book to present an informal but revealing portrayal of the man Ingersoll his personality ideas interests life work and influence through the medium of some of his characteristic personal letters The vast majority of the letters I obtained through the two daughters of Colonel Ingersoll Eva Ingersoll Brown my mother and Maud Ingersoll who were thoughtful and foresighted enough to copy before mailing many of the letters which their father wrote at home Some letters were available through the files of Ingersoll s law office A few were secured by means of requests for Ingersoll letters in various newspapers and journals A few more were sent to me by old admirers acquaintances and friends of the Colonel A number of valuable letters were quoted by permission of Doubleday several were graciously contributed by Mrs Harry Houdini from her late husband s collection of Ingersolliana All the letters written to Dr John Livingston Ingersoll form a part of the large and important Ingersoll collection in the Illinois State Historical Library at Springfield Illinois and cordial appreciation is hereby extended to this Library for its generous co operation Much of the original material that has gone into this book was donated to the Library of Congress in Washington D C by the Editor and her brother Robert Ingersoll Brown The Family or Ingersoll Husband Father and Friend section of the book may well overwhelm and even antagonize many a modern reader who is conditioned to looking down his nose at any expressions of human affection and tenderness Love has long been out of fashion in literature and biographies nowadays are seldom written out of love for their subjects While this Editor is quite unashamedly in love with her subject she has at the same time tried to keep herself within bounds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Life and Letters of Robert G. Ingersoll Robert Green Ingersoll, 2017-09-16 Excerpt from The Life and Letters of Robert G Ingersoll Edited With a Biographical Introduction by Eva Ingersoll Wakefield The reader also may well be surprised by the omission of letters to Colonel Ingersoll s wife The reason for this is that his younger daughter Maud Ingersoll felt very strongly that these letters were too intimate for publication while her sister Eva Ingersoll Brown believed that their father and all his thoughts and works belonged not only to the family but to the world As for Mrs Ingersoll s attitude her death occurred before the question was raised The reader will readily appreciate that this situation left the Editor in a very delicate and difficult quandary which she finally resolved by the aforesaid omission It will be obvious from the text that the Editor has in no wise attempted to write a genuine and thorough going biography of Robert Ingersoll but merely a biographical outline or sketch She has simply presented some of the important materials upon which to base biographies and appraisals by future students of Ingersoll About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find
