Prophets Testimony A:

The Testimony of Jesus: The Words of God's Holy Prophet John F. Finkbeiner, The Testimony of Jesus had to be written and therefore needs to be read studied then acted upon The days in which we live teem with factual misrepresentations outright falsehoods key omissions and leaders who play fast and loose with the truth Surely we are near the end of the age In each of the 22 chapters a separate facet of The Testimony of Jesus is brought into view There is one standard by which we measure truth it is the straight vertical line that points to the Highest Heaven where God is enthroned Another name for this straight line is the Word of God or Jesus the Way the Truth and the Life When God s Word or the Scripture is misapplied misstated or thrown into the mud then Truth will give way to the Lie Truth must be loved or it will make itself absent at least until it is sought again The Light of God dims because men love darkness more than the light Take heart the Light of Truth will never be extinguished for a day is coming when Jesus testimony will be all there is Inside The Testimony of Jesus we see that Jesus is the Word and the Word of God is Jesus Sermons and books such as this run the risk of watering down what the Lord said leaving out or explaining away the hard sayings and Scripture s troubling prophecies It is with the utmost regard for completeness and accuracy as well as awareness of the fearful warnings to anyone who alters Jesus words that the writer began and ended this noble undertaking This book goes back to the source the Word itself to represent God s Words the red ink black blue or whatever color just as the spirit of prophecy intended for the spirit of prophecy is the testimony of Jesus The authority with which Jesus spoke packed a punch that shut the mouths of his opposition and amazed the people The same authority from God was gifted to the Apostles then felt by the gospel s friends and enemies It is hoped that the power of the testimony of Jesus will explode in the heart and mind of each reader in a wonderful transforming way Is not His Word like fire At first readers may become angry with the writer or with the content but this emotion is misplaced Why be upset with the messenger or the message Take it up with the originator the Creator of The Word Maybe no one told you what Jesus our Savior is really like and you never discovered it for yourself It is time we became wise God s people perish for lack of knowledge Why perish when God wants us to have LIFE The proof of the book s reliability is in the Scriptures for all to see It is in the book s pages where the passages of testimony are cited or quoted Read them then examine their context Do not be deceived instead be enlightened by the Spirit of God The Testimony of Jesus encourages rational thinking and critical analysis or putting each thought to the test The writer did and so did the book s Bible minded editors readers must as well Truth is transformational but only when we recognize it and then obey You will read that what Jesus said came from directly from the Father His testimony will challenge readers and inspire their faith to take a giant step forward by submitting to Him God s idea has always been to produce Christ likeness in His Son s disciples In following truth wherever it leads we find the narrow path that leads to eternal salvation Buckle up We may wonder why we ever sat behind the wheel for this Some of the book may seem bumpy but the prize at the end will be well worth it Allow the Word to dwell in you heart richly Meditate and

pray You may not agree but think for yourself Let the evidence from the true and faithful witness of God do the persuading You will want company on this magnificent journey so share The Testimony of Jesus with a friend and watch what happens

Prophecy: Historical Testimony to the Truth of the Bible Alexander Keith,1874 Joseph Smith Is a Prophet Rachel Greco,2017-04-27 Latter day Saint families introducing youngsters to Joseph Smith and individuals wanting to know more about the prophet will be thrilled with this story that combines history with re enactment photography to tell his story From Smiths birth in Vermont youll learn how he enjoyed playing in the snow and making maple syrupas well as how he struggled with deciding which church to join as he grew older after moving to Palmyra New York Jesus would tell Smith not to join a church and he soon learned why Smith would be tasked with bringing back the true church of Jesus Christ Smith became a witness of God and Jesus Christ Whether youre a child adolescent or adult youll discover insights about the prophet and strengthen your testimony through this refreshing portrayal highlighting the beginnings of the Restoration Discover how the Lord prepared his servant to reveal the true nature of God to the world in Joseph Smith Is a Prophet *The Stories of the Prophets. Qisas Al-Anbiyā'. An Eastern Turkish Version* Al- Rabghūzī,2023-03-13 The print edition is available as a set of two volumes 9789004102224 **Aquinas on Prophecy** Paul M. Rogers,2023-05-05 Aquinas on Prophecy is the first full length monograph to underscore the importance of the charism of prophecy within St Thomas s Summa theologiae as a whole The book argues that his notion of prophecy significantly informs the Summa s central presentations of sacred doctrine salvation and faith For Aquinas the prophet is someone who receives divinely revealed knowledge meant to edify the Church prophetic knowledge gives faith both content and certitude which are essential for sacred doctrine s status as knowledge and wisdom This work examines Thomas s rationale for categorizing prophecy as the Church s foremost charism which stems from the special role prophets have in divine government in making God s wisdom manifest on earth The Summa s own ordination to wisdom shares a striking parallel with prophecy the theologian and prophet are both called to build up the Church by testifying to the truth they know A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old

Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **Prophetic Expositions; Or, A Connected View of the Testimony of the Prophets Concerning the Kingdom of God and the Time of Its Establishment** Josiah Litch,1842 Prophetic Expositions Or A Connected View of the Testimony of the Prophets Concerning the Kingdom of God and the Time of Its Establishment by Josiah Litch first published in 1842 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **Lessons on the Charismata and the Gift Ministries** Randy Colver,2008-10-21
