River Of The Broken Hearted:

River of the Brokenhearted David Adams Richards, 2014-08-05 From David Adams Richards winner of the Giller Prize and the Governor General's Award comes a magnificent and haunting novel about the entwinement of remembered love and unforgotten hate Spanning generations *River of the Brokenhearted* tells the life and legacy of Janie McCleary a strong willed Irish Catholic girl who dares to marry a man from the Church of England Their union is quickly deemed scandalous and when her husband dies young just before the Great Depression Janie is left alone to raise a family and run a business the first movie theater in town Through the strength of her character she succeeds in a world of men For that she is ostracized and becomes a victim of double dealing and overt violence Based on the author's own grandmother Janie is a pioneer before the age of feminism but her salty individualism burdens the lives of her children and grandchildren Writing with compassion and mastery Richards muses on the tyranny of memory and history and peers into the hearts of extraordinary characters There he finds an alchemy of venality and goodwill deceit and brotherliness marked cruelty and true love Once again David Adams Richards has brought us a work of astonishing grace rooted in his special territory on the great river Miramichi of New Brunswick but firmly universal in scope Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

OF SPOON RIVER ILLINOIS the dead have been given one final opportunity to speak to the living in the form of epitaphs Take a stroll through the graveyard the words on each tombstone create an image of the way the person s life was lived Together these tombstones tell of a community that strove for perfection and goodness and relied heavily on faith but things don t always turn out as planned Discover their secrets heartaches and regrets sympathize with their guilt anger and sorrow mourn with those the dead left behind wander through the history these individuals made through their actions Ultimately this cemetery tells of lives that were far from perfect sometimes they were even far from good Through their epitaphs it becomes clear that these townspeople neighbors friends lovers family members and even murderers saw each other very differently but now they all are at rest as equals sleeping on the hill
