Santas Christmas:

The True Story of Santa Claus Janet Giovanelli, 2020-10-13 He s a symbol of hope and hapiness of generosity and benevolence Santa Clause is simply one of the most beloved legends ever embraced The Story of Santa explores the history of Father Christmas Who is he really Where did he come from His origins may surprise you Why does he fulfill our wishes And what can we learn from him He s become a ubiquitous figure during the Christmas season with his white beard red suit and prominent belly but just how much do those celebrating the happy holiday really know about Santa Claus Here is the whole story from the beginning including the pre Santas like Sinterklaas Father Christmas and of course St Nicholas This beautifully illustrated book celebrates all things Santa ranging from the much loved poem The Night Before Christmas to the songs movies images and stories that are loved by both young and old Along the way it explores the favorite stories that have sprung up around him including Santa s elves his workshop Santa s beloved reindeer and the legend of Mrs Claus and the North Pole abode where she and her husband make their home You ll even learn the secret to how Santa has time to visit every house around the world in just one night a mathematician explains how it s physically possible *The Modern Christmas in America* William Waits, 1994-10-01 In days of old Christmas was defined by the custom of exchanging simple handmade gifts Today it has become a multi billion industry synonymous with commercialism and consumption How did this transformation occur In this incisive and engaging examination of how Christmas has evolved since 1880 Waits chronicles the history of the holiday from its origin to its current form The book is illustrated with dozens of historical photographs and will be of interest to cultural and social historians alike Christmas was a relatively modest occasion in the English speaking world celebrated by the exchange of modest handmade gifts until the Victorians invested the holiday with immense significance as part of a larger effort to celebrate home family and a mythic past of well ordered communities By the late 19th century Christmas had become a major American festival Today it is a multi billion dollar industry and easily the most important seasonal event of the year In this survey of the modern American Christmas William Waits shows us how this holiday emerged tracing its evolution from the days prior to 1880 when people presented one another with simple crafted presents to the turn of the century when industrialization brought with it waves of inexpensive tawdry gimcracks In the early twentieth century reform minded Americans reflecting on the new Christmas prompted a backlash against this cheapening of the Yule tradition and the Christmas card was born Henceforth family members and close friends exchanged useful costly items while cards were sent to acquaintances and distant relatives These reformers also persuaded retail stores to keep their regular hours of business during the holiday rather than lengthening them to give trade workers the opportunity to join in the celebration They also rationalized the collection and distribution of holiday charity resulting in the Christmas celebration we have today Waits s book clearly illustrates that the notion that Christmas is uncontrollable is simply untrue An incisive and engaging history of giftgiving *The Modern Christmas in America* also examines the differing traditions of giftgiving to

friends employees the poor and among entire communities Handsomely illustrated with dozens of historical photographs this book is not only the perfect holiday gift but will also be of interest to any student of American history and culture **Santa, CEO** David Soubly,2003-11 Six thousand year old half elfin Santa presides over a global Christmas business marred by intrigue When he is ousted from his company he must find his way back before his workforce is destroyed and his magical reindeer herds are slaughtered **Woodcarving Illustrated Issue 97 Winter 2021** Editors Of Woodcarving Illustrated Magazine,2021-10-13 Carve classic holiday favorites in this festive issue of Woodcarving Illustrated From a chip carved sleigh and an elf caricature who works as the manager in Santa's workshop to a power carved reindeer and a customizable Santa ornament this winter issue is filled with tons of holiday projects to spread the Christmas cheer With step by step instructions coordinating photography carving patterns and expert guidance to build your skills you'll carve a simple snowman ornament wheely turtle toy rustic coffee scoop a colorful toy soldier and so much more Also included in this issue is a detailed product review of Schaaf Tools cut resistant gloves an artist spotlight on award winning ice carvers a feature on Frank Foust's comfort birds that have led to a heartwarming movement within the carving community reader galleries bonus patterns and projects and more **Santa Claus Worldwide** Tom A. Jerman,2020-05-01 This is a comprehensive history of the world's midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world's winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world **A to Zoo** Rebecca L.
