Here is a fascinating study that contributes much to our understanding of the Gospel tradition and in addition provides evidence that biblical theology is still alive and flourishing Morna Hooker reviews the prophetic actions in the Old Testament and compares these with the way in which prophetic figures behaved in Jesus' day in particular John the Baptist and the so-called sign prophets She then turns to Jesus and considers those actions that can be described as prophetic signs or dramas Hooker discusses the sign of Jonah Jesus' refusal to perform signs the miracles and other prophetic actions like the renaming of Simon Jesus eating with tax collectors and sinners and the prophetic signs associated with Jerusalem reaching a climax in the Last Supper A final chapter examines the different ways in which the four evangelists interpreted Jesus' prophetic actions
