Gazetteer of the Bombay Presidency: Kolába and Janjira Sir James MacNabb Campbell,1883 *A Descriptive Catalogue of the Etched Work of Wenceslaus Hollar 1607-1677* Richard Pennington,2002-07-25 A catalogue of over 2 700 etchings which form an important pictorial chronicle of seventeenth century England **The Dublin university magazine** University magazine,1853 **The U.S. Naval Astronomical Expedition to the Southern Hemisphere During the Years 1849-52** MacRae,1855 **Field Armies and Fortifications in the Civil War** Earl J. Hess,2006-03-08 Earl J Hess provides a narrative history of the use of fortifications particularly trenches and other semi permanent earthworks used by Confederate and Union field armies at all major battle sites in the eastern theater of the Civil War Hess moves beyond the technical aspects of construction to demonstrate the crucial role these earthworks played in the success or failure of field armies A comprehensive study which draws on research and fieldwork from 300 battle sites *Field Armies and Fortifications in the Civil War* is an indispensable reference for Civil War buffs and historians *Annals of Wyoming* ,1927 *University of California Publications in American Archaeology and Ethnology* ,1920 **The Dublin University Magazine** ,1853

Frontiers of Freedom Nikki Marie Taylor,2005 Nineteenth century Cincinnati was northern in its geography southern in its economy and politics and western in its commercial aspirations While those identities presented a crossroad of opportunity for native whites and immigrants African Americans endured economic repression and a denial of civil rights compounded by extreme and frequent mob violence No other northern city rivaled Cincinnati's vicious mob spirit *Frontiers of Freedom* follows the black community as it moved from alienation and vulnerability in the 1820s toward collective consciousness and eventually political self respect and self determination As author Nikki M Taylor points out this was a community that at times supported all black communities armed self defense and separate but independent black schools Black Cincinnati's strategies to gain equality and citizenship were as dynamic as they were effective When the black community united in armed defense of its homes and property during an 1841 mob attack it demonstrated that it was no longer willing to be exiled from the city as it had been in 1829 *Frontiers of Freedom* chronicles alternating moments of triumph and tribulation of pride and pain but more than anything it chronicles the resilience of the black community in a particularly difficult urban context at a defining moment in American history *Sessional Papers* Canada. Proceedings of the Asiatic Society of Bengal ,1876 *Travels Among the Dena* Frederica de Laguna,2011-10-01 This robust and engaging travel narrative re creates a remarkable adventure in the summer of 1935 when Frederica de Laguna then in her late 20s led a party of three other scientists down the rivers of the middle and lower Yukon valley making a geological and archaeological reconnaissance De Laguna has based her story on her field notes journals and letters home She augments this first hand account with excerpts from the reports of earlier explorers and data published after her trip The

result is a fascinating and informative cross cut of historical events along the Yukon River and its tributaries Travels Among the Dena chronicles the expedition from its outfitting in Seattle and the trip by steamer and railway to Fairbanks and Nenana through an 80 day journey on skiffs down the Tanana and Yukon rivers to Holy Cross near the coast with side trips on the Koyukuk Khotol and Innoko rivers before a one day return flight to Fairbanks with pioneer bush pilot Noel Wien Maps illustrate the route taken downriver and the author s photographs capture images of the time The resulting volume is both a delightful addition to the literature of travel adventure in Alaska and an important contribution to the discipline of anthropology
