Prophetic Voices In Contemporary Theology:

Prophetic Voices in Contemporary Theology Alvin C. Porteous, 1966 **Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience** Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance hearing God's voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose **Truth, Community, and the Prophetic Voice**

Christopher J. Libby, 2018-06-18 The central concern of *Truth Community and the Prophetic Voice* asks how it might be possible today to uphold an understanding of the prophetic voice that comports in essential ways with its expression in the biblical vision while attending especially to contemporary judgments regarding the epistemological significance of community and concerns about the nature and function of claims to truth Ultimately and more specifically Christopher J. Libby hopes to gain some purchase on what an adequate contemporary Christian theological rendering of the prophetic looks like He argues that it is not only possible to provide a non foundationalist account of the prophetic voice but that that voice is able to come truly into its own when cast in a non foundationalist frame **Diverse Voices in Modern US Moral**

Theology Charles E. Curran, 2019-02-15 In Charles E. Curran's latest book *Diverse Voices in Modern US Moral Theology* he presents the diverse voices of US Catholic moral theologians from the mid twentieth century to the present The book discusses eleven key individuals in the development and evolution of moral theology as well as the New Wine New Wineskins movement This diversity which differs from the monolithic understanding of moral theology that prevailed until recently comes from the diverse historical circumstances or *Sitz im Leben* of the authors Each of these theologians developed her or his approach in light of these circumstances and in response to shifts in the three audiences of moral theology the Church the academy and the broader society By exploring this diversity Curran recognizes the deep divisions that exist within Catholic moral theology between the so called liberal and conservative approaches and acknowledges the need for greater dialogue between them providing a deeper understanding of the methods and approaches of these significant figures This new book from a major figure in the field will be an important resource for students and scholars of US Catholic moral theology and for anyone seeking to understand the current state of moral theology in America today **Baptist Theology** James Leo

Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and

Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal [The Prophetic Voice of Amos on Contemporary Social Justice](#) Patrick Kofi Amissah, 2023-09-14 This volume comprehensively examines all texts dealing with social justice in the Prophecy of Amos It also provides evidence of contemporary systemic social injustice The volume then reflects on how biblical social justice is relevant to the contemporary quest for social justice This volume demonstrates that irrespective of the hermeneutical challenges the principles gleaned from the pages of the Hebrew Bible can dialogue effectively with modern issues and deduce living principles that could enable us to deal with issues that confront us today It is thus a framework by which biblical social justice illuminates the contemporary quest for social justice

T&T Clark Handbook of African American Theology, 2019-07-25 This handbook explores the central theme of Christian faith from various disciplinary approaches and different contexts of black experience in the United States The central unifying theme is freedom an important concept both in American culture and Christianity African American theology represents a Christian understanding of God's freedom and the good news of God's call for all humankind to enter life true human identity and moral responsibility in genuine and just community Contributors to the volume argue that African American theology highlights how racism and other intersecting forms of oppression complicate the human predicament and that their eradication requires an expansion of salvation to include the liberation of persons who lack full participation in society and enjoyment of the good and goods made possible by that society The essays in this handbook employ the tools of biblical criticism history cultural and social analysis religious studies philosophy and systematic theology in order to explore and assess the nature and impact of race ethnicity gender sexuality class immigration and cultural and moral pluralism in America as well as the intersections between African American and African diasporan religious thought and life *The Lord Roars* M. Daniel Carroll R., 2022-08-16 The world cries out for a prophetic word to the chaos unrest and destructiveness of our times Can the biblical prophets speak into our world today Leading Old Testament ethicist M Daniel Carroll R shows that

learning from the prophets can make us better prepared for Christian witness In this guide to the ethical material of Old Testament prophetic literature Carroll highlights key ethical concerns of the three prophets most associated with social critique Amos Isaiah and Micah showing their relevance for those who wish to speak with a prophetic voice today The book focuses on the pride that generates injustice and the religious life that legitimates an unacceptable status quo both of which bring judgment as well as the ethical importance of the visions of restoration after divine judgment Each of these components in the biblical text makes its own particular call to readers to respond in an appropriate manner The book also links biblical teaching with prophetic voices of the modern era

Recovering the Ecumenical Bonhoeffer Javier A.

Garcia,2019-10-14 In Recovering the Ecumenical Bonhoeffer Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer s thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31

The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection

rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Beginning of the End? Andrew J. Lamont-Turner, The world is shifting nations are rising and ancient prophecies are unfolding before our eyes Are we approaching the final days foretold in Scripture In *Beginning of the End* explore the prophetic landscape laid out in the Bible from Daniel's visions of warring kings to Ezekiel's forewarning of Gog and Magog Dig into the enigmatic identities of the Kings of the North South and East unraveling their roles in geopolitics and eschatology Understand how Russia the Middle East and the global stage intertwine with prophecy and what it means for the future of Israel and the world This book goes beyond mere speculation It provides a rich theological and historical analysis equipping believers with the knowledge to discern the signs of the times Discover practical steps for spiritual preparedness the power of faith and prayer and the hope found in God's promises Are you ready to navigate the unfolding of history through the lens of biblical prophecy The answers await within these pages

Liberating Black Theology Demaine Solomons, Eugene Baron, 2024-02-14 Current debates on decolonisation call for academic disciplines including the practitioners of Black theology to reflect on its content and curriculum This edited volume actively engages in these ongoing dialogues specifically addressing the pertinence of a Black theology of liberation within the postapartheid landscape It not only delves into the historical underpinnings of this theological framework but also endeavours to establish a conceptual framework for assessing its significance within the current discourse on decolonising theological disciplines In addition to shedding light on the historical importance of Black theology the late Vuyani Vellem poses a crucial question What lessons has Black theology yet to learn This inquiry by emerging South African scholars serves as a guide for navigating the path forward in developing this theological perspective Beyond emphasising the historical context the volume aims to contribute to broader discussions about social cohesion in South Africa where conflicting socio political narratives persist This work adds to the theoretical development by grappling with the history of Black theological thought and influences contemporary engagements with theology Its impact spans various levels encompassing the reconsideration of Black theology's influence on race gender politics community development and more Ultimately this volume serves as a catalyst for understanding and reshaping the discourse on Black theology offering valuable insights for navigating the complexities of theological thought in today's diverse and evolving landscape

Reflections on The Moral & Spiritual Crisis in Education David E. Purpel, William

M. McLaurin, 2004 This book takes a sharply critical view of contemporary society with a searing indictment of our morally and intellectually bankrupt educational system Uniquely the book contains both the original version of David Purpel's highly influential *Moral and Spiritual Crisis in Education* first published in 1989 as well as an updated critique of that work reflections from our current times of growing despair about the directions of education and the nation *Reflections on the Moral and Spiritual Crisis in Education* focuses on the possibility and necessity of generating hope through the redemptive and energizing power of the human spirit **The Wiley Blackwell Reader in Practical Theology** Bonnie J.

Miller-McLemore, 2019-08-06 Contains a general introduction to the discipline featuring classic and pioneering essays that address the history methods issues and exemplary illustrations of research teaching and practice Presenting a diverse collection of landmark essays *The Wiley Blackwell Reader in Practical Theology* explores the turn of the century renaissance of practical theology as an academic discipline and shows how the discipline has advanced a steady epistemological insurgency in theology throughout the twentieth and twenty first century The text provides scholars students and ministerial professionals with easy access to original seminal sources that represent major milestones growing edges and useful classificatory rubrics A handy one volume primer to practical theology the book Offers an excellent bird's eye view of the discipline's essential foundational contributions Provides significant introductory overview material helpful in guiding both new and experienced readers to practical theology Includes brief overview introductions before each essay to situate the reading and highlight key contributions and occasional limitations Features essay selections that consider race gender sexuality age and other differences as a critical subtheme *The Wiley Blackwell Reader in Practical Theology* is an indispensable resource for students faculty and professionals in practical theology and colleagues in related cognate disciplines in theological education and religious studies *Literary Theology by Women Writers of the Nineteenth Century*

Rebecca Styler, 2016-05-13 Examining popular fiction life writing poetry and political works Rebecca Styler explores women's contributions to theology in the nineteenth century Female writers Styler argues acted as amateur theologians by use of a range of literary genres Through these they questioned the Christian tradition relative to contemporary concerns about political ethics gender identity and personal meaning Among Styler's subjects are novels by Emma Worboise writers of collective biography including Anna Jameson and Clara Balfour who study Bible women in order to address contemporary concerns about The Woman Question poetry by Anne Bronte and political writing by Harriet Martineau and Josephine Butler As Styler considers the ways in which each writer negotiates the gender constraints and opportunities that are available to her religious setting and literary genre she shows the varying degrees of frustration which these writers express with the inadequacy of received religion to meet their personal and ethical needs All find resources within that tradition and within their experience to reconfigure Christianity in creative and more earth oriented ways *Contemporary Theology: An Introduction* Kirk R. MacGregor, 2019-01-08 Accessible and comprehensive *Contemporary Theology An Introduction* by

professor and author Kirk R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life Contemporary Theology An Introduction is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner Minjung and Process Hiheon Kim,2009 This book reconstructs the legacy of Korean minjung theology by reformulating its essential ideas in a dialogue with process thought In a minimal sense this study is a theological reinterpretation of the doctrine of the minjung messiah an idea which historically suffered from a misunderstanding that minjung theology created a messianic confusion while replacing christology and soteriology by a radical anthropology This erroneous conception occurred when the idea was placed within the philosophically dualistic framework of traditional doctrines in which the work of minjung is totally separated from the work of Christ In order to avoid such a dualistic understanding the author critically adopts process panentheism and makes minjung ideas more communicable and more comprehensive in current theological religious and philosophical debates Beyond defending the idea of the minjung messiah he also argues for an inclusive minjung hermeneutics that promotes the fundamental insight of minjung theology in philosophical clarity Through minjung hermeneutics minjung theology expands its practical concern and overcomes the theoretical nihilism in postmodern studies The Rise of the Prophetic Voice Alph Lukau,2019-10-24 The prophetic ministry is one of the most powerful yet least understood callings in the church today The Rise of the Prophetic Voice is an educational and revolutionary book that unveils biblical prophecy the prophetic anointing and how it operates in the modern world It serves as a rare tool of the Holy Spirit shedding light on the prophetic gift and equipping believers to walk in their divine calling The Bible is a prophetic book and the birth of Jesus Christ fulfilled ancient prophecies Yet many Christians remain unaware of the supernatural power of prophecy In this book Alph Lukau presents Spirit led revelations that demonstrate God s authority divine wisdom and prophetic fulfillment He provides a strong scriptural foundation dismantles misconceptions and challenges believers to embrace the five fold ministry with confidence As the world shifts toward self reliance and spiritual complacency the church must reclaim its prophetic voice This book rekindles the fire of the Holy Spirit guiding readers to discover their prophetic calling understand its significance and step into spiritual warfare miracles and divine revelation Through deep theological insights and practical applications Lukau empowers believers to operate in the prophetic mantle and fulfill God s end time agenda Whether you are new to prophetic ministry or seeking to grow in spiritual gifts The Rise of the Prophetic Voice will transform your faith and prepare you to be a vessel of God s power The prophetic movement is rising are you ready to take your place **Music as Theology** Maeve Louise

Heaney, 2012-09-01 The conversation between music and theology dormant for too long in recent years is at last gathering pace And rightly so There will always be theologians who will regard music as a somewhat peripheral concern too trivial to trouble the serious scholar and in any case almost impossible to engage because of its notorious resistance to words and concepts But an increasing number are discovering again what many of our forbears realized centuries ago that the kinship between this pervasive feature of human life and the search for a Christian intelligence of faith is intimate and ineradicable Maeve Heaney's ambitious wide ranging and energetic book pushes the conversation further forward still Her approach is unapologetically theological grounded in the passions and concerns of mainstream doctrinal theology And yet she is insisting that music must be given its due place in the ecology of theology Although convinced that music should not be set up as a rival to linguistic or conceptual articulation let alone swallow up traditional modes of theological language and thought she is equally convinced that music is an irreducible means of coming to terms with the world a unique vehicle of world disclosure and as such can generate a particular form of understanding there are things which God may only be saying through music If this is so it is incumbent on the theologian to listen Jeremy Begbie from the Foreword
