**Beyond Artificial Intelligence** Jan Romportl, Eva Zackova, Jozef Kelemen, 2014-08-11 This book is an edited collection of chapters based on the papers presented at the conference Beyond AI Artificial Dreams held in Pilsen in November 2012 The aim of the conference was to question deep rooted ideas of artificial intelligence and cast critical reflection on methods standing at its foundations Artificial Dreams epitomize our controversial quest for non biological intelligence and therefore the contributors of this book tried to fully exploit such a controversy in their respective chapters which resulted in an interdisciplinary dialogue between experts from engineering natural sciences and humanities While pursuing the Artificial Dreams it has become clear that it is still more and more difficult to draw a clear divide between human and machine And therefore this book tries to portrait such an image of what lies beyond artificial intelligence we can see the disappearing human machine divide a very important phenomenon of nowadays technological society the phenomenon which is often uncritically praised or hypocritically condemned And so this phenomenon found its place in the subtitle of the whole volume as well as in the title of the chapter of Kevin Warwick one of the keynote speakers at Beyond AI Artificial Dreams

**Destiny of Dragons** Jack Campbell, 2018-05-22 In the thrilling conclusion to the Legacy of Dragons trilogy ancient weapons of mass destruction lie hidden under the city of Pacta Servanda Remnants of the Great Guilds and rebellious factions of the Empire want to seize those weapons to allow them to regain control of the world of Dematr Only Jason brought by the first ship from Earth since the colony failed might be able to disarm the threat But he also might know how to employ those weapons making him a danger for all sides Standing between those threats is Kira of Dematr But Kira who inexplicably has been able to manifest Mage powers as well as technical skills finds herself being consumed by the mental conflicts between those powers and skills As rogue Mechanics Mages and mercenaries attack with every weapon at their disposal Kira suffers more blackouts and begins to lose her mind The fate of her world rests on whether she can stay alive and find answers in time to problems that no one else has ever confronted Shadowmasque
