Michael Hawk Mills, 2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and
extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a
preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and
even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because
countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to
a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite
consistently studying the Bible some people show little difference between the way they act now and the way they acted
years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of
Scripture Maclaren s sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the
