

Recognition of the Saints

From the beginning, the Church recognized the *righteous ancestors of Christ, forefathers*, as grace-filled men and women whose lives were pleasing to God. Also the *prophets* who predicted Christ's coming and the *apostles* and *evangelists* who proclaimed the Gospel were assumed to be saints.

Prophets Of Recognition:

Prophets of Recognition Julia Eichelberger,1999 This ideal form of democracy Eichelberger calls recognition and she maintains that each novel champions it at least implicitly by employing actions and social structures that accord the characters an inherent value rather than requiring them to attain relative value within the social hierarchy **BOOK JACKET**

The Prophets of Israel Leon J. Wood,1998-09-01 Wood focuses on the prophets daily circumstances to illuminate their message Covers both the writing and non writing prophets including Miriam and Elijah **Pentecostal Prophets** Stephen D. Barkley,2023-04-20 Prophets come in many varieties ecstatic worshipers inspired preachers social justice advocates and even political pundits Their messages vary accordingly The purpose of this book is to dig beneath the message to understand the how How do modern day prophets experience the prophetic impulse The phenomenological study at the core of this book answers that question directly by examining the experience of Canadian Pentecostals From there the experience of modern day prophets is compared with Old Testament prophets with special attention given to Jeremiah It turns out that prophets today share in the same experience as their Old Testament predecessors This book can benefit three audiences For the academy this work provides the first phenomenological study of prophecy in Canada For pastors reading this book will be an exercise in empathy placing you in the shoes of the prophets in your congregation helping you to understand what goes on when someone prophesies For everyday prophets this book will affirm your connection through Jesus to the Old Testament prophetic tradition enabling you to read those Old Testament books in a new experiential light **Dictionary of the Old Testament: Prophets** G MCCONVILLE,MARK J BODA,2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And

the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Everyday Prophets Margery Post Abbott,2016-07-26 In this Lecture Margery Post Abbott explores the interplay between faith and action drawing on her wide range of experiences as a scholar activist sailor and Quaker Taking an ethical stance acting on the concern for justice and the yearning for peace does much to open hearts Yet some activists get burnt out or caught up in the tangle of power or pride becoming what they were resisting Friends have always asserted that there is a source of strength and guidance that paraphrasing William Penn changes the human heart so that each person might better change the world is Spirit fuels the work for which Friends are most known Faithfulness to the Inward Guide lifts us free of the desire for personal success or for revenge or for control over the world around us By listening for and following the Voice of the Light each of us might become an Everyday Prophet Such people walk humbly even as they come to speak boldly following the path of compassion and justice We do this best as part of a community that is able to carry a vision of the New Creation the Kingdom of God being formed on earth as we remind each other to listen for the movement **Patristic**

Polemical Works, Recognition's of Clement, Book I-X Apostle Horn,2019-01-09 Can you imagine what it would have been like to be taught personally about Jesus by the apostle Paul or Peter Clement of Rome was a first century convert who had that wonderful privilege If you look in your New Testament at Philippians 4 3 you will see a Clement referred to who very well could be the same Clement we are looking at in this issue **101 Prophetic Ways God Speaks** Hakeem

Collins,2019-11-19 God is speaking Are you listening Often we convince ourselves that God only speaks to really spiritual people But the truth is that God longs to speak to every one of His children You can hear His voice 101 Prophetic Ways God Speaks will help all believers access the supernatural voice of God speaking direction *The Catholic University Bulletin* ,1906 **Prophets of the Christian faith, by F.W. Goldman,1978-12-31 This volume contains the lectures which the faculty of the Cincinnati School of Hebrew Union College Jewish Institute of Religion presented to the larger community during the College Centennial Year They are lectures by scholars moving out of the strict confines of their specialty and addressing a lay audience at large spreading Jewish information filtered through the channels of Jewish learning and representing a discussion of contemporary problems and concerns in the light of scholarly findings The convergence of the College Centennial and the national Bicentennial provided a unique occasion to assess the interrelationship between America and American Jewry Each lecturer therefore applied the insights of his own discipline to the situation of contemporary Jewish life in America elucidating both the challenges and the opportunities The lectures deal with the American Jewish Experience the history the sociology the artistic creativity and the ways in which the ancient legacy of religious ideas and literature can thrive in a free democracy The thirteen lectures published in this volume are by Professors Sheldon H Blank Herbert C Brichto Samuel Greengus Robert L Katz Jacob R Marcus Michael A Meyer Eugene Mihaly Jakob J Petuchowski Alvin J Reines Ellis Rivkin Samuel Sandmel Sylvan D Schwartzman and David B Weisberg Dr Alfred Gottschalk President of the College contributed an introductory essay on The Public Function of the Jewish Scholar **The Prophet of Nazareth** Nathaniel Schmidt,1905 *Religion -- Its Prophets and Its False Prophets* James Bishop Thomas,1918 *The Serpent Kills or the Serpent Gives Life* Robert J. Sagerman,2011-01-07 Abraham Abulafia 1240 c 1291 founded an enormously influential branch of Jewish mysticism referred to as the prophetic or ecstatic kabbalah This book from several perspectives explores the impact of Christianity upon Abulafia His copious writings evince an intense fascination with Christian themes yet Abulafia s frequent diatribes against Jesus and Christianity reveal him to be deeply conflicted in his relationship to his southern European religious neighbors This book undertakes a careful study of Abulafia s writings suggesting that the recognition of an inner dynamic of attraction and revulsion toward the forbidden other provides a crucial key to understanding Abulafia s mystical hermeneutic and his meditative practice It also demonstrates that Abulafia s uneasy relationship to Christianity shaped the very core of his mystical doctrine *Prophecy and the Battle for Spiritual Authority, 1360-1400* Frances Courtney Kneupper,2025-07-02 The end of the fourteenth century was a time of upheaval and contested authority among the traditional institutions of

medieval Europe In response to these conditions a number of people began to claim their own authority as prophets speaking the word of God They came from outside of the clerical elite and were mostly women and reformers This book examines the battle over authority which ensued Prophetic women and other non elites successfully used prophecy to exert influence and to enter the corridors of power while educated male clerics insinuated that prophecy was the product of demonic influence and therefore a hazard to the public Surprisingly a third faction also emerged an international network of clerical men who wrote in support of female prophecy This volume traces the arguments made by these three groups the clashes that erupted and the long term impacts of this battle on ideas of spiritual authority The Prophets and the Promise Willis Judson Beecher,1905
