Public Sector Reform in Developing and Transitional Countries Christopher Rees, Farhad Hossain, 2013-09-13 Over recent decades decentralization has emerged as a key Public Sector Reform strategy in a wide variety of international contexts Yet despite its emergence as a ubiquitous activity that cuts across disciplinary lines in international development decentralization is understood and applied in many different ways by parties acting from contrary perspectives This book offers a fascinating insight into theory and practice surrounding decentralization activities in the Public Sectors of developing and transitional countries In drawing on the expertise of established scholars the book explores the contexts achievements progress and challenges of decentralization and local governance Notably the

contributions contained in this book are genuinely international in nature the chapters explore aspects of decentralization and local governance in contexts as diverse as Ghana Hong Kong India Indonesia Kazakhstan Morocco Tanzania Uganda and Viet Nam In summary by examining the subject of decentralization with reference to specific developing and transitional Public Sector contexts in which it has been practiced this book offers an excellent contribution towards a better understanding of the theory and practice of decentralization and local governance in international settings This book was published as a special double issue of the International Journal of Public Administration *The Development Dimension Policy Coherence for Development Promoting Institutional Good Practice* OECD,2005-10-20 This book presents the latest thinking to help governments achieve policy coherence in support of development It provides a synthesis of lessons learned from peer reviews specific case studies and recent workshops *Reaching the Rural Poor* ,2003 Despite the fact that three quarters of the world s poor live in rural areas the level of international development aid directed at rural areas has continued to decline over the last decade particularly in terms of the agricultural sector In 2001 lending for agricultural projects was the lowest in the World Bank s history This publication presents the World Bank s new rural development strategy based upon a results oriented approach which stresses practice implementation monitoring and empowerment aspects The strategy seeks to highlight rural development efforts focusing on the needs of the rural poor fostering a broad based economic growth and addressing the impact of global developments on client countries
