River Teeth:

River Teeth David James Duncan, 1996-06-01 In his passionate luminous novels David James Duncan has won the devotion of countless critics and readers earning comparisons to Harper Lee Tom Robbins and J D Salinger to name just a few Now Duncan distills his remarkable powers of observation into this unique collection of short stories and essays At the heart of Duncan s tales are characters undergoing the complex and violent process of transformation with results both painful and wondrous Equally affecting are his nonfiction reminiscences the river teeth of the title He likens his memories to the remains of old growth trees that fall into Northwestern rivers and are sculpted by time and water These experiences shaped by his own river of time are related with the art and grace of a master storyteller In *River Teeth* a uniquely gifted American writer blends two forms taking us into the rivers of truth and make believe and all that lies in between *Shambhala & the Caregiving Heart of the World* Verity Jenkins, 2021-05-01 Grandy s eyes light up for just a few moments and then the sparkle dies out I m too tired to go out for food she said No big deal Ray replies But it is a big deal Grandy is in some kind of funk Something IS really wrong although no one is being direct about it Later Ray discovers that Grandy has been diagnosed with Alzheimer s Dementia How can Ray battle this insidious disease and bring her beloved Grandy back to life Ray has learned the power of the sacred Quest and if there ever was a need for one it is now Fa had told Ray stories of the Elixir of Immortality residing in Shambhala a hidden kingdom accessible only through the sacred Quest Using clues Fa left in a storage locker Ray plays on her Mum s own desire to find Fa In the darkest and most exciting Ray Adventure yet Ray reaches new heights of deception and misdirection that launch them on a journey into an ancient dystopian world hidden beneath Nepal Little do they know it but Ray and her Mother have arrived at the most turbulent moment in the political history of Nepal Ray s Mum is invited on a double date with a member of Nepal s royal family Flattered and fed up with Ray s double dealing her Mum goes on her own adventure That very night the royal family is massacred and Ray s Mum is taken hostage Ray enlists the help of Devi a trained protector of Shambhala and a Gurkha pilot who has a surprising knack of blacking out to avoid going against a direct order Ray lands the float plane in a narrow canyon on the Kali Gandaki river Together they succeed in rescuing her Mother from the well guarded Ranighat palace Returning to her Quest for Shambhala Ray parachutes into the Yalbang Monastery literally running into the Buddha in the courtyard There she meets the caregiver for Alexandra David Neel the greatest adventurer of the inner and outer realms who shares with Ray the long kept secret location to the entrance of Shambhala The action ratchets up a notch at a Bon Po ceremony attended by scores of wrathful deities Ray and Devi enter a tum mo competition that reveals to them the hidden powers of the breath and mind Ray learns she can melt ice on a frozen lake through her body heat alone Following the ceremony an enigmatic Bon Po shaman leads Ray to the entrance of Shambhala Once inside she discovers it s a false Shambhala that traps people for many lifetimes addicting them to hallucinatory local honey Are the Elixir of Immortality Shambhala false hopes Could it be that she had the

Mark Liebenow, 2012-03-01 The environment may surround us but when that environment is a natural wonder like Yosemite National Park it also reaches what's inside us For Mark Liebenow Yosemite did just that and did so when he needed it most In *Mountains of Light* winner of the River Teeth Literary Nonfiction Prize Liebenow takes us deep into the heart of this wilderness introducing us to its grand and subtle marvels and to the observations reflections and insights its scenery evokes Acting as our guide Liebenow calls on the spirit and legacy of

naturalist John Muir to rediscover nature and recover his own exuberance for life Whether celebrating the giant sequoias massive granite mountains and wild untamed rivers or losing himself on an unmarked trail Liebenow is always accompanied by thoughts of his wife of eighteen years whose recent and sudden death tempers and informs his journey Interwoven with his experiences are the stories of the Native Americans who lived in the valley for thousands of years and of the early settlers who followed Melding documentary with introspection environmental reportage with a search for meaning Liebenow s work draws on the lore of geology botany biology and history to show how each aspect of the environment is connected to the rest Watch the Mountains of Light book trailer on YouTube River Teeth ,2008 **Born to Battle** Jack Hurst,2012-05-29 Hurst shows how Grant and Forrest brought to the battlefield the fabled virtues of the American working class hard work ingenuity and intense determination Each man s background contributed to his triumphs on the battlefield but the open mindedness of his fellow commanders proved just as important When the North embraced Grant it won a stalwart defender When the South rejected Forrest by contrast it sealed its fate *Heroes of Havensong: The Fifth Mage* Megan Reyes,2025-02-04 A powerful cast of characters in an epic tale of dragons and magic Lisa McMann New York Times bestselling author of The Unwanteds Follow the threads of the Fates to the captivating conclusion of this timeless fantasy series about four unlikely heroes bound together to save their world and magic itself Wren River Blue and Shenli have been struggling to face what the Fates have in store for them ever since learning they are the heroes foretold to save their world Now Haven is on the brink of war and the stakes are higher than ever River s new mage powers are as out of control as her grief endangering anyone who comes near her unless she can learn to master her abilities Shenli must finally confront the impossible decision over the fate of the Lost Ones as a battle wages between his head and his heart Finally returning home Blue with Wren at his side sets out to open the closed minds of the people of Gerbera to gain their assistance before it s too late When destiny duty and danger clash it s hard to know if you re on the right path especially if it s one you never chose in the first place And as the four friends strive to live up to their prophesied roles none of them know that there is someone out there who believes her sole purpose is to stop the heroes whatever it takes
