It offers women a new method of healing while developing an appreciation for the uniqueness of the environment. A therapeutic experience from the outdoors provides women with an awareness of their capabilities to strengthen and preserve themselves and their surroundings. Readers will find many topics of interest including Body image and wilderness therapy. The therapeutic value of the wilderness, Ethical considerations of experiential therapy, Ropes courses for women, All women's river trips, Special populations, rape and incest survivors, welfare mothers, and mid-life women. Intended as a guide book, Wilderness Therapy for Women is ideal for mental health professionals who are either practicing wilderness therapy or merely inquisitive about it. Outfitters and professional outdoor leaders will benefit from chapters on theory, applications, and special populations. Outdoor program administrators and educators who must remain on the cutting edge of their industry will also profit from this book.

Shamanism as Medicine Claudia Gonçalves, 2022-10-20. I hold deep admiration for Claudia's work and I am deeply grateful for her love and care for our indigenous women and people. Her words in this book echoes the words of our Earth Mother, our forests and waters. Leticia Yawanawa, Indigenous women's representative and coordinator, Amazon Acre, Brazil. I am absolutely enthralled by the ability Claudia has to translate and encapsulate huge multidimensional principles of shamanism into easily climbed steps on a staircase of learning. I am also profoundly moved by the clarity and specifics of each aspect of the Four Days Journey she shares about her experience of the Vision Quest. As a Grandmother who is committed to Sundance, I will pass Claudia's book to the men and women I am putting out to Cry for a Vision. Her words here will deepen the experience for us all. Wopila Grandmother Susan Ka'iulani Stanton, Chief Moon Lady, co-founder of the Grandmothers Circle, the Earth Foundation, and founder of the River Sidon Peace with Justice Project, USA. This is how I see Claudia's work as well as an indigenous descendent: she is a warrior woman who has been given the tools and mission to help others as well as help nature on the path of recovering ancestral wisdom for healing, peace, and love. In my heart, she is my tribal sister. Apony Kariri Xoc, Chief of the Kariri Xoc people, Alagoas, Brazil. The dedication of Claudia's loving heart and mind is an inspiration to all who know her, and we can consider her a blessing to be in our lives in these times. She has the strength of an elephant, the patience of a spider, the endurance of a hummingbird, and the heart of a panther. Mark Halliday, Co-founder of The Edinburgh Shamanic Centre, The Planetary Healing Centre, and author of *Otherworldly* and *Renegade Blue*, Scotland. Claudia is a visionary woman I admire not only for her work but also for the devotion and purity of her service bringing ancestral power back to the people and to the land. Brazil and Scotland are very fortunate to have her. She is the symbol of the perfect integration of two worlds. Laura Moreno, Founder of the worldwide movement *Mujeres que Despiertan* and author of the book *Despierta mujer*, Colombia.
