Rivka's First Thanksgiving:

Rivka's First Thanksgiving Elsa Rael, 2001 To the Rabbi Yoshe Preminger Sir My Bubbeh believes you are the wisest man in the whole world but I cannot agree with her You have read a thousand books but you do not seem to understand that immigrants came to America to escape from mean wicked people who hurt them and their families That is why the Pilgrims came and that is why the Jewish people came later The Pilgrims were thankful and I think that we should be too Signed by Rivka Rabin

Rivka's First Thanksgiving Elsa Okon Rael, 2004-11-30 Having heard about Thanksgiving in school nine year old Rivka tries to convince her immigrant family and her Rabbi that it is a holiday for all Americans Jews and non Jews alike

Mothers in the Jewish Cultural Imagination Marjorie Lehman, Jane L. Kanarek, Simon J. Bronner, 2017-08-01 Most Jews will feel intimately familiar with and attached to the figure of the Jewish mother yet few have questioned representations of mothers and motherhood in Jewish culture This volume aims to fill this gap by bringing to the fore the vast network of symbols and images which Jews have associated with mothers from the Bible to the modern period It demonstrates the complex ways in which the Jewish mother has been used to construct and frame Jewish religion and culture

Suffer the Little Children Jodi Eichler-Levine, 2015-04-08 Examines classic and contemporary Jewish and African American children's literature Through close readings of selected titles published since 1945 Jodi Eichler Levine analyzes what is at stake in portraying religious history for young people particularly when the histories in question are traumatic ones In the wake of the Holocaust and lynchings of the Middle Passage and flight from Eastern Europe's pogroms children's literature provides diverse and complicated responses to the challenge of representing difficult collective pasts In reading the work of various prominent authors including Maurice Sendak Julius Lester Jane Yolen Sydney Taylor and Virginia Hamilton Eichler Levine changes our understanding of North American religions She illuminates how narratives of both suffering and nostalgia graft future citizens into ideals of American liberal democracy and into religious communities that can be understood according to recognizable notions of reading domestic respectability and national sacrifice If children are the idealized recipients of the past what does it mean to tell tales of suffering to children and can we imagine modes of memory that move past utopian notions of children as our future Suffer the Little Children asks readers to alter their worldviews about children's literature as an innocent enterprise revisiting the genre in a darker and more unsettled light

Looking Forward, Looking Back Jana Pohl, 2011 How is the life altering event of migration narrated for children especially if it was caused by Anti-Semitism and poverty What of the country of origin is remembered and what is forgotten and what of the target country when the migration is imagined there a century later Looking Forward Looking Back examines today's representation of Jewish mass migration from Eastern Europe to America around the turn of the last century It explores the collective story that emerges when American authors look back at this exodus from an Eastern European home to a new one
