Healy, 2015-10-23 Lord I am not worthy to have you enter under my roof only say the word and my servant will be healed Matthew 8 8 When we or a family member or friend are faced with an injury or illness physical or emotional our thoughts turn to God in prayer for healing We want to believe as the Centurion did that God will grant healing but we wonder And if we as Catholics have doubts what does this mean to a hurting world also in need of healing In her new book *Healing Bringing God's Gift of Mercy to the World* Mary Healy answers to these questions and more Is Jesus still healing people today Are these healings real and do they last How do we know if God wants us to pray for healing Isn't God asking us to endure suffering and hardships instead of asking for healing How can we pray for healing Can my broken heart be healed as well as my body Through the study of Catholic tradition the lives of the saints and ordinary people you'll begin to understand how the message of inward healing is also a message that we as Catholics are empowered to take outward to the world

**Prophetic Peril** Thomas M. Fuerst, 2025-02-17 Prophecy reimagines the world It critiques what is and encourages its audience to imagine what could be All prophecy therefore begins with a person willing to reimagine their own situation In the biblical and African American traditions this person receives a call to prophetic ministry that upends their reality and compels them to change the way things are *Prophetic Peril The Rhetoric of Nineteenth Century African American Prophetic Call Narratives* invites readers into the imaginative subversive and ethically complicated stories of four nineteenth century Black figures who received the call to challenge the what is and live into the what could be in the midst of a hard hearted world Focusing on the prophetic call narratives of Maria Stewart Nat Turner Julia Foote and Richard Allen author Thomas M

Fuerst offers insight into the unique contributions this tradition makes to American oratory storytelling history ethics theology and protest As Fuerst demonstrates Turner s call narrative subverts white political interests and expands politics to include the resistance rhetoric and witness of those on the margins Allen s apologetic narration combines deeply thoughtful Protestant exegesis with a liberation theology shaped by the experience of enslavement anchoring his rhetorical power in the experience of Black people in the nineteenth century The call narratives of Stewart and Foote circumvent patriarchy and resist patriarchal interpretations of the Bible through biblical embodied dramatic visionary appeals that sidestep persuasion and demand either acceptance or rejection Taken together these case studies reveal how antebellum Black preachers used religious storytelling to resist white patriarchal oppression and assert their own voices offering unique insight to our understanding of prophecy and resistance
