Rko The Biggest Little Major Of Them All

Martin F. Norden

Rko The Biggest Little Major Of Them All:

Film Noir Andrew Spicer, 2018-10-08 Film Noir is an overview of an often celebrated but also contested body of films It discusses film noir as a cultural phenomenon whose history is more extensive and diverse than American black and white crime thrillers of the forties An extended Background Chapter situates film noir within its cultural context describing its origin in German Expressionism French Poetic Realism and in developments within American genres the gangster crime thriller horror and the Gothic romance and its possible relationship to changes in American society Five chapters are devoted to classic film noir 1940-59 chapters explore its contexts of production and reception its visual style and its narrative patterns and themes chapters on character types and star performances elucidate noir's complex construction of gender with its weak ambivalent males and predatory femmes fatales and also provide a detailed analysis of three noir auteurs Anthony Mann Robert Siodmak and Fritz Lang Three chapters investigate neo noir and British film noir chapters trace the complex evolution of neo noir in American cinema from the modernist critiques of *Night Moves* and *Taxi Driver* to the postmodern hybridity of contemporary noir including *Seven* *Pulp Fiction* and *Memento* the final chapter surveys the development of British film noir a significant and virtually unknown cinema stretching from the thirties to Mike Hodges Croucier Films discussed include both little known examples and seminal works such as *Double Indemnity* *Scarlet Street* *Kiss Me Deadly* and *Touch of Evil* A final section provides a guide to further reading an extensive bibliography and a list of over 500 films referred to in the text Lucidly written *Film Noir* is an accessible informative and stimulating introduction that will have a broad appeal to undergraduates cinema film teachers and researchers **The Cinema of Isolation** Martin F. Norden, 1994 Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity awe humor or fear as Others who somehow deserve to be isolated from the rest of society In this first history of the portrayal of physical disability in the movies Martin Norden examines hundreds of Hollywood movies and notable international ones finds their place within mainstream society and uncovers the movie industry's practices for maintaining the status quo keeping people with disabilities dependent and in their place Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic of society's fluctuating relationship with its physically disabled minority He shows us sweet innocents like Tiny Tim obsessive avengers like Quasimodo variations on the disabled veteran and many others He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity Nordens in-depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long overlooked issue in media studies **Without Lying Down** Cari Beauchamp, 1998-03-24 Draws on personal letters journals and interviews with family members and colleagues to capture the life and times of Frances Marion **In Theaters Everywhere** Brian Hannan, 2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At

their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found

Bringing Song and Dance to the Screen Thomas Hischak,2025-10-16 An introduction to movie musicals in the golden age of Hollywood and the directors that brought them to the big screen The role directors have played in American cinema cannot be overstated particularly how they shaped and developed the medium during Hollywood s golden age Little appreciation has been paid though to the individual directors accomplishments with regards to the musical film a genre that remains popular today When the first film musicals were made there were no experienced movie directors for the new genre Instead of recruiting stage directors Hollywood turned to the seasoned directors currently under contract and assigned them to make talkies with song and dance In *Bringing Song and Dance to the Screen* Thomas S Hischak looks at the contribution that twenty seven Hollywood directors made to the art of the movie musical during the exciting and prolific golden age of cinema Some directors flourished with the new genre others struggled and eventually were only assigned to traditional films Some unknown directors found their niche in making musicals and much of their subsequent careers were in the new genre Yet even those directors who made only a handful of musicals sometimes delivered musical classics This book will look at them all focusing on the directors musicals and how they compare to their non musical works *Bringing Song and Dance to the Screen* covers movie musicals made from the first talkies up through the 1950s from *The Jazz Singer* in 1927 to *Gigi* in 1958 Hischak explores the directors careers and film musicals chronologically and includes biographical information for each director Readers will learn about both famous and obscure film musicals making this the perfect guide for movie and musical fans alike

American Plays and Musicals on Screen Thomas S. Hischak,2014-04-24 As the popularity of film grew and audiences demanded longer stories Hollywood began borrowing plots as well as actors and directors from Broadway some of these play to films were triumphs and others were inexplicable duds This reference work is an annotated guide to American stage productions remade for film and television with works ranging from late 19th century American plays and musicals through silent and sound films to made for video productions by PBS A it describes what changes occurred between the formats determines the strengths and weaknesses of each judges the success of the transition and describes how the end product was received A bibliography and name and title indexes complete this cross referenced work

The Tango in the United States Carlos G. Groppa,2018-01-16 In the earliest years of the 20th century North American ballroom dancers favored the waltz or the polka But then a new dance the tango broke onto the scene when Vernon and Irene Castle performed it in a Broadway musical Rudolph Valentino Arthur Murray and Xavier Cugat popularized it in the 1920s and

1930s and thousands of people crowded onto dance floors around the country to hear the music and dance the tango This work chronicles the history of the tango in the United States from its antecedents in Argentina Paris and London to the present day It covers the dancers musicians and composers and the tango s influence on American music *The First Hollywood Musicals* Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry s most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as *Sunnyside* *Up* and *Hallelujah* to failures such as *The Lottery Bride* and *Howdy Broadway* this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film s place in the genre s history Includes over 90 photographs *When the Cock Crows* Richard Lewis Ward, 2016-06-02 Influential during Hollywood s silent film era the Path Exchange was a multinational film company with a production and distribution model very different from the self contained units of most major studios When the Cock Crows A History of the Path Exchange by Richard Lewis Ward tells the unconventional story of this unique company examining its triumphs and failures on the margins of the Hollywood system and its legacy in the movie business Ward traces the company s turbulent evolution from its roots as an American distributor for Path Fr res its French parent studio through its many subsequent changes in ownership to its final years under the controversial leadership of Joseph P Kennedy and the eventual merger of the company s production department with RKO Included are the stories of the unlikely survival of Path s nonproduction assets such as Path Industries Inc Path America Distributing Co Inc and Path Communications Corporation which continued to operate as part of the industry long after the Exchange had ceased to exist Ward also provides a fascinating glimpse into the silent movie era and the business and creative decisions that led the Exchange to fail Film historians have largely ignored the Path Exchange despite its having produced some of the most famous early serials including the series that began with *The Perils of Pauline* and distributed the first films of comedy legends Harold Lloyd Harry Langdon Laurel and Hardy and *Our Gang* When the Cock Crows reveals the promise and peril of early Hollywood and establishes the company s vital place in film history creating a more vivid picture of this era **ROY, "ROCKY" & RED RYDER; "HOPPY," DURANGO & MOJOIRE** Dr. Jim Vickrey, Ph.D., J.D., 2019-11-11 ROY ROCKY HOPPY DURANGO MOJOIRE By Dr Jim Vickrey Ph D J D From Chapter One The Wages of Cinema on Coming of Age on the B Western Movie Range to the Conclusion Why You Can Yet Join Me in Riding the Range Again author Dr Jim Vickrey is hopeful that the experiences I ve had while researching and writing this movie related memoir will engender within readers the same happy thoughts I had

and have resulting from my first and every subsequent encounter thereafter with the world of Western particularly B
