Prophets of Dissent: Essays on Maeterlinck, Strindberg, Nietzsche, and Tolstoy (Classic Reprint) Otto Heller, 2015-07-11
Excerpt from *Prophets of Dissent: Essays on Maeterlinck, Strindberg, Nietzsche, and Tolstoy*. Here they are, my fifty Men and Women Authors, arranged alphabetically from Ade George to Zangwill Israel. If reader, you find some of your favourites omitted, please remember that there was a former book called *Authors and I*. This new volume, most of which was written in America, is named naturally *More Authors and I*. For I was allowed to acquire the habit of writing these studies week by week for *The Christian Science Monitor*, and as Mr. Frederick Dixon, then Editor of that excellent journal, liked them, and after *Authors and I* was published, said encouragingly, "Carry on," I continued to write about the authors to whom I reacted for some reason or another at the moment, even such far-away figures as George Eliot and Herbert Spencer. And I am doing it still. For authors and their vicissitudes are many and persistent, and new ways of regarding them open unceasingly like new dawns. Prophets of Dissent Otto Heller, 2017-08-13 **Dissent or Conform?** Alan Wilkinson, 2010-03-25 *Dissent or Conform* examines how churches reacted to and were affected by the two world wars Its underlying theme however is how the Church can be a creatively dissenting community focusing on how easily the church can turn into a conforming community that only encourages the occurrence of uncreative dissenters the ones who criticize the power without offering solutions and leading to a real change Wilkinson opposes this trait of the church especially given the impact that it has on society as a messenger of the gospel To this end the author depicts religious groups during three periods of time English Nonconformity among the free churches before WWI pacifists and pacifiers between the two wars and Christianity during WWII focusing on how church history interacts with the developments in history and society This book is of particular interest to social and church historians of the 20th century and to all interested in the history and ethics of war and pacifism It will also appeal to those attracted by the interaction between church and society
