Burgchardt, 1992-03-30 This reference is the only book length work to analyze all of the major speeches of one of the most significant politicians of the first part of the twentieth century Robert La Follette Sr His speeches offer historic snapshots into the Progressive era and of the thinking of an outstanding governor of Wisconsin U S senator and social agitator This rhetorical biography analyzes key speeches and provides texts demonstrating

how Senator La Follette used melodramatic scenarios to enlist citizens in his reform crusade against the gravest danger that he saw in this country This reference also provides texts of his most important speeches a chronology of his major orations and a lengthy bibliography This unique volume is designed for students and specialists in political communication rhetorical criticism and American studies This systematical analysis of Senator La Follette s public speeches is a short and highly readable history of the Progressive era World War I and its aftermath and the early 1920s from the perspective of a leading political figure of the times The analysis of La Follette s rhetorical strategy illuminates his use of confrontational tactics such as the filibuster in Congress to educate the voter and to plead for reforms that he considered essential This reference provides the texts of five seminal orations and the most complete bibliography of speeches available to date

La Follette's Autobiography Robert Marion La Follette, 1913 The autobiography of Robert La Follette 1855-1925 traces the political life and accomplishments of this eminent Republican politician from his election as district attorney for Dane County Wisconsin in 1880 to the presidential campaign of 1912 when his bid to dislodge President William Howard Taft was pushed aside by former president Theodore Roosevelt on the Progressive Party s national ticket The book emphasizes tactics strategies and coalition building as well as La Follette s assessments of various local and national public figures We learn little about La Follette s childhood education legal training or family life although he does pay tribute to his wife a lawyer and civic reformer in her own right La Follette served three terms in Congress 1885-1891 and after a decade of private law practice and grassroots activism was elected Wisconsin s governor 1900-1904 From 1905 until his death La Follette was a senator He crusaded at state and national level against powerful unregulated business interests especially the railroads which he felt exerted undue influence upon government He also championed open primary elections equitable taxation of corporations and public management of public resources by highly qualified non-partisan public servants While many of these influential reforms were instituted at the state level during his governorship his contribution in the Senate may have had less to do with his legislative record than with his ability to rally forces around well articulated programs
