Women of Genesis Orson Scott Card, 2020-08-25 This discounted ebook includes Sarah Rebekah Rachel and Leah New York Times bestselling author Orson Scott Card gives new life to the stories of the Bible in this unique reimagining of the Biblical tale These novels illuminate the hardships and triumphs of women destined for history imagining the human side of their stories Sarah Sarai was a child of ten years wise for her age but not yet a woman when she first met Abram When Abram promises Sarai to return in ten years to take her for his wife her fate was sealed With the blessing of their God a great nation would be built around the core of their love Sarah child of the desert wife of Abraham takes on vivid reality as a woman desirable to kings a devoted wife and a faithful follower of the God of Abraham chosen to experience an incomparable miracle Rebekah Born into a time and place where a woman speaks her mind at her peril and reared as a motherless child by a doting father Rebekah grew up to be a stunning headstrong beauty Rebekah leaves her father's house to marry Isaac the studious young son of the Patriarch Abraham only to find herself caught up in a series of painful rivalries Her struggles to find her place in the family of Abraham are a true test of her faith but through it all she finds her own relationship with God and does her best to serve His cause in the lives of those she loves Rachel and Leah Tracing their lives from childhood to maturity Card shows how the women of Genesis change each other and are changed again by the holy books that Jacob brings with him There is Leah the oldest daughter of Laban whose tender eyes prevent her from fully participating in the daily work of her nomadic family and Rachel the spoiled younger daughter the petted and privileged beauty of the family or so it seems to Leah There is also Bilhah an orphan who is not quite a slave but not really a family member and Zilpah who knows only how to use her beauty to manipulate men as she strives to secure for herself something better than the life of drudgery and servitude into which she has been born Ambition jealousy fear and love motivate them as they vie for the attention of Jacob heir to the spiritual birthright of Abraham and Isaac At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Sarah* Orson Scott Card, 2001 The first novel in a trilogy on the women of Genesis focusing on the life of Sarah a devoted wife and follower of the God of Abraham who is chosen to experience a miracle **Sarah [book Club Kit]** Orson Scott Card, 2002 **Sarah the Priestess** Savina J. Teubal, 1984 *Sarah the Priestess* is a challenging and important work It pushes us to read our sacred text with a new openness to questions never before asked questions about women as sources of religious authority and tradition It is a groundbreaking

work of feminist biblical historiography Rabbi Laura Geller **The Matriarchs of Genesis** David J. Zucker, Moshe Reiss, 2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people's self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham's second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob's third and fourth wives *Mothers of Promise* Tammi J. Schneider, 2008-08 A prominent scholar of the Hebrew Bible offers a close reading of the women in Genesis to discover their roles in shaping ancient Israel **John Calvin and the daughters of Sarah : Women in regular and exceptional roles in the exegesis of Calvin, his predecessors and his contemporaries** John Lee Thompson, 1992 Calvin encouragea l'education f eminine et avec les autres r formateurs r valua positivement le mariage Cette tude s attache la place de la femme dans son ex g se tant v t ro que n o testamentaire en la comparant celle de ses pr d cesseurs Augustin Chrysostome et l Ambrosiaster surtout et de ses contemporains Luther Bullinger Musculus et Pierre Martyr Vermigli **Sarah and Hagar, Women of Promise** Irene Nowell, 2016-07-14 It is not possible to tell the story of Abraham's descendants without taking note of how God's plan unfolded in the lives of Sarah and Hagar The best laid plans and the unexpected converge as these two women respond to God's promises Women in the Old Testament Irene Nowell, 1997 Tells the stories of some of the women in the Old Testament of the Bible including Sarah and Hagar Samson's wife Delilah Ruth and Naomi Bathsheba Queen Esther and others **All the Women of the Bible** Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible **Midrashic Women** Judith R. Baskin, 2015-05-01 While most gender based analyses of rabbinic Judaism concentrate on the status of women in the halakhah the rabbinic legal tradition Judith R Baskin turns her attention to the construction of women in the aggadic midrash a collection of expansions of the biblical text rabbinic ruminations and homiletical discourses that constitutes the non legal component of rabbinic literature Examining rabbinic convictions of female alterity competing narratives of creation and justifications of female disadvantages as well as aggadic understandings of the ideal wife the dilemma of infertility and women among women and as individuals she shows that rabbinic Judaism a

tradition formed by men for a male community deeply valued the essential contributions of wives and mothers while also consciously constructing women as other and lesser than men Recent feminist scholarship has illuminated many aspects of the significance of gender in biblical and halakhic texts but there has been little previous study of how aggadic literature portrays females and the feminine Such representations Baskin argues often offer a more nuanced and complex view of women and their actual lives than the rigorous proscriptions of legal discourse **Women in the Bible** Barbara J.

Essex,2010-04-01 Deciphering women s stories in the Bible can be frustrating and lead to dead ends So many women appear once and then disappear Most are not even given a name Women in the Bible uncovers women s stories and provides tools for studying women in the Bible Each chapter examines a particular group of women such as wives and mothers prophets and leaders then focuses on individual women Insights Bible Studies for Growing Faith is a fresh and timely Bible study series In these short term thematically based resources individuals and groups are invited to find meaning and direction for their lives by exploring the Scriptures in a way that is both thoughtful and thought provoking **Women in the**

Pentateuch Sarah Shectman,2009 Feminist study of Pentateuchal narrative The matriarchs outside the priestly corpus Other women outside the priestly corpus Women in P s genesis Women in P s Exodus Numbers **Preaching the Women**

of the Old Testament Lynn Japinga,2017-02-16 Take an in depth look at over twenty fierce faithful and strong women featured in the Old Testament with Preaching the Women of the Old Testament Inside this unique resource author Lynn Japinga interprets the stories of various biblical women including Eve Rebekah Dinah Tamar Miriam Deborah Jael Abigail Bathsheba and Vashti Along with providing an interpretation Japinga demonstrates how the character s story has been read in Christian tradition and offers sermon ideas that connect contemporary issues to each story This book is ideal for pastors who want to know more about the many women of the Old Testament and learn how to better incorporate them into their sermons **Fragmented Women** J. Cheryl Exum,1997-01-01 In the biblical narratives women are usually minor characters

in the stories of men Fragments of women s stories must be gleaned from the more cohesive stories of their fathers husbands and sons Fragmented Women begins with the premise that to recover shards of women s stories from androcentric texts like the Bible it is necessary to step outside the ideology of the text subverting the patriarchal perspective that has focused attention on the male characters In this important new work the author draws on contemporary feminist literary theory to critique the dominant male voice of the biblical narrative and to construct sub versions of women s stories from the submerged strains of their voices in men s stories **Why Aren't Jewish Women Circumcised?** Shaye J. D.

Cohen,2005-09-06 Why aren t Jewish women circumcised This improbable question first advanced by anti Jewish Christian polemicists is the point of departure for this wide ranging exploration of gender and Jewishness in Jewish thought With a lively command of a wide range of Jewish sources from the Bible and the Talmud to the legal and philosophical writings of the Middle Ages to Enlightenment thinkers and modern scholars Shaye J D Cohen considers the varied responses to this

provocative question and in the process provides the fullest cultural history of Jewish circumcision available Women of the Nativity Paula Gooder, 2024-08-30 Following on from her bestselling Women of Holy Week Paula Gooder uses her extensive biblical expertise and storytelling skills to recreate the events of the nativity from the promise of a future people to Sarah to the presentation in the temple and the encounter with Anna the prophet The story is told from the perspective of nine women in all including Mary Elizabeth Rachel and others whom scripture records or tradition has imagined such as the innkeeper's wife As we hear the familiar stories afresh through their words the wonder of the incarnation and its consequences for good and for ill come to vivid life in a new way Each story is accompanied by a painting by the priest artist Ally Barrett This will be widely welcomed by all who love Paula's writing and respect her biblical expertise as well as those looking for fresh inspiration for seasonal services from Advent to Candlemas **Reading the Women of the Bible** Tikva Frymer-Kensky, 2008-12-18 Reading the Women of the Bible takes up two of the most significant intellectual and religious issues of our day the experiences of women in a patriarchal society and the relevance of the Bible to modern life
