twenty one that he began to turn his life around there he learned to read and write and found his passion for poetry His memoir *A Place To Stand* won the prestigious International Award He is Champion of the International Poetry Slam and winner of The Before Columbus American Book Award and the Pushcart Prize **No Enemies** Jimmy Santiago Baca, 2021-09-30 Acclaimed poet Jimmy Santiago Baca knows something is wrong with contemporary society He is afraid that the whole network that connects us and society together is going to collapse that our lives will be dependent on tiny little blue wires that can't shake my hand or share my joy that won't challenge the police to stop beating a brown man or can't do even something as small and gentle as smile In this collection of new poems Baca expresses his sense of responsibility to use his gift for the greater good If not me then who speaks to money power privilege if not an ordinary man then who He chastises those who use their connections to benefit themselves at the expense of the impoverished imprisoned and undocumented Frequently he takes aim at poets and politicians who put their lucrative positions ahead of their constituents Governor if you choose a career where you have to ignore the truth and pillage the unfortunate at least outlaw automatic weapons While many of these poems are stinging rebukes against the wealthy and powerful and their disregard for children living in poverty and the environment others are beautiful odes to his indigenous roots There are buffalo with their gentle hearts sacred places where he prays to his ancestors and the plants growing on steep mountainsides that give me courage to keep clinging to hope and to learn life's most important lesson practice how to lean in life so as not to fall Baca writes urgently about the most important themes of our generation including education justice the environment and even the coronavirus Ironically he notes the enemy didn't come at us crossing borders swinging machetes and machine guns No nature herself has come to clean house to give Mother Earth a reprieve from our greed **Martín & Meditations on the South Valley** Jimmy Santiago Baca, Denise Levertov, 1987 Fiercely moving the two long narrative poems of Martín what makes his writing so exciting to me is the way in which it manifests both an intense lyricism and that transformative vision which perceives the mythic and archetypal significance of life events **Healing Earthquakes** Jimmy Santiago Baca, 2001 A series of poems by American poet Jimmy Santiago Baca in which he follows the course of a relationship between a man and a woman **Selected Poems** Federico García Lorca, 2007 Federico García Lorca is perhaps the most celebrated of all twentieth century Spanish writers known not only for his plays but also for several collections of poems published both in his short lifetime and after Lorca's poetry is steeped in the land climate and folklore of his native Andalusia though he writes memorably of New York and Cuba too Writing often in modernist idiom and full of startling imagery he evokes a world of intense feelings silent suffering and dangerous love This unique parallel text edition balances poems from Lorca's early collections with his better known later work providing a clear vision of his poetic development and drawing attention to the brilliance and originality of some of the earlier work Key poems from all Lorca's collections appear here including the recently discovered Sonnets of Dark Love Martín Sorrell's translations are thoughtful and accomplished and D Gareth

Walters's shrewd Introduction with its distinctive focus on the achievements of the poet gives a clear and balanced appraisal of the poetry while steering away from the tendency to mythologize Lorca's life and death. This edition also includes helpful notes, a bibliography, a chronology, and an index of titles. **The Selected Poems of Federico García Lorca** Federico García Lorca, 2005. The landmark poetry of Federico García Lorca in a bilingual edition and introduced by Pulitzer Prize winner W. S. Merwin. **Poems** Rosalva de Castro, 1991-01-01. Translations from both Galician and Spanish of more than 100 poems by one of the outstanding poets of 19th century Spain. De Castro's 1837-1885 poetry often compared to that of Emily Dickinson is characterized by an intimate lyricism, simple diction, and innovative prosody. Includes a critical introduction, notes to the translations, and two of the poet's own autobiographical prologues. Paper edition, unseen. 16/95. Annotation c. 2003. Book News, Inc., Portland, OR. booknews.com. **Immigrants in Our Own Land & Selected Early Poems** Jimmy Santiago Baca, 1990. Immigrants in Our Own Land: they all communicate the sting from the backhand of the American promise. As Denise Levertov has noted, Baca is far from being a naive realist but of poverty and prejudice of material that is truly raw, he writes in unconcealed passion. **Ode to El Camino de Santiago and Other Poems of Journey** James E. Green, 2022-02-02. Ode to El Camino de Santiago and Other Poems of Journey is a collection of poems written in a variety of forms. The reader will find sonnets, a villanelle, rhyming quatrains, blank verse, and free verse. While the forms are varied, the theme connecting these poems is one of journey. Although journey is understood as more than mere travel to other places, these poems are journeys of the meditative kind where destination is to be found in reflection and arrival found in mindfulness. The settings range from a pilgrim's path in Spain in the opening poem to a childhood home in the closing one, and in between are others as far flung as a refugee camp in Myanmar, a market square in Marrakech, and the rocky coast of Ireland. **From Within My Heart** Marysabel Santiago, 2013-07-04. This book is a complete collection of Marysabel Santiago's poems. These poems hold a history of many struggles and emotions. Poems contain themes like love, confusion, pride, friendship, secrets, absence, illusions, and so many other emotions experienced for the first time. Delight yourself reading these poems and enjoy a new point of view of many important events. This is her first collection of poems ever published. **The Lucia Poems** Jimmy Santiago Baca, 2013-10-12. American Book Award-winning poet Jimmy Santiago Baca endured years in the penal system before becoming a writer and a father. In these collections of strikingly expressive verse, Baca celebrates parenthood and presents the complexities of adult life in the age of 9-11 and the Iraq War. An essential voice in world poetry, Baca chronicles the changes that envelop him upon the birth of his children Lucia and Esai. Recalling the works of other poets who passed through the horrors of extreme experience: Nazim Hikmet, Paul Celan, Joseph Brodsky, Alexander Wat, Otto Ren Castillo, and more. The Lucia Poems and The Esai Poems give poignant acknowledgement to one generation's failings and pass on humane advice to the next. Taken together as *Breaking Bread with the Darkness*, these two collections offer a poetic primer for paternity and a model for teaching history, politics, spirituality, and survival. Jimmy Santiago Baca is an award-winning poet.

Modern Nicaraguan Poetry Steven F. White, 1993

This work demonstrates that twentieth century Nicaraguan poetry can not be comprehended in its fullest dimension without an understanding of the literary traditions of France and the United States Ever since Ruben Dario established Hispanic America s literary independence from Spain in the nineteenth century with his modernista revolution poets in Nicaragua actively have engaged in a dialogue with the works of French and North American authors as a means of assimilating and transforming them and thereby inventing a profoundly Nicaraguan literary identity This process has resulted in what might be called a double genealogy in Nicaraguan poetry certain poets attracted to the alchemical properties of the poetic word and a transcendent mythic meta reality seem to have descended from French literary forebears others interested in an expansive poeticized version of history and verisimilitude have roots that might be traced to North American soil This division is a provisional experimental means of grouping Nicaraguan poets based not on the traditional compartmentalization of literary generations but on the family resemblances of poetic affinities Presented here is an effective analysis of the familial nature of the Nicaraguan poets achieving their own literary independence by taking into account socio political and historical considerations common literary themes as well as the intertextual relations that form the basis of international literary dialogues This rigorous but flexible approach to modern Nicaraguan poetry enables the reader to accompany the poets on their journeys toward God and the end of the world into a timeless Nicaraguan landscape invaded by U S Marines beyond a contemporary urban portrait of Los Angeles through the horrifying European battlefields of World War I and the trenches of Nicaragua s revolution against the Somoza dictatorship The English speaking reader probably will be unfamiliar with most of the seven preeminent Nicaraguan poets whose works are the subject of this book but it is hoped that the reader will realize that the poetry of Nicaraguans Alfonso Cortes Salomon de la Selva Jose Coronel Urtecho Pablo Antonio Cuadra Joaquin Pasos Carlos Martinez Rivas and Ernesto Cardenal is worthy of serious study Furthermore the poems of these authors take on a richer meaning when they are studied as co presences in relation to certain texts by Baudelaire Rimbaud

Mallarmé and Supervielle or in an American context by poets such as Whitman Pound Eliot and Masters A relatively small country with a rich diverse tradition in poetry Nicaragua has maintained high literary standards generation after generation and has produced poets of a world class stature whose time has come for greater recognition

Latin American Writers on Gay and Lesbian Themes David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

Collected Poems Federico García Lorca, 2002-08 Poems by Modernist writer Federico García Lorca

Latin American Poetry Gordon Brotherston, 1975-11-13 This study considers the ways Spanish American and Brazilian poets differ from their European counterparts by considering Latin American as more than a perfunctory epithet It sets the orthodox Latin tradition of the subcontinent against others that have survived or grown up after the conquest then pays attention to those poets who from Independence have striven to express a specifically American moral and geographical identity Dr Brotherston focuses on Modernismo or the coming of age of poetry in Spanish America and Brazil and the importance of the movements associated with it He considers César Vallejo and Pablo Neruda probably the greatest of the selection Octavio Paz and modern poets who have reacted differently to the idea that Latin America might now be thought to have not just a geographical but a nascent political identity of its own Poems are liberally quoted and treated as entities in their own right

C-Train and Thirteen Mexicans Jimmy Santiago Baca, 2019-04-24 The award winning poet and author of A Place to Stand crafts provocative portraits of addiction and the Mexican American experience Jimmy Santiago Baca's brilliantly received memoir A Place to Stand earned him the prestigious International Prize and offered a keyhole view into the brutal personal history that shaped and continues to inform his raw incisive voice A heart stopping series of episodes about addiction C Train features Dream Boy a young man who finds himself seduced and later enslaved by the siren song of cocaine Part paean to the delicious power of intoxication part lament for those helplessly under its power C Train is a ride its hero and the reader struggle to get off In Thirteen Mexicans Baca writes of the Chicano community and the gulf between the American dream and American reality In searing elegiac vignettes he portrays the raw beauty of life in the barrio and the surreal stomach turning moment when people of color must confront how they are reflected in the distorted mirror of white

society Giving voice to the dispossessed and the disenfranchised Baca confirms his place as one of the nation's leading poets whose words heal inspire and elicit the earthly response of love Garrett Hongo Baca writes with an intense lyricism and that transformative vision which perceives the mythic and archetypal significance of life events Denise Levertov Baca travels outward and inward as a Chicano in America with all the complications that the identity entails He is a poet in control of his craft whose voice brutal yet tender is unique in America The Nation The Poetry of Pablo Neruda René de Costa, 2009-06-30 The most comprehensive English language collection of work ever by the greatest poet of the twentieth century in any language Gabriel Garcia Marquez In his work a continent awakens to consciousness So wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda the author of more than thirty five books of poetry and one of Latin America's most revered writers lionized during his lifetime as the people's poet This selection of Neruda's poetry the most comprehensive single volume available in English presents nearly six hundred poems scores of them in new and sometimes multiple translations and many accompanied by the Spanish original In his introduction Ilan Stavans situates Neruda in his native milieu as well as in a contemporary English language one and a group of new translations by leading poets testifies to Neruda's enduring vibrant legacy among English speaking writers and readers today
