Robert Altman American Innovator:

Robert Altman, American Innovator Judith M. Kass, 1978 **Robert Altman** Frank Caso, 2015-10-15 Known as an iconoclast and maverick film director Robert Altman has consistently pushed against the boundaries of genre From refashioning film noir in *The Long Goodbye* the western in *McCabe Mrs Miller* the psychological drama in *Images* science fiction in *Quintet* and the romantic comedy in *A Perfect Couple* he has always tested the limits of what film can and should do In this book Frank Caso examines the development of Altman's artistic method from his earliest days in industrial film to his work in television and feature films Altman is one of those directors whose films audiences can easily recognize but what exactly are the distinctive elements that have become his signature Caso identifies more than twenty such elements in Altman's style tracing some such as his use of free hand cameras and engagement with Christian imagery to the beginning of his career Caso also examines Altman's unsettling mix of offbeat comedic tone with a predominance of violence murder and death showing how their counterpointing effects rendered his films at once naturalistic and otherworldly Exploring these and other aspects of the Altmanesque style Caso maps the innovations that have made Altman a master filmmaker Enriched with illustration throughout *Robert Altman* will appeal to fans of this distinctive American auteur or anyone interested in ground breaking cinema *Robert Altman* Rick Armstrong, 2014-01-10 The life and work of motion picture director Robert Altman 1925-2006 are interpreted from a variety of perspectives in this collection of essays Actors historians film scholars and cultural theorists reflect on Altman and his five decade career and discuss the significance of music history and genre in his films Two actors who have appeared in some of the filmmaker's most important works are prominently represented with a statement from Elliot Gould *MASH* *The Long Goodbye* *California Split* and an essay by Michael Murphy *McCabe and Mrs Miller* *Nashville* *Tanner 88* The collection ends with an essay on the importance of death in the director's final productions *The Company* 2003 and *Prairie Home Companion* 2006 by noted Altman scholar Robert T Self *The Cinema of Robert Altman* Robert Niemi, 2016-03-01 In a controversial and tumultuous filmmaking career that spanned nearly fifty years Robert Altman mocked subverted or otherwise refashioned Hollywood narrative and genre conventions Altman's idiosyncratic vision and propensity for formal experimentation resulted in an uneven body of work some rank failures and intriguing near misses as well as a number of great films that are among the most influential works of New American Cinema While Altman always professed to have nothing authoritative to say about the state of contemporary society this volume surveys all of his major films in their sociohistorical context to reposition the director as a trenchant satirist and social critic of postmodern America depicted as a lonely wasteland of fraudulent spectacle exploitative social relations and unfulfilled solitaires in search of elusive community **Robert Altman** Patrick McGilligan, 1989-07-15 The most prodigal prolific and visionary director to emerge from post sixties Hollywood Robert Altman is a man whose mystique sometimes threatens to overshadow his many critically acclaimed films including *MASH* *A Companion to Robert Altman* Adrian Danks, 2015-06-22 A Companion to

Robert Altman presents myriad aspects of Altman's life, career, influence, and historical context. This book features 23 essays from a range of experts in the field providing extensive coverage of these aspects and dimensions of Altman's work. The most expansive and wide-ranging book yet published on Altman providing a comprehensive account of Altman's complete career. Provides discussion and analysis of generally neglected aspects of Altman's career including the significance of his work in television and industrial film, the importance of collaboration, and the full range and import of his aesthetic innovations. Includes essays by key scholars in Altman studies bringing together experts in the field, emerging scholars, and writers from a broad range of fields. Multi-disciplinary in design and draws on a range of approaches to Altman's work, being the first substantial publication to make use of the recently launched Robert Altman Archive at the University of Michigan. Offers specific insights into particular aspects of film style and their application in industrial and aesthetic film and TV history and particular areas such as the theorisation of space, place, authorship, and gender. *Robert Altman's Soundtracks* Gayle Sherwood Magee, 2014. Robert Altman's *Soundtracks* offers a compelling new look at this celebrated director's films through his innovative uses of music and sound. As author Gayle Sherwood Magee illustrates, Altman's considerable and varied output speaks to the changing film industry over decades, from *Nashville* (1975) to *A Prairie Home Companion* (2006). **Fifty**

Hollywood Directors Suzanne Leonard, Yvonne Tasker, 2014-11-20. *Fifty Hollywood Directors* introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster. By exploring the historical, cultural, and technological contexts in which each director was working, this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights. Each entry discusses a director's practices and body of work and features a brief biography and suggestions for further reading. Entries include Frank Capra, Cecil B. DeMille, John Ford, Alfred Hitchcock, Fritz Lang, Orson Welles, DW Griffith, King Vidor. This is an indispensable guide for anyone interested in film history, Hollywood, and the development of the role of the director.

American Film and Society since 1945 Leonard Quart, Albert Auster, 2018-04-19. From Steven Spielberg's *Lincoln* to Clint Eastwood's *American Sniper*, this fifth edition of this classic film study text adds even more recent films and examines how these movies depict and represent the feelings and values of American society. One of the few authoritative books about American film and society, *American Film and Society since 1945* combines accessible fun-to-read text with a detailed, insightful, and scholarly political and social analysis that thoroughly explores the relationship of American film to society and provides essential historical context. The historical overview provides a capsule analysis of both American and Hollywood history for the most recent decade as well as past eras in which topics like American realism, Vietnam counterculture, revolutions, and 1960s films and Hollywood depictions of big business like Wall Street are covered. Readers will better understand the explicit and hidden meanings of films and appreciate the effects of the passion and personal engagement that viewers experience with films. This new edition prominently features a new chapter on American and Hollywood history from

2010 to 2017 giving readers an expanded examination of a breadth of culturally and socially important modern films that serves student research or pleasure reading The coauthors have also included additional analysis of classic films such as *To Kill a Mockingbird* 1962 and *A Face in the Crowd* 1957 *American Film Now* James Monaco, 1979
