River Road A Story Of Abraham Lincoln:

The River Road Meridel Le Sueur, 1997-02 Recounts seventeen year old Abraham Lincoln's hazardous raft trip down the Mississippi River to New Orleans to sell provisions *The River Road* Meridel Le Sueur, 1977 **River Road** Meridel Le Sueur, 1998-03-01 First published in 1954 this evocative portrait of the young Abraham Lincoln has been re-illustrated for this new edition *The River Road* follows 17 year old Abraham when in 1828 he takes a raft down the Ohio and Mississippi river road to New Orleans The book vividly describes the long and hazardous journey and shows readers Lincoln's response to the new world he discovers **Learning from the Left** Julia L. Mickenberg, 2006 Publisher Description **What the Presidents Read** Elizabeth Goodenough, Marilyn Olson, 2024-12-19 A childhood book is much more than just a story for the presidents it may represent a turn in the course of history What the Presidents Read catalogs presidents' early reading accompanied by commentary from eye witness reporters historians journalists curators biographers literary scholars U S presidents and White House families Together they offer non specialists brief surprising insights Readers will jump at the chance to compare their own favorite books as they learn how these publications resonated with national myths and leaders in the making **Unfading Light** Richard Fritzky, 2020-11-02 Rich Fritzky poses five questions to forty five individuals who have devoted much if not all of their lives to Abraham Lincoln The individuals reveal what led them to him in the first place the attribute or fixed mark that sealed their belonging to him the conversations that they would most have liked to have had with him the words of his that they were most moved by and the why and how of his maybe just maybe helping save the soul of the Republic yet again in our own time Among those interviewed were eleven celebrated Lincoln scholars and historians the leaders of the National Lincoln Forum the Abraham Lincoln Association Lincoln Groups and Civil War Roundtables from coast to coast two celebrated Lincoln artists an array of Lincoln impersonators including Gettysburg's own curators animators professors teachers presenters and more They so movingly responded inspiring and driving the author deep into Lincoln's universe and into much material that is not often considered especially as to racism and race his shadow boxing with God his faith and doubt his exquisite humanity and extraordinary ability to lead his nation of suffering and the torture it exacted upon him and his rich reverence for both all that America was and could be *American Literature in Transition, 1950-1960* Steven Belletto, 2017-12-28 *American Literature in Transition 1950 1960* explores the under recognized complexity and variety of 1950s American literature by focalizing discussions through a series of keywords and formats that encourage readers to draw fresh connections among literary form and concepts institutions cultures and social phenomena important to the decade The first section draws attention to the relationship between literature and cultural phenomena that were new to the 1950s The second section demonstrates the range of subject positions important in the 1950s but still not visible in many accounts of the era The third section explores key literary schools or movements associated with the decade and explains how and why they developed at this particular cultural moment The final section focuses on specific forms or

genres that grew to special prominence during the 1950s Taken together the chapters in the four sections not only encourage us to rethink familiar texts and figures in new lights but they also propose new archives for future study of the decade Breaking Boundaries Sherrie A. Inness,Diana Royer,1997 **D.H. Lawrence and Nine Women Writers** Leo Hamalian,1996 D H Lawrence and Nine Women Writers sheds fresh light on how a number of women writers of his time and our own reacted in their thinking and writing to D H Lawrence s unbridled individualism sensitive genius creative energy and his sometimes infuriating misogynistic resentments Critic and scholar Leo Hamalian explores the ways that the sensibilities of nine important women writers were both extensively and profoundly influenced by the English author s fiction poetry criticism and self styled polyanalytics Hamalian s series of comparative readings is illuminating They demonstrate clearly that the hard questions of ideology subject matter and style which engaged Lawrence throughout his turbulent career continued to challenge a number of women writers who were grappling with these issues from another vantage point Through skeptical of some of Lawrence s theories these writers valued the dynamic aspects of Lawrence s creativity especially his emphasis on consciousness of wider meanings rather than character on symbol rather than narrative although he was a masterful storyteller They realized that his intensely conceived and evocatively concentrated scenes could be turned into a highly rewarding technique for suggesting the emotional conflicts and moral dilemmas of their own characters His primitivist philosophy struck them as healthy and his sensitivity as a kind of appealing vulnerability BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Lion and the Unicorn** ,1997 A critical journal of children s literature
