Frederic Stewart Colwell

Rivermen A Romantic Iconography Of The River And The Source:

Rivermen Frederic Stewart Colwell, 1989 Rivers and their sources have captured the human imagination for centuries Their special potential for both mystery and commerce has inspired writers artists scientists and politicians throughout history In both literature and art riverscapes have traditionally been seen as more than simply geographic their psychological and metaphysical aspects have often provided a source of myth **The Transatlantic Eco-Romanticism of Gary Snyder** Paige Tovey, 2013-12-18 Tracing connections between Gary Snyder and his Romantic and Transcendentalist predecessors Wordsworth Blake Emerson Whitman and Thoreau this study explores the tension between urbanization and overindustrialization The dialectical relationship between Snyder and his predecessors reminds readers that nature is never a simple concept **The Northern Utopia** Peter Fjågesund, Ruth A. Symes, 2021-11-22 In the nineteenth century the ancient filial tie between Britain and Norway was rediscovered by a booming tourist industry which took thousands across the North Sea to see the wonders of the fjords the fjelds and the beauties of the North Cape This illustrated volume for the first time collects together vivid and predominantly first hand impressions of the country recorded by nearly two hundred British travellers and other commentators including Thomas Malthus Charlotte Bront Lord Tennyson and William Gladstone In a rich selection of travel writing fiction poetry journalism political speeches and art Norway emerges as a refreshingly natural utopia happily free from her imperial neighbour's increasing problems with the side effects of industrialisation This is a fascinating examination of the people institutions customs language and environment of Norway seen through the eyes of the British Using the tools of literary and historical scholarship Fjågesund and Symes set these perceptions in their nineteenth century context throwing light on such issues as progress art and aesthetics democracy religion nationhood race class and gender all of which occupied Europe at the time The Northern Utopia will be of particular interest to students of British and Scandinavian cultural history literature and travel writing It will also enthral all those who love Norway

Romantik 2022 Gísli Magnússon, Kim Simonsen, Thor J. Mednick, Marie-Louise Svane, Marja Lahelma, Sine Krogh, 2023-11-13 Romantik Journal for the Study of Romanticisms is a multidisciplinary journal dedicated to the study of romantic era cultural productions and concepts The journal promotes innovative research across disciplinary borders It aims to advance new historical discoveries forward looking theoretical insights and cutting edge methodological approaches The articles range over the full variety of cultural practices including the written word visual arts history philosophy religion and theatre during the romantic period c 1780 1840 But contributions to the discussion of pre or post romantic representations are also welcome Since the romantic era was characterized by an emphasis on the vernacular the title of the journal has been chosen to reflect the Germanic root of the word But the journal is interested in all European romanticisms and not least the connections and disconnections between them hence the use of the plural in the subtitle **Coleridge and the Romantic Newspaper** Heidi Thomson, 2016-09-24 This book examines how Coleridge staged his private woes in the public space of the

newspaper It looks at his publications in the Morning Post which first published one of his most famous poems Dejection An Ode It reveals how he found a socially sanctioned public outlet for poetic disappointments and personal frustrations which he could not possibly articulate in any other way Featuring fresh contextual readings of established major poems original readings of epigrams sentimental ballads and translations analyses of political and human interest stories this book reveals the remarkable extent to which Coleridge used the public medium of the newspaper to divulge his complex and ambivalent private emotions about his marriage his relationship with the Wordsworths and the Hutchinsons and the effect of these dynamics on his own poetry and poetics *Arcadian Waters and Wanton Seas* Arne Neset, 2009 The nineteenth century was the great age of landscape painting in Europe and America In an era of rapid industrialization and transformation of landscape pictures of natural scenes were what people wanted most to display in their homes The most popular and marketable pictures often degenerating into kitsch showed a wilderness with a pond or a lake in which obtrusive signs of industry and civilization had been edited out Inspired by Romantic ideas of the uniqueness of the nation pictorial and literary art was supposed to portray the soul of the nation and the spirit of place a view commonly adopted by cultural and art historians on both sides of the Atlantic *Arcadian Waters and Wanton Seas* argues that nationalistic or exceptionalist interpretations disregard deep rooted iconological traditions in transatlantic culture Depictions and ideas of nature go back to the classical ideas of Arcadia and Eden in which fountains ponds lakes rivers and finally the sea itself are central elements Following their European colleagues American artists typically portrayed the American Arcadia through the classical conventions *Arcadian Waters and Wanton Seas* adopts the interdisciplinary and comparative methodological perspectives that characterize American studies The book draws on art history cultural history literature and the study of the production and use of visual images and will serve well as a textbook for courses on American studies or cultural history of the Western world *Plagiarism and Literary Property in the Romantic Period* Tilar J. Mazzeo, 2013-04-23 In a series of articles published in Tait's Magazine in 1834 Thomas DeQuincey catalogued four potential instances of plagiarism in the work of his friend and literary competitor Samuel Taylor Coleridge DeQuincey's charges and the controversy they ignited have shaped readers responses to the work of such writers as Coleridge Lord Byron William Wordsworth and John Clare ever since But what did plagiarism mean some two hundred years ago in Britain What was at stake when early nineteenth century authors levied such charges against each other How would matters change if we were to evaluate these writers by the standards of their own national moment And what does our moral investment in plagiarism tell us about ourselves and about our relationship to the Romantic myth of authorship In *Plagiarism and Literary Property in the Romantic Period* Tilar Mazzeo historicizes the discussion of late eighteenth and early nineteenth century plagiarism and demonstrates that it had little in common with our current understanding of the term The book offers a major reassessment of the role of borrowing textual appropriation and narrative mastery in British Romantic literature and provides a new picture of the period and its central

aesthetic contests Above all Mazzeo challenges the almost exclusive modern association of Romanticism with originality and takes a fresh look at some of the most familiar writings of the period and the controversies surrounding them

A Story of Six Rivers Peter Coates,2013-06-01 Many of the world's major cities sprang up on the banks of rivers Used for water food irrigation transportation and power rivers sustain life and connect the world together but most of us think of them simply as waterways that must be crossed on the way to another place Using four European and two North American rivers as examples A Story of Six Rivers considers the place of rivers in our world and emphasizes the inextricable links between history culture and ecology Peter Coates explores six rivers chosen as examples of the types of rivers found on the planet the Danube the second longest river in Europe the Spree which flows through Berlin the Po which cuts eastward across northern Italy the Mersey in northwest England the Yukon which runs through Canada and Alaska and the Los Angeles in California Creating a series of river biographies Coates gives voice to each of these bodies of water exploring how rivers nurture us provide cultural and economic opportunities and pose threats to our everyday lives He challenges recent narratives that paint rivers as the victims of abuse pollution and damage at the hands of humans focusing on change rather than devastation Describing how humans and rivers form a symbiotic and sometimes mutually destructive relationship Coates argues that rivers illustrate the limits of human authority and that their capacity to inspire us is as strong as our ability to pollute them An intimate portrait of the way these bodies of water inform our lives A Story of Six Rivers will make us reconsider the streams and tributaries we traverse each day

Rivers: A Very Short Introduction Nick Middleton,2012-04-26 Rivers have played an extraordinarily important role in creating the world in which we live They create landscapes and provide water to people plants and animals nourishing both town and country The flow of rivers has enthused poets and painters explorers and pilgrims Rivers have acted as cradles for civilization and agents of disaster a river may be a barrier or a highway it can bear trade and sediment culture and conflict A river may inspire or it may terrify This Very Short Introduction is a celebration of rivers in all their diversity Nick Middleton covers a wide and eclectic range of river based themes from physical geography to mythology to industrial history and literary criticism Worshipped and revered respected and feared rivers reflect both the natural and social history of our planet ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Strange Truths in Undiscovered Lands Nahoko Miyamoto Alvey,2009-04-04 The great Romantic poet Percy Bysshe Shelley had a complicated relationship with the British Empire and the culture of colonialism Considered politically radical and scandalous in Britain Shelley lived in self imposed exile and set much of his writing in foreign places In *Strange Truths in Undiscovered Lands* Nahoko Miyamoto Alvey examines the ways in which Shelley developed a Romantic geography to provide visionary alternatives to an earth devastated by a new type of

European colonialism and global expansion Intertextually rich Alvey's work establishes the context in which poems by Shelley and other Romantics were written by presenting relevant histories travel texts scientific writings and archival material and are all complemented by postcolonial analysis Unique in its emphasis on the optimistic and positive aspects of Shelley's poetical works *Strange Truths in Undiscovered Lands* offers a different perspective on Romantic Orientalism and a new look at how the poet imagined the relationship between the Self and the Other Thorough and original this book will be of interest to Romanticists postcolonialists and anyone interested in alternative responses to acts of colonialism and empire

Enjoying the Tune of Phrase: An Emotional Symphony within **Rivermen A Romantic Iconography Of The River And The Source**

In a global eaten by displays and the ceaseless chatter of fast interaction, the melodic elegance and emotional symphony created by the written word often diminish into the back ground, eclipsed by the persistent noise and disruptions that permeate our lives. Nevertheless, nestled within the pages of **Rivermen A Romantic Iconography Of The River And The Source** an enchanting fictional prize overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that interesting masterpiece conducts viewers on a mental trip, well unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths with this poignant analysis, we will explore the book is central harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Rivermen A Romantic Iconography Of The River And The Source Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rivermen A Romantic Iconography Of The River And The Source free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rivermen A Romantic Iconography Of The River And The Source free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific

titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rivermen A Romantic Iconography Of The River And The Source free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rivermen A Romantic Iconography Of The River And The Source. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rivermen A Romantic Iconography Of The River And The Source any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rivermen A Romantic Iconography Of The River And The Source Books
