

Robert Und Clara Schumann

Robert Schumann, Clara Schumann

Robert Und Clara Schumann:

Clara Schumann Nancy B. Reich, 2001-06-28 This absorbing and award winning biography tells the story of the tragedies and triumphs of Clara Wieck Schumann 1819 1896 at once artist composer editor teacher wife and mother of eight children The Marriage Diaries of Robert & Clara Schumann Robert Schumann, 1993 The Schumann Marriage diaries provide a vivid portrait of the unique artistic and personal union between two renowned musicians For the first four years of their marriage Robert and Clara Schumann kept a joint diary recording their entries at least initially on alternate weeks Begun on September 13 1840 the day after their marriage the diary opens with guidance from Robert This little book has a very intimate meaning it shall be a diary about everything that touches us mutually in our household and marriage The diaries reflect the harmony as well as the discord in their marriage Robert and Clara describe in intimate detail their honeymoon period the births of their children their busy social lives travels throughout Europe financial problems separations and reunions The book also evokes the artistic milieu of nineteenth century Germany The Schumanns came in contact with many musicians including their close friends Felix Mendelssohn and Franz Liszt and recorded their insightful reactions to the artists and their music The marriage diaries cover a fertile period in Robert Schumann's life during which he wrote the Spring Symphony the Piano Concerto most of his chamber music his first oratorio Paradise and the Peri and numerous songs They reflect the frenetic pace at which he worked as well as his growing bouts of depression his ambivalent response to Clara's decision to return to the concert stage after a prolonged hiatus and her anxiety in the face of Robert's changing moods This edition includes the couple's travel book written during their stressful concert tour of Russia in 1844 which marked the end of the marriage diaries Robert Schumann's descriptions of Russian customs and the poems he wrote in Moscow all of which provide a fascinating and uniquely detailed glimpse at what it was like to travel in Russia at the time

The Complete Correspondence of Clara and Robert Schumann Clara Schumann, 1994 **Robert Schumann** Ronald Taylor, 1982 *Becoming Clara Schumann* Alexander Stefaniak, 2021-11-02 Well before she married Robert Schumann Clara Schumann was already an internationally renowned pianist and she concertized extensively for several decades after her husband's death Despite being tied professionally to Robert Clara forged her own career and played an important role in forming what we now recognize as the culture of classical music *Becoming Clara Schumann* guides readers through her entire career including performance composition edits to her husband's music and teaching Alexander Stefaniak brings together the full run of Schumann's concert programs detailed accounts of her performances and reception and other previously unexplored primary source material to illuminate how she positioned herself within larger currents in concert life and musical aesthetics He reveals that she was an accomplished strategist having played roughly 1 300 concerts across western and central Europe over the course of her six decade career and she shaped the canonization of her husband's music Extraordinary for her time Schumann earned success and prestige by crafting her own playing style selecting and composing

her own concerts and acting as her own manager By highlighting Schumann's navigation of her musical culture's gendered boundaries *Becoming Clara Schumann* details how she cultivated her public image in order to win over audiences and embody some of her field's most ambitious aspirations for musical performance **Robert Schumann** Martin

Geck, 2022-12-22 Robert Schumann 1810-56 is one of the most important and representative composers of the Romantic era Born in Zwickau Germany Schumann began piano instruction at age seven and immediately developed a passion for music When a permanent injury to his hand prevented him from pursuing a career as a touring concert pianist he turned his energies and talents to composing writing hundreds of works for piano and voice as well as four symphonies and an opera Here acclaimed biographer Martin Geck tells the fascinating story of this multifaceted genius set in the context of the political and social revolutions of his time The image of Schumann the man and the artist that emerges in Geck's book is complex Geck shows Schumann to be not only a major composer and music critic he cofounded and wrote articles for the controversial *Neue Zeitschrift für Musik* but also a political activist the father of eight children and an addict of mind altering drugs Through hard work and determination bordering on the obsessive Schumann was able to control his demons and channel the tensions that seethed within him into music that mixes the popular and esoteric resulting in compositions that require the creative engagement of reader and listener The more we know about a composer the more we hear his personality in his music even if it is above all on the strength of his work that we love and admire him Martin Geck's book on Schumann is not just another rehashing of Schumann's life and works but an intelligent personal interpretation of the composer as a musical literary and cultural personality *Her Piano Sang* Barbara Allman, 2011-08-01

At the age of nine Clara Wieck gave her first public performance as a concert pianist She played beautifully When the concert was over she felt as if she were dancing on a cloud As she grew older Clara's concerts took her all over Europe Audiences adored her and she became friends with other famous musicians including her father's student Robert Schumann Robert and Clara fell in love and eventually married Robert took some of Clara's melodies and shaped them into compositions and Clara performed his pieces introducing them to new audiences Throughout her life Clara Schumann's performances set the standard for piano music The greatest composers of her time impressed with the power and beauty of her playing wrote music for her Clara was a pianist composer and mentor as well as an inspiration to the romantic movement that was her life She made the piano sing

Clara Schumann Clara Schumann, 1972-01-01 **Letters of Clara Schumann and Johannes Brahms, 1853-1896**

Clara Schumann, 1927 *The Cambridge Companion to the Lied* James Parsons, 2004-07 Beginning several generations before Schubert the Lied first appears as domestic entertainment In the century that follows it becomes one of the primary modes of music making By the time German song comes to its presumed conclusion with Richard Strauss's 1948 *Vier letzte Lieder* this rich repertoire has moved beyond the home and keyboard accompaniment to the symphony hall This is a 2004 introductory chronicle of this fascinating genre In essays by eminent scholars this Companion places the Lied in its full

context at once musical literary and cultural with chapters devoted to focal composers as well as important issues such as the way in which the Lied influenced other musical genres its use as a musical commodity and issues of performance The volume is framed by a detailed chronology of German music and poetry from the late 1730s to the present and also contains a comprehensive bibliography

Clara Schumann Studies Joe Davies, 2021-12-02 Since the 1980s when she re emerged from the peripheries into a more central position in music studies Clara Schumann 1819 1896 has exerted an enduring fascination over the scholarly and popular imagination Revisionist biographies the uncovering of primary sources diaries letters memorabilia and filmic and literary depictions of Schumann have all brought into sharper focus the details and reception of her life while simultaneously drawing attention to how much there is still to learn about her creativity This book brings together a team of leading scholars to reappraise Clara Schumann in three particular respects first by delving deeper into her social and musical contexts secondly by offering fresh analytical perspectives on her songs and instrumental music and thirdly by reconsidering her legacy as a pianist and teacher In doing so the volume not only contributes to a rounded picture of Schumann s creative vision but also opens up new pathways in the wider study of women in music

On Music and Musicians Robert Schumann, 2013-04-03 Edited by Konraad Wolff Translated by Paul Rosenfeld With twenty black and white illustrations Schumann s literary gifts and interests almost equaled his musical ones From boyhood on he was drawn to literary expression and his writings on music belong to the best among the romantic literature of the 19th century The same fire poetry directness of expression the same inventiveness we love in his compositions also animated his prose This edition for the first time groups his articles and observations according to subject matter and individual composers It is complete as far as Schumann s writings on the great composers are concerned All his reviews of the works by the masters from Beethoven to Brahms are included some of them translated for the first time into English

Clara Schumann Susanna Reich, 2005 Describes the life of the German pianist and composer who made her professional debut at age nine and who devoted her life to music and to her family

A Passionate Friendship Clara Schumann, Jean Alley, 1956-01-01

Schumann on Music Robert Schumann, 2012-11-13 Includes 61 important critical pieces Schumann wrote for the *Neue Zeitschrift für Musik* 1834 1844 Perceptive evaluations of Beethoven Chopin Schubert other giants also Spohr Moscheles Field other minor masters Annotated

The Norton/Grove Dictionary of Women Composers Julie Anne Sadie, Rhian Samuel, 1994 Throughout history women have been composing music but their achievements have usually gone unrecognized

The Schumanns and Johannes Brahms Eugenie Schumann, 1927

Robert Schumann John Daverio, 1997-04-10 Forced by a hand injury to abandon a career as a pianist Robert Schumann went on to become one of the world s great composers Among many works his Spring Symphony 1841 Piano Concerto in A Minor 1841 1845 and the Third or Rhenish Symphony 1850 exemplify his infusion of classical forms with intense personal emotion His musical influence continues today and has inspired many other famous composers in the century since his death Now in Robert Schumann Herald of a New Poetic Age

John Daverio presents the first comprehensive study of the composer's life and works to appear in nearly a century. This well researched study of Schumann interprets the composer's creative legacy in the context of his life and times combining nineteenth century cultural and intellectual history with a fascinating analysis of the works themselves. *The Marriage Diaries of Robert & Clara Schumann* Robert Schumann, Clara Schumann, 1994 **Schumann** Eric Frederick Jensen, 2012-02-13 Robert Schumann is one of the most intriguing and enigmatic composers of the nineteenth century. Extraordinarily gifted in both music and literature many of his compositions were inspired by poetry and novels. For much of his life he was better known as a music critic than as a composer. But whether writing as critic or composer what he produced was created by him as a reflection of his often turbulent life. Best known was the tempestuous courtship of his future wife the pianist Clara Wieck. Though marriage and family life seemed to provide a sense of constancy he increasingly experienced periods of depression and instability. Mounting criticism of his performance as music director at Dusseldorf led to his attempted suicide in 1854. Schumann was voluntarily committed to an insane asylum near Bonn where despite indications of improvement and dissatisfaction with his treatment he spent the final two years of his life. Drawing on original research and newly published letters and journals from the time author Eric Frederick Jensen presents a balanced portrait of the composer with both scholarly authority and engaging clarity. Biographical chapters alternate with discussion of Schumann's piano chamber choral symphonic and operatic works demonstrating how the circumstances of his life helped shape the music he wrote. Chronicling the romance of Robert and Clara Jensen offers a nuanced look at the evolution of their relationship one that changed dramatically after marriage. He also follows Schumann's creative musical criticism which championed the burgeoning careers of Chopin Liszt and Brahms and challenged the musical tastes of Europe.

Unveiling the Magic of Words: A Report on "**Robert Und Clara Schumann**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Robert Und Clara Schumann**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
