Recollections and Letters of General Robert E. Lee Robert E. Lee, 2012-10-13 As the old hero lay in the darkened room or with the lamp and hearth fire casting shadows upon his calm noble front all the missing grandeur of his form and face and brow remained and death seemed to lose its terrors and to borrow a grace and dignity in sublime keeping with the life that was ebbing away The great mind sank to its last repose almost with the equal poise of health The few broken utterances that evinced at times a wandering intellect were spoken under the influence of the remedies administered but as long as consciousness lasted there was evidence that all the high controlling influences of his whole life still ruled and even when stupor was laying its cold hand on the intellectual perceptions the moral nature with its complete orb of duties and affections still asserted itself A southern poet has celebrated in song these last significant words Strike the tent and a thousand voices were raised to give meaning to the uncertain sound when the dying man said with emphasis Tell Hill he must come up These sentences serve to show most touchingly through what fields the imagination was passing but generally his words though few were coherent but for the most part indeed his silence was unbroken From the archives comes the Civil War Classic Library Dozens of books out of print for years is now back in print for the casual reader and the collector Now is the time to collect and build a classic library and get them all before they fall out of print forever replaced by digital files

Lee's Dispatches Robert Edward Lee, 1915 *Recollections and Letters* Robert E. Lee, 2004. Just as its subject General Robert E Lee was no ordinary man, *The Recollections and Letters* is no ordinary book. In defeat, the former Confederate general became the personification of the South. This was a remarkable evolution for a man who in 1861 took up arms against the nation of his birth and subsequently led an army to a devastating end. Lee's transformation from defeated general to American hero was due in part to Robert E Lee Jr.'s dedication to his father's memory. In 1904, the younger Lee produced *The Recollections and Letters*, a book made up primarily of the general's personal correspondence, much of which was written to his wife and children. The book provided touching insights into the general's family life, allowing readers to connect with him on a more human level. Any study of Robert E Lee, the South, the Civil War, or American history is incomplete without *The Recollections and Letters*. **Robert E. Lee's Civil War** Bevin Alexander, 2010. Examines the military genius of Robert E Lee and evaluates the performances of the generals from the North and South, including the military strategies used in the Civil War.
