Robert Rauschenberg Robert Rauschenberg,Craig F. Starr Associates,2006* *Art and Design in 1960s New York* Amanda Gluibizzi,2021-02-26 *Art and Design in 1960s New York* explores the mutual influence between fine art and graphic design in New York City during the long decade of the 1960s Beginning with advertising s creative revolution and its relationship to pop artists the book traces design and art s developing interest in responses to civic problems such as the proliferation of billboards navigation through the city s streets and subways and issues of deteriorating infrastructure The strategies exploited by these artists and designers resulted in similar approaches to visual imagery and shared techniques for thinking about and responding to the city in which they lived Robert Rauschenberg and Surrealism Gavin Parkinson,2023-03-23 The art of Robert Rauschenberg 1925 2008 is usually viewed as quite distinct from Surrealism a movement which the artist himself displayed some hostility towards However Rauschenberg had a very positive reception among Surrealists particularly across the period 1959 69 In the face of Rauschenberg s avowals of his own literalism and insistence on his art as facts this book gathers generous evidence of the poetic metaphorical allusive associative and connotative dimensions of the artist s oeuvre as identified by Surrealists and thus extrapolates new readings from Rauschenberg s key works on that basis By viewing Rauschenberg s art against the expansion of the cultural influence of the United States in Europe in the period after the Second World War and the increasingly politicized activities of the Surrealists in the era of the Algerian War of Independence 1954 62 *Robert Rauschenberg and Surrealism* shows how poetic inference of the artist s work was turned towards political interpretation By analysing Rauschenberg s art in the context of Surrealism and drawing from it new interpretations and perspectives this volume simultaneously situates the Surrealist movement in 1960s American art criticism and history **Robert Rauschenberg : the silkscreen paintings 1962-64** R.
