill prophecy Studies of Greek oracles the Dead Sea Scrolls translations of the Hebrew Scriptures into Greek and Aramaic and the writings of Josephus explore the interpretive techniques that paved the way for the New Testament s manipulation of prophecy This book analyzes how the belief that Jesus fulfilled prophecy became an argument to justify a new notion the view that Christians had replaced Jews as God s chosen people An aggressive anti Judaism is analyzed in chapters on patristic theologians such as Justin Martyr and Augustine who embedded it into the argument from prophecy The book concludes with an ethical argument for why Christians should retire the argument from prophecy Beautiful Names of Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi,Syed Ahsan Habibi,2016-08-26 In this book you will see ninety nine blessed names of the Prophet Muhammad Peace Be Upon Him as characterised in the Bible and the Rabbinical literature which are confirmed by the Quran and the Hadith Like every Prophet in history Prophet Muhammad Peace Be Upon Him also bears his names by his characteristic charisma and to him are assigned so many great characteristic names but the most common are numbered two hundred and one which in turn embark and split into thousands of his blessed names
