Michael Muhammad Knight, 2023-11-07 Combining insights from the best published historical and religious studies scholarship original research and rich first person perspective this highly readable book offers a comprehensive yet concise introduction to the founder and central figure of the Islamic tradition the prophet Muhammad Narrating Muhammad s life story teachings and daily practices and assessing how his legacy is received interpreted and applied around the world Michael Muhammad Knight reveals how the prophet has become simultaneously one of the most beloved historical figures in the world and also one of the most contested challenged and disparaged Knight argues that there was never a singular Muslim vision of Muhammad but rather always multiple perspectives While Muslims defend Muhammad s legacy against Islamophobic polemics they also challenge each other regarding the proper authorities through which Muhammad s life and message become comprehensible and applicable in our world Thinking across time and place Knight argues that Muhammad is always contextual and contemporary Muhammad and the People of the Book Sahaja Carimokam, 2010-09-17 Muhammad and the People of Book by Sahaja Carimokam asks the question what was the nature of Muhammad s relationship to non Muslims particularly Jews and Christians and how did it change over time This work is based on a chronological reading of the chapters of the Qur an supplemented with Muslim commentary literature and biographical materials on the life of Muhammad Carimokam traces Muhammad s evolving religious viewpoint based on his borrowings of primarily Jewish and some Christian traditional apocryphal materials He shows how Muhammad s inaccurate and anachronistic rendition of Jewish traditional literature ensured that the Jews would reject him as a Prophet This rejection lead to his ultimatum to the Jews early in the Medinan period of the Qur an and culminated with his call to Jihad against all non Muslims including those Jews and Christians who refused to acknowledge his Prophethood The origins of takfir declaring Muslims to be non Muslims are considered Comparisons are made of moderate and traditional interpreters of the Qur an Historical critical issues regarding the background provided by Muslim historical propaganda is considered in one chapter The book concludes with a controversial issue for the interpretation of Islamic law in the 21st century based on the actual

canonical practices of Muhammad A Dictionary of Christian Biography, Literature, Sects and Doctrines William Is Peaceful Coexistence Possible Between Christians and Muslims? Samir Smith, Henry Wace, 1882 Moura, 2022-11-24 The aim of the book is to examine the possibility for Christians and Muslims of different sects to live side by side in harmony taking into account the considerable development of the society and sciences since the advent of these two religions There are many similarities between the Bible and the Quran as Prophet Muhammad had knowledge of the Bible due to his contacts with the Christian Clergy and Jewish Rabbis Prophet Muhammad with his logical analytical mind discussed the different interpretations of the Evangels with Christians of different sects and later discussed the Torah with Jewish Rabbis in Yathrib Medina and reached certain conclusions that he expressed in a book revealed to him in Arabic language where he tried to correct the misinterpretations of the Bible by others to serve as a guide for his people An in depth reading of the Bible and the Quran reveals the difference in Prophet Muhammad's life in Mecca before the death of his first wife Khadija and her uncle the Arian Christian priest Waraka when he followed the Christian approach in peacefully calling for the belief in a Single God lead a monogamous life and after his migration to Medina where he had as neighbours the Jewish Rabbis Here the lifestyle of Prophet Muhammad witnessed a deep transformation thereafter emulating that of Israeli Prophets kings David and Solomon in his polygamous marriages and his wars to establish an earthly Muslim Arab State in sharp contrast with the Heavenly Kingdom preached by Jesus Christ In spite of the improvements entered into the Quran over those of the Torah the Quran remains a constitution that appropriated much of its components from Moses Law Even if the ideas In the Torah and the Quran were inspired by God the tools who revealed them to mankind were humane using the reasoning and language expression capabilities of human imperfect persons the level of their scientific knowledge and the traditions of their societies. They were written with the level of writing skills of their time mostly from memories tens and hundreds of years after the death of Moses Jesus Christ and Muhammad Hand copying these scriptures and translating them during centuries many mistakes must have occurred The above leads us to conclude that the Bible and the Quran cannot be literally the words of God Christians and Muslims should strive to interpret the Bible and the Quran basing their interpretation on reason logic and nowadays scientific knowledge and where necessary deleting the incorrect insertions As we cannot accept many rules of Moses s Law similarly we cannot accept the Quran s Shari a Law covering wars of conquest in Allah s name the notion that the Muslim Nation is the best nation killing the apostate payment of tribute by non Muslims plunder of women slavery polygamy inequality between men and women in tribunals and inheritance lashing adulterers cutting hands and feet Ignorance is the main cause of human misery The Mission Of Prophet Muhammad Moin Qazi,2014-09-06 The life of Prophet Muhammad has provided inspiration to Muslims for hundreds of years The Prophet occupies a unique place in the life and conscience of Muslims In this profound and stimulating biography the author shows how the Prophet's message can be used to address a vast range of contemporary issues.
