Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1972 **The Trade Off--My Husband/Your Wife** Robert H. Rimmer,2000-08 If you ve ever had an affair or are divorced married again or still faithful and monogamous you may be completely shocked or might approve Karen Bradford s proposal to her husband Hank After eighteen years of marriage and three children she wants him to sign a marriage contract with a clause that from now on he will agree to a Succedaneum Marriage He doesn t know and has never met Tony Castellani who is married to Gina and has two kids or that Tony and Karen are lovers But a Succedaneum Agreement check the word in your dictionary would allow them to enjoy a second relationship and stay married Guaranteed You ve never read a non stop detailed explicit sex and loving story like this It all takes place in Guadeloupe on Spring vacation where Karen hopes to mate her husband with Tony s wife and make her dream come true But alas taking their five children one Judy Bradford sixteen an another Marc Castellani seventeen along with them conniving a foursome vacation at free wheeling Club Libre isn t the right environment for their more puritanical spouses On top of that Marc who despises Catcher in the Rye thinks he s smarter than that phony Holden Caulfield ever was He s still a virgin but he s determined to mate with Judy Before that happens he inadvertantly discovers that his father is making out with her mother at the same time Soufriere the volcano is about to explode Bob Rimmer who has chartered bare boats and sailed in most of the Caribbean Island loves Guadeloupe best Is this story based on fact Well sort of

and it proves that the path he has carved in other stories though the jungle of potential expanded monogamy like corporate marriage in Proposition 31 and synergism in Thursday My Love is filled with rumbling volcanos **National Union Catalog** ,1983 The Way to Go Robert H. Rimmer,2000-07 THIS IS A STORY ABOUT PEOPLE LIKE YOU DAYDREAMING THEY ARE SOMEONE ELSE SOMEONE WHO IS HAVING MORE FUN AND IS FINDING OR HAS FOUND THE WAY TO GO Is Solomon Razor Bob Rimmer Well Bob is a bit older an octogenarian But they both love all women and like Solomon Bob has sailed in Belize Like Solomon Bob has a wife who lets him write about and sleep with women like Anne Hutchinson Elizabeth Pepys and in this story a Vivien Leigh look alike all of whom died before their time IS THIS A TRUE STORY Bob believes that all of us have alter egos We not only never stop living other people's lives celebrities or not but we live story book lives and as Peter Brook once said Our lives are ceaselessly intertwined with narrative The stories we tell or hear told or imagine are reworked into our own lives Many of us are wannabees Sure Bob wishes he had been Ian Fleming and made millions writing about James Bond But Solomon Razor knows that his way to go story is true and more realistic and lovingly sexier than any 007 missions than Dirty Harry's or most good bad guys including Clyde Davy Crockett King of the Wild Frontier and Rhett Butler whose names Solomon uses in his travels with various women on the Yucatan Peninsula AS FOR YOU Will women readers wish they were Vivien Sweet aka Scarlet O'Hara or Myrtle Craddock aka Maggie Craddock or Phoebe Fortin aka Rarharu One thing is sure like Solomon Razor most male readers would be happy to go to bed with any or all of them

Romantic Love and Sexual Behavior Victor C. de Munck,1998-04-16 Westerners believe that love makes life worth living that sex is a natural desire different in kind from love and that only cynics reduce our love life to a calculation of economic or genetic factors In this volume essays explore these and other assumptions about the relationship between romantic love and sex This represents the first interdisciplinary social science study of love and sex Contributors ask and answer questions such as Is love just sex idealized or is it a transcendent and divine emotion Is love a cultural construct that is shared by members of the same culture or is it a matter of personal taste What keeps promiscuous people from using condoms even when they know they are at risk Are black professional men so rare that their conceptions of love and sex differ from those of white professional men Are brutal sexual fantasies an exclusively male domain and are they always excluded from love fantasies among normal adolescents Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate Is there a universal core to love and sex that is camouflaged by other cultural norms such as modesty and sexual segregation Is rape

perceived as more acceptable when the rapist says he was motivated by love What do cult movements and romantic love have in common As they attempt to answer these and other questions the authors extend our understanding of the variety of ways that love and sex are conceptualized connected or separated
