

A photograph of an elderly man with glasses and a mustache, smiling as he performs a science experiment. He is wearing a dark blue sweater with a white geometric pattern. He is seated at a dark table, and his hands are positioned over a red rectangular device, possibly a power supply or a component of an experiment. A small glass dish is visible on the table near his hands. The background is a plain, light-colored wall. The title of the book is overlaid on the right side of the image in a stylized font.
