Paul Robeson

Robeson Labors Forgotten Champion:

Robeson, Labor's Forgotten Champion Charles H. Wright, 1975 **Ebony**, 1975-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Paul Robeson and the Cold War Performance Complex** Tony Perucci, 2012-04-18 Two key performances by Paul Robeson shed light on the Cold War era *Paul Robeson* Lindsey R. Swindall, 2013-02-07 Paul Robeson A Life of Activism and Art is the biography of an African American icon and a demonstration of historian Lindsey R Swindall's knack for thorough detailed research and reflection Paul Robeson was at points in his life an actor singer football player political activist and writer one of the most diversely talented members of the Harlem Renaissance Swindall centers Robeson's story around the argument that while Robeson leaned toward Socialism a Pan African perspective is fundamental to understanding his life as an artist and political advocate Many previous works on Robeson have focused primarily on his involvement with the US Communist Party paying little attention to the broader African influences on his politics and art With each chapter focused on a decade of his life this book affords us a fresh look at his story and the ways in which the struggles successes and studies of his formative years came to shape him as an artist activist and man later on Robeson's story is one not simply of politics and protest but of a man's lifelong evolution from an athlete to an entertainer to an indispensable man of letters and African American thought Swindall neatly outlines the events of Robeson's life in a way that freshly presents him as a man whose work was influenced by more than just his circumstances but by a spirit rooted in dedication to the African's place in American art and politics Robeson Arnold H. Lubasch, 2012-10-18 Paul Robeson was a towering figure in American culture conquering many disparate venues from football and film to law to Shakespeare An extraordinary athlete scholar actor singer Robeson also became a crusader for human rights And though he was admired by many his controversial support of the Soviet Union during the Cold War and the era of McCarthyism led to ostracism and his declining health In Robeson An American Ballad Arnold H Lubasch chronicles the remarkable life of this twentieth century original In this concise and readable account Lubasch a New York Times veteran for almost 40 years reports on Robeson's life story more accurately and clearly than any previous books In addition to detailing the highs and lows of Robeson's life and career Lubasch offers several personal anecdotes about this American icon and includes commentary on the 100th anniversary celebration of Robeson's birth This engaging work will be of interest to virtually everyone but especially to scholars and students of U S and African American history and culture The 20th Century O-Z Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical

context and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Paul Robeson Ernest Kaiser, 1998. Compiled by the editors of Freedomways. Tributes to Robeson in prose and poetry by his contemporaries. Selections from Robeson's own writings. Foreword to this edition by Ernest Kaiser. Updated bibliography.

Paul Robeson Jordan Goodman, 2013-10-08. Paul Robeson was one of the most famous people in the world to his enemies he was also one of the most dangerous. From the 1930s to the 1960s the African American singer was the voice of the people both on stage and as a political activist who refused to be silenced as he fought for the rights of the oppressed. His message of peace, equality and justice was understood as much on the streets of Manchester, Moscow, Johannesburg and Bombay as it was in Harlem and Washington DC. Jordan Goodman tells the story of Robeson during the tumultuous Cold War when the United States government became so worried by his impact abroad that it tried to silence him. Drawing on extensive new archival material from Robeson's FBI, State Department, MI6 and KGB files he shows the major international scope of this effort.

Working-Class Heroes Mat Callahan, Yvonne Moore, 2019-09-01. Working Class Heroes is an organic melding of history, music and politics that demonstrates with remarkably colorful evidence that workers everywhere will struggle to improve their conditions of life. And among them will be workers who share an insight: in order to better our lot we must act collectively to change the world. This profusely illustrated treasury of song sheets, lyrics, photographs, histories and biographical sketches explores the notion that our best hope lies in the capacity of ordinary working people to awaken to the need to emancipate ourselves and all of humanity. Featuring over a dozen songwriters from Joe Hill to Aunt Molly Jackson, Working Class Heroes delivers a lyrical death blow to the falsehood that so-called political songs of the twentieth century were all written by intellectuals in New York. Many like Ella May Wiggins were murdered by the bosses. Others like Sarah Ogan Gunning watched their children starve to death and their husbands die of black lung only to rise up singing against the system that caused so much misery. Most of the songs collected here are from the early twentieth century yet their striking relevance to current affairs invites us to explore the historical conditions that inspired their creation: systemic crisis, advancing fascism and the threat of world war. In the face of violent terror, these working class songwriters bravely stood up to fight oppression. Such courage is immortal and the songs of such heroes can still lift our spirits if we sing them today. Featured in this twenty-song collection are Sarah Ogan Gunning, Ralph Chaplin, Woody Guthrie, Ella May Wiggins, Joe Hill, Paul Robeson, John Handcox, Aunt Molly Jackson, Jim Garland, Alfred Hayes, Joseph Brandon and several anonymous proletarian songwriters whose names have been long forgotten though their words will never die.

The Undiscovered Paul Robeson Paul Robeson, Jr., 2009-12-21. The eagerly awaited second volume of Paul Robeson Jr.'s acclaimed biography of his father, the legendary singer, actor and social activist. The greatest scholar-athlete-performing artist in U.S. history, Paul Robeson was one of the most compelling figures of the twentieth century. In this final volume of his groundbreaking biography, Paul Robeson Jr. tells the untold inside story of his father's life from World War II until his death.

including his fight against racism and injustice and his courageous defiance of persecution by government agencies Breaks new ground using unpublished photographs and source materials from private diaries letters and government documents Offers unprecedented insight into how Robeson bridged the contradictions of his personal and public life Praised as an accomplished and moving memoir Boston Globe on Vol 1 and an important well wrought addition to African American Cold War and theater scholarship Publishers Weekly Revealing a multifaceted figure who moved among major roles as a performer political activist husband and father The Undiscovered Paul Robeson traces the dramatic arc of one of the world's most distinguished performing artists and passionate leaders in the fight for universal human rights **Paul Robeson** Martin Duberman, 2014-08-12 The remarkable life of Paul Robeson quintessential Harlem Renaissance man scholar all American actor activist and firebrand Born the son of an ex slave in New Jersey in 1898 Paul Robeson endowed with multiple gifts seemed destined for fame In his youth he was as tenacious in the classroom as he was on the football field After graduating from Rutgers with high honors he went on to earn a law degree at Columbia Soon after he began a stage and film career that made him one of the country's most celebrated figures But it was not to last Robeson became increasingly vocal about defending black civil rights and criticizing Western imperialism and his radical views ran counter to the country's evermore conservative posture During the McCarthy period Robeson's passport was lifted he was denounced as a traitor and his career was destroyed Yet he refused to bow His powerful and tragic story is emblematic of the major themes of twentieth century history Martin Duberman's exhaustive biography is the result of years of research and interviews and paints a portrait worthy of its incredible subject and his improbable story Duberman uses primary documents to take us deep into Robeson's life giving Robeson the due that he so richly deserves *Paul Robeson Speaks* Paul Robeson, 1978 The ideas of the world renowned Black American are represented on the arts civil rights socialism and other topics The American Radical Mary Jo Buhle, 2013-02-01 The American Radical tells the story of American democracy from the late 18th century to the present through the lives of the women and men who have fought to advance it *Dictionary of World Biography: The 20th century, O-Z* Frank Northen Magill, Christina J. Moose, Alison Aves, 1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *Unions, Radicals, and Democratic Presidents* Martin Halpern, 2003-11-30 Social change advocates won a remarkable series of victories during the 20th century This study examines both successful and unsuccessful efforts ranging from the women's suffrage movement of the 1910s to the divisive debate between Gore and Nader supporters during the 2000

election Halpern details the ingredients essential to shaping progressive campaigns While left wing activists sustained grass roots movements and worked with allies in left center coalitions trade unions energized by progressive activists gave the efforts institutional weight with crucial assistance from Democratic presidents committed to liberalism Frequently facing repression left wingers nevertheless managed to pass their values on to their children who in turn sustained new sets of social movements Leftists worked alongside other progressives to form left center coalitions on issues such as Civil Rights and labor law reform Influenced by liberalism Roosevelt Johnson and Kennedy gave crucial assistance to the social change process Shying away from liberalism Carter and Clinton and Vice President Gore failed to provide comparable assistance disappointing progressive activists and unions and leading to important setbacks Whether the Democratic Party will once again seek to elect a president with a liberal vision to assist a revitalized labor movement a newly energized left and left center coalitions in the social change process remains to be seen

CBS's Don Hollenbeck Loren Ghiglione,2011 Loren Ghiglione recounts the fascinating life and tragic suicide of Don Hollenbeck the controversial newscaster who became a primary target of McCarthyism s smear tactics Drawing on unsealed FBI records private family correspondence and interviews with Walter Cronkite Mike Wallace Charles Collingwood Douglas Edwards and more than one hundred other journalists Ghiglione writes a balanced biography that cuts close to the bone of this complicated newsman and chronicles the stark consequences of the anti Communist frenzy that seized America in the late 1940s and 1950s Hollenbeck began his career at the Lincoln Nebraska Journal marrying the boss s daughter before becoming an editor at William Randolph Hearst s rip roaring Omaha Bee News He participated in the emerging field of photojournalism at the Associated Press assisted in creating the innovative ad free PM newspaper in New York City reported from the European theater for NBC radio during World War II and anchored television newscasts at CBS during the era of Edward R Murrow Hollenbeck s pioneering prize winning radio program CBS Views the Press 1947 1950 was a declaration of independence from a print medium that had dominated American newsmaking for close to 250 years The program candidly criticized the prestigious New York Times the Daily News then the paper with the largest circulation in America and Hearst s flagship Journal American and popular morning tabloid Daily Mirror For this honest work Hollenbeck was attacked by conservative anti Communists especially Hearst columnist Jack O Brian and in 1954 plagued by depression alcoholism three failed marriages and two network firings and worried about a third Hollenbeck took his own life In his investigation of this amazing American character Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation Separating myth from fact CBS s Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America s tortured conscience

Negro Building Mabel O. Wilson,2023-09-01 Focusing on Black Americans participation in world s fairs Emancipation expositions and early Black grassroots museums Negro Building traces the evolution of Black public history from the Civil War through the civil rights movement of the 1960s Mabel O Wilson gives voice to the figures who conceived

the curatorial content Booker T Washington W E B Du Bois Ida B Wells A Philip Randolph Horace Cayton and Margaret Burroughs Originally published in 2012 the book reveals why the Black cities of Chicago and Detroit became the sites of major Black historical museums rather than the nation s capital which would eventually become home for the Smithsonian s National Museum of African American History and Culture which opened in 2016 Focusing on Black Americans participation in world s fairs Emancipation expositions and early Black grassroots museums Negro Building traces the evolution of Black public history from the Civil War through the civil rights movement of the 1960s Mabel *Racism in American Stage and Screen* Olivia Demberg, W.D. Palmer, 2021-08-20 For more than a hundred years the entertainment industry has both struggled with and perpetuated the spectre of racism At times it has been guilty of portraying racist tropes or presenting employment barriers with little regard for how they extend the prejudices of society In better moments it has been in the forefront of breaking down barriers within society in an entertaining thought provoking and pioneering way So many of the impressions that we form come from the entertainment we consume It is from the entertainment arts and media of each era that we learn about the prevailing attitudes toward racial minorities it is also by way of the entertainment arts and media that we are able to educate and attempt to overturn these prejudices in the fight toward racial equality openness and inclusivity Minority voices are still critically underrepresented in the world of mainstream media and entertainment An open tent and positive portrayals of minorities in entertainment are vital to this fight Racism spreads like a virus with strains that develop and mutate throughout time infecting everything that they come in contact with Just as we have been continuously tested for coronavirus over the past year we must check our biases regularly and be ready to correct any flaws we see in our journey toward eradicating the scourge of racism once and for all Despite the progress that has been made there is still a long way to go This book will share the research I have compiled for the Palmer Foundation on how race is portrayed historically in film and theatre presenting examples of the successes and shortcomings that entertainment has added to the dialogue about race over the decades Dictionary of World Biography Frank Northen Magill, 1998 A revision and reordering with new entries added of the material in the thirty vols comprising the various subsets designated series published under the collective title Great lives from history 1987 1995 Red Seas Gerald Horne, 2009-09-01 During the heyday of the U S and international labor movements in the 1930s and 1940s Ferdinand Smith the Jamaican born co founder and second in command of the National Maritime Union NMU stands out as one of the most if not the most powerful black labor leaders in the United States Smith s active membership in the Communist Party however coupled with his bold labor radicalism and shaky immigration status brought him under continual surveillance by U S authorities especially during the Red Scare in the 1950s Smith was eventually deported to his homeland of Jamaica where he continued his radical labor and political organizing until his death in 1961 Gerald Horne draws on Smith s life to make insightful connections between labor radicalism and the Civil Rights Movement demonstrating that the gains of the latter were propelled by the former and

undermined by anticommunism Moreover Red Seas uncovers the little known experiences of black sailors and their contribution to the struggle for labor and civil rights the history of the Communist Party and its black members and the significant dimensions of Jamaican labor and political radicalism
