Rob Perot The Man Behind The Myth

Adam Tanner

Rob Perot The Man Behind The Myth:

Ross Perot Ken Gross,1992-07-01 A portrait of the outsider presidential candidate who captured the American imagination based on exclusive interviews with Ross Perot his family and his business associates He s a brilliant entrepreneur a robust patriot a working class boy who rose to be a business tycoon But who is the real Ross Perot In this definitive biography that everyone who cares about America will want to read Ken Gross brings to life the man behind the news stories and the sound bites offering insights into Perot s gifts for leadership Here are the experiences that forged Perot s character and political convictions his humble childhood in Texas his naval service his astounding business success his daring hostage rescue mission to Iran Here are his down to earth ideas for re energizing America Ross Perot The Man Behind the Myth offers the most revealing and detailed portrait yet of the man who singlehandedly transformed America s political landscape

Ross Perot Ken Gross,2012-06-13 A portrait of the outsider presidential candidate who captured the American imagination based on exclusive interviews with Ross Perot his family and his business associates He s a brilliant entrepreneur a robust patriot a working class boy who rose to be a business tycoon But who is the real Ross Perot In this definitive biography that everyone who cares about America will want to read Ken Gross brings to life the man behind the news stories and the sound bites offering insights into Perot s gifts for leadership Here are the experiences that forged Perot s character and political convictions his humble childhood in Texas his naval service his astounding business success his daring hostage rescue mission to Iran Here are his down to earth ideas for re energizing America Ross Perot The Man Behind the Myth offers the most revealing and detailed portrait yet of the man who singlehandedly transformed America s political landscape

American Political Leaders, Third Edition Richard Wilson,2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson s work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership

involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president

US Presidential Elections and Foreign Policy Andrew Johnstone, Andrew Priest, 2017-05-05 While domestic issues loom large in voters minds during American presidential elections matters of foreign policy have consistently shaped candidates and their campaigns From the start of World War II through the collapse of the Soviet Union presidential hopefuls needed to be perceived as credible global leaders in order to win elections regardless of the situation at home and voter behavior depended heavily on whether the nation was at war or peace Yet there is little written about the importance of foreign policy in US presidential elections or the impact of electoral issues on the formation of foreign policy In US Presidential Elections and Foreign Policy a team of international scholars examines how the relationship between foreign policy and electoral politics evolved through the latter half of the twentieth century Covering all presidential elections from 1940 to 1992 from debates over American entry into World War II to the aftermath of the Cold War the contributors correct the conventional wisdom that domestic issues and the economy are always definitive Together they demonstrate that while international concerns were more important in some campaigns than others foreign policy always matters and is often decisive This illuminating commentary fills a significant gap in the literature on presidential and electoral politics emphasizing that candidates positions on global issues have a palpable impact on American foreign policy

Ross Perot Carmen Bredeson, 1995 Traces the life of the Texas businessman who ran for president as an independent candidate in 1992 *Encyclopedia of American Political Parties and Elections* Larry Sabato, Howard R. Ernst, 2014-05-14 Presents a complete reference guide to American political parties and elections including an A Z listing of presidential elections with terms people and events involved in the process

Enemies of the State D. J. Mulloy, 2020-02-29 The rise of the alt right alongside Donald Trump s candidacy may be seem unprecedented events in the history of the United States but D J Mulloy shows us that the radical right has been a long and active part of American politics during the twentieth century From the German American Bund to the modern militia movement D J Mulloy provides a guide for anyone interested in examining the roots of the radical right in the U S in all its many varied forms going back to the days of the Great Depression the New Deal and the extraordinary political achievements of Franklin D Roosevelt *Enemies of the State* offers an informative and highly readable introduction to some of the key developments and events of

recent American history including the fear of the Communist subversion of American society in the aftermath of the Second World War the rise of the civil rights movement and the white backlash this elicited the apparent decline of liberalism and the ascendancy of conservatism during the economic malaise of the 1970s Ronald Reagan's triumphant presidential victory in 1980 and the Great Recession of 2007-08 and subsequent election of President Obama *American Voices* Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator's major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes *When the Clock Broke* John Ganz, 2024-06-18 ONE OF THE WASHINGTON POST'S TEN BEST BOOKS OF 2024 One of The New York Times's 100 Notable Books of 2024 Longlisted for the National Book Critics Circle Award AN INSTANT NEW YORK TIMES BESTSELLER National Indie Bestseller A Barack Obama summer reading pick One of Publishers Weekly's ten best books of 2024 Terrific Vibrant *When the Clock Broke* is one of those rarest of books unflaggingly entertaining while never losing sight of its moral core Jennifer Szalai The New York Times Editors' Choice John Ganz is a fantastic writer *When the Clock Broke* is phenomenal truly truly great Chris Hayes Why Is This Happening podcast *When the Clock Broke* is leagues more insightful on the subject of Trump's ascent than most writing that purports to address the issue directly Becca Rothfeld The Washington Post A revelatory look back at the convulsions at the end of the Reagan era and their dark legacy today With the Soviet Union extinct Saddam Hussein defeated and U.S. power at its zenith the early 1990s promised a kinder gentler America Instead it was a period of rising anger and domestic turmoil anticipating the polarization and resurgent extremism we know today In *When the Clock Broke* the acclaimed political writer John Ganz tells the story of America's late century discontents Ranging from upheavals in Crown Heights and Los Angeles to the advent of David Duke and the heartland survivalists the broadcasts of Rush Limbaugh and the bitter disputes between neoconservatives and the paleo-cons right Ganz immerses us in a time when what Philip Roth called the indigenous American berserk took new and ever wilder forms In the 1992 campaign Pat Buchanan's

and Ross Perot's insurgent populist bids upended the political establishment all while Americans struggled through recession alarm about racial and social change the specter of a new power in Asia and the end of Cold War era political norms Conspiracy theories surged and intellectuals and activists strove to understand the Middle American Radicals whose alienation fueled new causes Meanwhile Bill Clinton appeared to forge a new vital center though it would not hold for long In a rollicking eye opening book Ganz narrates the fall of the Reagan order and the rise of a new and more turbulent America

Black Swan Moments Joseph Jackson, 2021-06-21 *Black Swan Moments* is the story of the Kennedy assassination and the man who would have solved it Nuclear physicist Frank Jackson had a top secret security clearance He knew there had been a conspiracy and he was going to name names but on December 13 1963 he died under mysterious circumstances at the age of forty nine His death paved the way for the magic bullet theory This book explains the real reason that Chaim Richman and the Paines were introduced to Lee Harvey Oswald It also reveals what really happened in Dealey Plaza and it names the men who shot Kennedy It features new information that explains how the assassination was financed It was written to explain what happened to Frank Jackson and the measures taken to silence the author It also includes shocking information about the events that led to the controversial removal of Frank Jackson as director of the Center for Naval Analyses in 1962 In 1963 many people in the government were aware of Frank Jackson Among them were Richard Bissell Fred Korth Bobby Kennedy John McCone John Connally and John McCloy The intelligence community couldn't stop this book from being published because it includes rare photos rare documents and unimpeachable information from well placed sources Highly detailed it answers questions that most people would be afraid to ask about the death of our thirty fifth president **Our Bodies, Our**

Data Adam Tanner, 2017-01-10 How the hidden trade in our sensitive medical information became a multibillion dollar business but has done little to improve our health care outcomes Hidden to consumers patient medical data has become a multibillion dollar worldwide trade industry between our health care providers drug companies and a complex web of middlemen This great medical data bazaar sells copies of the prescription you recently filled your hospital records insurance claims blood test results and more stripped of your name but possibly with identifiers such as year of birth gender and doctor As computing grows ever more sophisticated patient dossiers become increasingly vulnerable to reidentification and the possibility of being targeted by identity thieves or hackers Paradoxically comprehensive electronic files for patient treatment the reason medical data exists in the first place remain an elusive goal Even today patients or their doctors rarely have easy access to comprehensive records that could improve care In the evolution of medical data the instinct for profit has outstripped patient needs This book tells the human behind the scenes story of how such a system evolved internationally It begins with New York advertising man Ludwig Wolfgang Frohlich who founded IMS Health the world's dominant health data miner in the 1950s IMS Health now gathers patient medical data from more than 45 billion transactions annually from 780 000 data feeds in more than 100 countries *Our Bodies Our Data* uncovers some of Frohlich's hidden past and follows the

story of what happened in the following decades This is both a story about medicine and medical practice and about big business and maximizing profits and the places these meet places most patients would like to believe are off limits Our Bodies Our Data seeks to spark debate on how we can best balance the promise big data offers to advance medicine and improve lives while preserving the rights and interests of every patient We the public deserve a say in this discussion After all it s our data

Changing Party Coalitions Jerry F. Hough, 2006 Exploring the causes of the unnatural red state blue state dichotomy in America Hough a professor of comparative politics ponders the likely effects of the next economic crisis and what it will take to create new party coalitions

Encyclopedia of Populism in America Alexandra Kindell, Elizabeth S. Demers Ph.D., 2014-02-27 This comprehensive two volume encyclopedia documents how Populism which grew out of post Civil War agrarian discontent was the apex of populist impulses in American culture from colonial times to the present The Populist Movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations Today Populism encompasses both right wing and left wing movements organizations and icons This valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the time have reacted to that opposition The entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the United States Additionally attention is paid to important historical actors who are not traditionally considered Populist but were instrumental in paving the way for the movement or vigorously resisted Populism s influence on American culture This encyclopedia also shows that Populism as a specific movement and populism as an idea have served alternately to further equal rights in America and to limit them

The Rise and Fall of the Neoliberal Order Gary Gerstle, 2022 Gary Gerstle provides a sweeping re interpretation of the entire era from the revival of market liberalism in the 1970s to the ruin generated by the 2008 global financial crisis that places America at the center

Ross Perot Aaron Boyd, Michael Causey, 1994 Biography of the Texas businessman and third party candidate in the 1992 presidential election covering his childhood and business and political careers

Citizen Perot Gerald L. Posner, 1996 Ross Perot for all that has been said and written about him remains something of an enigma The images presented of his life are often in conflict Is he a heroic businessman who risked his life to rescue two of his kidnapped workers from revolutionary Iran or a callous executive who ran roughshod over his employees and investigated the company s senior officers A brilliant strategist who built a multibillion dollar empire with an innovative idea in computers or someone cunning enough to take advantage of government programs and milk an unfair profit A superpatriot who underwrote his own missions to Southeast Asia to help the plight of the POWs and MIAs or a secretive billionaire who was engrossed in far flung conspiracy theories about the CIA and the international narcotics trade The result of two years of meticulous research and based on hundreds of new interviews and documents Citizen Perot strips away the mythology and unmask the real Ross Perot for the first time This groundbreaking

book discloses the inside story of how Perot made his fortune uncovers the tremendous influence he wielded with different presidents presents the complete saga of his rescue mission from Iran exposes the private wars he waged against government officials and business competitors he considered corrupt explains the secret battles that created animosity with George Bush and finally reveals what was behind Perot's unusual charges of Republican dirty tricks in the 1992 campaign At the heart of this investigation is Perot himself Based in part on Perot's own unprecedented cooperation with author Gerald Posner this book narrates a life that is rich in detail and unique for what it has attempted and accomplished Studying Perot from his childhood to his current effort to create a third political party Posner delivers an exhaustive inspection that cuts through years of misinformation and distortions to lay bare Perot's accumulation and use of power In the process it answers the perplexing question of what motivates Perot It also shows whether he has the temperament and personality to be an effective president Citizen Perot is an absorbing examination of a man who has become an American icon

Mismanaged Money in American Healthcare Lisa Famiglietti, Mark Scott, 2023-09-01 Warren Buffett famously invoked the metaphor of a tapeworm when describing what healthcare is to the American economy The United States spends approximately 20% of its gross national product on healthcare but it is unclear where the money goes or who is minding the store This healthcare crisis is mostly about money not lack of money but rather mispending of money From the perspective of a healthcare auditor and provider this work describes the problems of American healthcare finance and proposes solutions Extensive charts and graphs are used to trace where money goes in the American healthcare system while other topics such as ethics in healthcare billing un-auditable hospital costs and scams are discussed There is evidence that clearly identifies where the money goes and its destination may surprise the reader

Presidential Also-rans and Running Mates, 1788 Through 1996 Leslie H. Southwick, 1998 This is a greatly expanded and now illustrated second edition of a Best Reference Book of the Year 1984 acclaimed by the American Library Association It provides detailed biographies of the 95 United States major party and significant third party nominees who were never elected president or vice president in the 53 quadrennial elections from 1788-89 through 1996 New to this fully updated edition are biographies of nominees since 1984 as well as 41 historic third tier candidates who received at least 2 percent of the popular vote or 5 percent of the electoral votes and portraits or photographs of every single nominee

People in the News, 1995 Macmillan Publishing, David Brownstone, Irene Franck, 1995-05 Presents clear up to date biographical information on a wide selection of the most newsworthy people in the world
