Robert A. Carlson

Prophets As Preachers An Introduction To The Hebrew Prophets:

The Prophets as Preachers Gary V. Smith, 1998-09-01 Designed for use in upper level college courses and seminary courses on the prophets **Preaching Like the Prophets** Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets *Cracking Old Testament Codes* D. Brent Sandy, Ronald L. Giese, 1995-06-06 A guide to the various kinds of literature in the Old Testament narrative history law oracles and more and how to interpret them Contributors include Eugene Merrill Walt Kaiser and Tremper Longman III *A Guide to Biblical Commentaries and Reference Works, 11th Edition* John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike Plowshares and Pruning Hooks Brent Sandy, 2025-10-28 What are we to make of Isaiah s image of Mount Zion as the highest of the mountains or Zechariah s picture of the Mount of Olives split in two or Daniel s beast rising out of the sea or Revelation s great red dragon with seven heads and ten horns How can Peter claim that on the day of Pentecost the prophecy of Joel was being fulfilled with signs in heaven and wonders on earth the sun turned to darkness and the moon to blood The language and imagery of biblical prophecy has been the source of puzzlement for many Christians and a point of dispute for some How ironic that is For the prophets and seers were the wordsmiths of their time They took pains to speak God s word clearly and effectively to their contemporaries How should we as citizens of the twenty first century understand the imagery of this ancient biblical literature Are there any clues in the texts themselves any principles we can apply as we read these important but puzzling biblical texts D Brent Sandy carefully considers the language and imagery of prophecy and apocalyptic how it is used how it is fulfilled within Scripture and how we should read it against the horizon of our future Clearly and engagingly written Plowshares and Pruning Hooks is the kind of book that gives its readers a new vantage point from which to view the landscape of prophetic and apocalyptic language and imagery Amos, Obadiah, Jonah Billy K.

Smith, Franklin S. Page, 1995 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text Preaching and Teaching from the Old Testament Walter C. Kaiser, Jr., 2003-03-01 Viewed as antiquated and remote the Old Testament is frequently neglected in the preaching and teaching ministry of the church But contrary to the prevailing attitude might the Old Testament contain relevant and meaningful application for today Renowned author and scholar Walter Kaiser shows why the Old Testament deserves equal attention with the New Testament and offers a helpful guide on how preachers and teachers can give it the full attention it deserves Growing out of his teaching material from the last decade *Preaching and Teaching from the Old Testament* demonstrates Kaiser's celebrated straightforward exposition Offering an apologetic for the Christian use of the Old Testament the opening chapters deal with the value problem and task of preaching from it Following a discussion of the role of expository preaching Kaiser provides a practical focus by examining preaching and teaching from the texts of various genres A final chapter explores the relevance of the Old Testament in speaking to a contemporary audience Bible teachers pastors seminary students and professors will appreciate Kaiser's practical focus and relevant applications Additional helps include a glossary and suggested outlines and worksheets for expository preaching *Hosea, Joel, Amos, Obadiah, Jonah, Micah* Trent C. Butler, 2005 No other book in the Bible compares with the wonder of the sacred collection of inspired worship songs known as the Psalms Considered by many to be the most loved portion of Scripture the Psalms have been a bedrock of comfort and a tower of strength for believers in every experience of life This is the second of two volumes in the Holman Old Testament Commentary given to the Psalms that provide commentary on Psalms chapters 76-150 Some of the key Psalms receive an added in depth treatment that includes exposition illustrations and teaching plans <http://www.christianbook.com> **Writing and Reading War** Brad E. Kelle, Frank Ritchel Ames, 2008 The meaning of war definitions for the study of war in ancient Israelite literature Frank Ritchel Ames Concepts of war in the Hebrew Bible a plaidoyer for book oriented study Jacob L Wright Fighting in writing warfare in histories of ancient Israel Megan Bishop Moore Assyrian military practices and Deuteronomy's laws of warfare Michael G Hasel Siege warfare imagery and the background of a biblical curse Jeremy D Smoak Wartime rhetoric prophetic metaphorization of cities as female Brad E Kelle Family metaphors and social conflict in Hosea Alice A Keefe We have seen the enemy and he is only a she the portrayal of warriors as women Claudia D Bergmann Conquest reconfigured recasting warfare in the redaction of Joshua Daniel Hawk Go back by the way you came an internal textual critique of Elijah's violence in 1 Kings 18-19 Frances Flannery Shifts in Israelite war ethics and early Jewish historiography of plundering Brian Kvasnica Gideon at Thermopylae on the militarization of miracle in biblical narrative and battle maps Daniel I Smith Christopher **The Bible in Human Society** Mark Daniel Carroll R., David J. A. Clines, Philip R. Davies, 1995-10-01 This collection of essays written by biblical scholars from around the world attempts to probe the relationship between the Bible and the world It reflects modern social political and hermeneutical issues including liberation concerns These themes echo John Rogerson's

commitment to relate his research and the Bible to contemporary issues a commitment visible both in his publications and in his religious and political activities This book is an expression of appreciation of John Rogerson by former and current colleagues former students and other biblical scholars **The Essence of the Old Testament** Ed Hindson,Gary

Yates,2012-08-01 The Essence of the Old Testament surveys the books from Genesis to Malachi Based on thirty years of scholarly research and classroom teaching a team of biblical scholars from Liberty University provides a practical readable and insightful introduction to the Hebrew Scriptures in canonical order This uniquely illustrated full color volume features book introductions background studies outlines surveys theological concepts practical applications study questions and helpful Hebrew word studies for English readers Editors Ed Hindson and Gary Yates draw from a lifetime of teaching to provide a well tested and proven Old Testament overview written at the collegiate level yet appropriate for pastors scholars and laymen alike They represent the finest evangelical scholarship along with a passion to open windows of spiritual and practical insight into the biblical text This exciting new survey of the Scriptures highlights the key elements of the Hebrew literature of the Law the Prophets and the Poets of the Old Testament The history archaeology and wisdom of the biblical world are revealed with an eye on the application of their moral principles theological insights and practical application to today s world **Zechariah** George Klein,2008-04-15 THE NEW AMERICAN COMMENTARY is for the minister or Bible

student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition **Isaiah 1-39** Gary V. Smith,2007 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *Holman Old Testament Commentary - Nahum-Malachi* Stephen Miller,2004-04-01 One in a series of twenty Old Testament verse by verse commentary books edited

by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike **A Guide to Biblical Commentaries and Reference Works** John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of

commentaries and intends to update this book every three to four years **Amos--the Prophet and His Oracles** M. Daniel Carroll R.,2002-01-01 The book of Amos holds a unique and central place among the canonical prophetic literature and presents a special array of issues for scholarly discussion This book provides a thorough and balanced overview of the history

of scholarship on the book of Amos two essays that trace the history of scholarship and offer promising lines for further inquiry a substantial anthology of readings of the multiple ways Amos has been analyzed and appropriated an extensive and current bibliography and notes on doctoral dissertations conducted in recent years The result is a comprehensive compendium of resources for scholarly writing on the book of Amos **Prophetic Rhetoric** Ernst R. Wendland,2009-05-26

Interpreting the Old Testament Theologically Andrew T. Abernethy,2018-12-18 How should Christians read the Old Testament today Answers to this question gravitate between two poles On the one hand some pay little attention to the gap between the Old Testament and today reading the Old Testament like a devotional allegory that points the Christian directly to Jesus On the other hand there are folks who prioritize an Old Testament passage s original context to such an extent that it is by no means clear if and how a given Old Testament text might bear witness to Christ and address the church This volume is a tribute to Willem A VanGemenen an ecclesial scholar who operated amidst the tension between understanding texts in their original context and their theological witness to Christ and the church The contributors in this volume share a conviction that Christians must read the Old Testament with a theological concern for how it bears witness to Christ and nourishes the church while not undermining the basic principles of exegesis Two questions drive these essays as they address the topic of reading the Old Testament theologically Christology If the Old Testament bears witness to Christ how do we move from an Old Testament text theme or book to Christ Ecclesiology If the Old Testament is meant to nourish the church how do scriptures originally given to Israel address the church today The volume unfolds by first considering exegetical habits that are essential for interpreting the Old Testament theologically Then several essays wrestle with how topics from select Old Testament books can be read theologically Finally it concludes by addressing several communal matters that arise when reading the Old Testament theologically *Bridging the Gap* Gerald A. Klingbeil,2007 This volume is intended to introduce university and seminary students and scholars to the neglected field of ritual studies particularly within the larger context of biblical and theological studies At the same time the author hopes to further the discussion by interacting with numerous scholars in the field providing an extensive bibliography of relevant works Klingbeil defines the basic terms used in ritual studies and explains the concepts involved in interpreting biblical ritual He offers a broad history of the study of biblical ritual beginning with the critiques of ritual found in the Old Testament prophetic books and surveying attitudes toward ritual down to modern times Drawing on the fields of anthropology and sociology as well as his decade of work in the field Klingbeil presents a comprehensive reading strategy for biblical ritual texts In addition he explores connections between ritual studies and theological research This ground breaking study promises to generate discussion about biblical ritual and provides an excellent introduction to this growing field of study for students and scholars *The Baker Illustrated Bible Background Commentary* J. Scott Duvall,J. Daniel Hays,2020-08-04 We are far removed from the time and culture of the biblical world and this distance easily leads to misunderstanding and misinterpretation Our understanding

and appreciation for God's Word increase exponentially when we know about the context in which the biblical books were written. So while many Bible commentaries explain the theological meaning of the text, The Baker Illustrated Bible Background Commentary provides fascinating cultural and historical insights into God's Word. Richly illustrated with full color photos throughout, this one volume background commentary includes articles by leading Old and New Testament scholars on subjects such as countries, cities, and cultures of the Holy Land and the Greco-Roman world; warfare and execution; religious groups and customs; fashion; athletics; feasts and celebrations; honor, shame, and hospitality; and much more. This colorful, informative volume is an essential companion for pastors, teachers, and laypeople who want to enhance their personal Bible study and help others do the same.
