Robert Penn Warren The Dark Bloody Gro:

Robert Penn Warren Klaus Poenicke, Leonard Casper, Robert Penn Warren, 1959 **Robert Penn Warren** Paul West, 1964 Explores Warren's poetry and prose writings to reveal his philosophical concerns as well as the pattern of his career *The Blood-Marriage of Earth and Sky: Robert Penn Warren's Later Novels* Leonard Casper, 1997 **The Poetic Vision of Robert Penn Warren** Victor H. Strandberg, 2021-12-14 Though it has won the Pulitzer Prize the National Book Award and the Bollingen Prize the poetry of Robert Penn Warren still is not widely or well understood In this study Victor H Strandberg redresses this imbalance by providing a comprehensive survey of the poetic canon of this gifted complex and much neglected poet Warren writes in the tradition of Western poets concerned with the painful experience of a forced one way passage from innocence into the world's stew of time and loss This passage Strandberg explains results for Warren in bifurcation of the self into warring segments a clean idealistic surface ego and a polluted undiscovered self in the unconscious Revelation of the dirty part of human personality is tellingly evoked in many of Warren's major works As the poet's vision expands however these conflicting elements are unified in a mystic osmosis of being whereby the world which once provoked fear and disgust may now be totally loved In addition to close analysis both of individual poems and of the poet's overall development Strandberg reviews critical opinion of Warren's poetry over the last three decades and assesses his place among fellow poets Both as prophecy and as art he concludes Robert Penn Warren's poetry is so significant versatile and excellent as to rank him among the finest and most fertile talents of his age **The American Vision of Robert Penn Warren** William Bedford Clark, 2014-10-17 In 1976 the bicentennial year Robert Penn Warren told Bill Moyers that he was in love with America but his love for the nation was more often than not troubled and angry Warren once remarked that any intelligent person is inclined to criticize his country more strongly than he will criticize anything else And he should It's a way of criticizing himself too Trying to live more intelligently and more fully In *The American Vision of Robert Penn Warren* a noted Warren scholar traces the evolution of our first poet laureate's distinctive stance toward the American experiment in democracy showing how Warren sought to balance off the claims of self and society in the New World This book surveys the full six decades of Warren's career combining close reading with a historian's eye for social and political context While pointedly avoiding the reductive pitfalls of the new historicism Clark documents the informing role the Great Depression played in shaping Warren's attitudes toward art and politics and he demonstrates the necessity of regarding Warren's major achievements in fiction and verse as forms of public speech Read in this light Warren's vision offers a set of possibilities for renegotiating America's covenant with its Founders on new and pragmatic terms Based solidly on the best previous commentary on Warren and his work Clark's study represents a new approach to its subject and incorporates insights and information garnered from the Warren Papers at Yale A wide ranging account of the interplay between an author's imagination and contemporary history this book should prove of interest to all students of American culture

especially those concerned with the interrelationships of literature politics and ideology Written in a lively and direct style it will appeal to specialists and general readers alike *Selected Letters of Robert Penn Warren* Robert Penn

Warren,2006-01-01 *Selected Letters of Robert Penn Warren* Volume three provides an indispensable glimpse of Warren the writer and the man covering a crucial decade in his life Edited by Randy Hendricks and James A Perkins and introduced by William Bedford Clark this collection of largely previously unpublished letters and newly discovered material documents Warren s time at the University of Minnesota his writing and publication of the Pulitzer Prize winning novel *All the King s Men* his appointment as Consultant in Poetry at the Library of Congress and his divorce from Emma Cinina Brescia and subsequent marriage to the writer Eleanor Clark The period 1943 1952 also saw the publication of *A Poem of Pure Imagination* *World Enough and Time* *The Ballad of Billie Potts* *At Heaven s Gate* and *Selected Poems 1923 1943* Warren s letters shed new light on those works and on his close relationship with his editors Lambert Davis and Albert Erskine Included too is correspondence concerning Warren s collaboration with Robert Rossen on the movie production of *All the King s Men* which received the Academy Award for best picture in 1949 The list of friends and colleagues with whom Warren communicated reads like a roll call of major twentieth century literary figures and clearly shows his ever widening influence on the world of letters Spanning a remarkable range in both style and tone the letters disclose Warren s attitudes toward his work as a teacher and his thoughts on the events of World War II the Korean War and the political conflicts in postwar Europe Thoroughly annotated and scrupulously researched Volume Three captures Warren in an extraordinary phase in his life and career reaching his maturity and making many commitments at once yet pursuing them all with a seemingly boundless energy **The Collected Poems of Robert Penn Warren** Robert Penn Warren,1998-10-01 Winner of the C

Hugh Holman Award A central figure in twentieth century American literature Robert Penn Warren 1905 1989 was appointed by the Library of Congress as the first Poet Laureate of the United States in 1985 Although better known for his fiction especially his novel *All the King s Men* it is mainly his poetry spanning sixty years fifteen volumes of verse and a wide range of styles that reveals Warren to be one of America s foremost men of letters In this indispensable volume John Burt Warren s literary executor has assembled every poem Warren ever published with the exception of *Brother to Dragons* including the many poems he published in *The Fugitive* and other magazines as well as those that appeared in his small press works and broadsides Burt has also exhaustively collated all of the published versions of Warren s poems which in some cases appeared as many as six different times with substantive revisions in every line as well as his typescripts and proofs And since Warren never seemed to reread any of his books without a pencil in his hand Burt has referred to Warren s personal library copies This comprehensive edition also contains textual notes lists of emendations and explanatory notes Warren was born and raised in Guthrie Kentucky where southern agrarian values and a predilection for storytelling were ingrained in him as a young boy By 1925 when he graduated from Vanderbilt University he was already the most promising

of that exceptional set of poets and intellectuals known as the Fugitives Warren devoted most of the 1940s and 1950s to writing prose and literary criticism but from the late 1950s he composed primarily poetry with each successive volume of verse that he penned demonstrating his rigorous and growing commitment to that genre The mature visionary power and technical virtuosity of his work in the 1970s and early 1980s emanated from his strongly held belief that only insofar as the work of art establishes and expresses a self can it engage us Many of Warren's later poems which he deemed some of my best rejoice in the possibilities of old age and the poet's ability for continually expanding in a vital process of definition affirmation revision and growth a process that is the image we may say of the life process

Robert Penn Warren's *All the King's Men* Jane Yarbrough, 1985 A guide to reading *All the King's Men* with a critical and appreciative mind encouraging analysis of plot style form and structure Also includes background on the author's life and times sample tests term paper suggestions and a reading list

The Achievement of Robert Penn Warren James H. Justus, 1981-10-01 Crisscrossing the sprawling landscape of Robert Penn Warren James H Justus offers us the first comprehensive survey of Warren's complete canon including the poetry of 1980 The temptation for everyone who has written on Warren our most distinguished man of letters still active in American literature asserts Justus is to analyze those themes and moral situations that because they recur so frequently and obsessively constitute the massive centrality of an entire corpus Justus attempts to emphasize the ways by which we become aware of such themes and situations the technical accomplishment of their rendering which alone justifies our thinking of Warren as a literary artist *The Achievement of Robert Penn Warren* shows how Warren's work his fiction poetry literary criticism historical and personal essays journalism is shaped largely by the circumstances not only of his birth and early career as a border state southerner but also of his training and later career as a transregional artist and intellectual Dividing his book into four parts Justus discusses in Part I Warren's cycle of themes the most enduring of which is self knowledge the very source of Warren's life work He devotes Part II to Warren's poetry the mannered archaism of his early work the increasing mastery of the tendencies practiced by his fellow Agrarians the metaphysical mode and the advantage of technique in his most recent poems Part III concerns Warren's nonfiction prose with emphasis on *Who Speaks for the Negro* and *I'll Take My Stand* In Part IV Justus analyzes the novels as political and moral statements in *Night Rider* *At Heaven's Gate* and *All the King's Men* as romance and history in *World Enough* and *Time Band of Angels* and *Wilderness* and as art of transparency in *The Cave* *Flood* *Meet Me in the Green Glen* and *A Place to Come To* Justus demonstrates Warren's relish for crowded densities of actuality as fulfilled in the novelist's skill in observing detail No other writer has made so much out of our cultural artifacts WPA murals big houses and shotgun bungalows letters and broadsides Warren continues in a southern literary tradition The values of the country and small town those affecting attitudes toward social cohesion and Christian assumptions about the nature of man are often seen in conflict with the values of a life governed by art and the academy Justus also places Warren's work in the larger

context of the various streams of American writing of the nineteenth and early twentieth centuries. He cites in particular Warren's unresolved relationship to Emerson and compares Warren to Mark Twain and Nathaniel Hawthorne. In examining Warren's technical accomplishments, Justus proclaims the novelist-poet to be a man whose distinguished career has surpassed those of Edmund Wilson and Allen Tate. Warren calls himself a little footnote in the long history of the intellectual tension between transcendentalism and puritanism. Certainly readers of *The Achievement of Robert Penn Warren* will begin to understand how Warren's discrete works relate to each other, how from poems to novels to prose, early and late, nothing is lost. The undertaking by Justus is massive; the accomplishment monumental.
