Sarah's Christmas:

Crimes of the Sarahs Kristen Tracy, 2014-03-04 After Sarah Trestle botches a simple shoplifting attempt she is worried that she will get kicked out of her clique of friends which is made up of three other girls named Sarah whose main summer activities are volunteer work and the occasional petty crime *Sarah's Christmas* Rebekah Choltus, 2012-06-21 Told in the voice and with the wonder of a little girl finding the family Christmas tree Sarah's Christmas is a story about a girl who loves Christmas time and all of the wonders that go along with it Sarah will take you along for a ride with her family tobogganing down the snowy hills of Oregon and through the woods just to find that special Christmas tree Come and see what Christmas time is all about with Sarah Rebekah L Choltus grew up in the beautiful Oregon country side Without a television set in her family home imagination was and still is what she thrives on Rebekah loves life with her husband and two boys without whom this book would not have been written Their support and love and family times have inspired Rebekah to write this second children's story hence the birth of Sarah's Christmas *Sarah's Christmas Crown* Marty Grimes, 2020-06-19 It's Christmas Eve and four year old Sarah is in for a lovely life changing surprise Sarah's Christmas Crown documents the awe and wonder reflected in her reaction to an explanation of the Christmas story that reaches her open innocent heart Sarah's grandmother was there that special night to draw inspiration for this story Illustrator Judy Findley brings the storyline beautifully to life with a Sarah whose radiant smile will win many hearts May Sarah's Christmas Crown be a delightful read for young and old alike And may the truth of Jesus birth story bring joy and wonder to Sarah's readers all through the year **The Last Year of Being Married** Sarah Tucker, 2012-03-15 Breaking up is hard to do A tipsy confession of infidelity during their engagement hadn't been the best start to Sarah's marriage Blurting it out on their honeymoon wasn't exactly the best timing either Still how could he complain It had taken Paul O Brian five years to propose and even then he'd made only occasional guest appearances in Sarah's bed Briefly aroused by a luxury holiday he'd since managed to father their adorable son now three years old otherwise the ring on Sarah's finger signified little more than a shrewd purchase But now Paul had decided it was time to cut their losses With a divorce What had happened to them Weren't they once the perfect couple Surely her savvy city guy husband hadn't fallen prey to that humiliating cliché the seven year itch Thrown into a state of denial then self doubt followed by determination not to go under without a fight Sarah is catapulted into an unforgettable last year of being married Outrageously sexy biting witty uncompromisingly truthful Sarah pulls no punches as she explodes the myth of happily ever after once and for all **A Will of Her Own** Leslie Gale Parr, 2010-06-01 The decades between the Progressive Era of the 1920s and the civil rights struggles of the 1960s were a period of profound change in the lives of southern women The life of Sarah Towles Reed 1882-1978 illuminates and parallels many of these transformations Over the course of her long public life as a teacher labor union lobbyist and activist for the rights of public school teachers Reed emerged as a groundbreaking leader unafraid of taking on the educational and political hierarchies of the South A Will of Her Own is the

life story of a woman who had a lasting impact on her times as well as the story of the times themselves Reed engaged the most significant concerns of the liberal reformers during the first half of the twentieth century the struggle for economic independence for women and the fight for women's rights the effort to maintain intellectual freedom in the face of cold war paranoia and the pursuit of racial justice Her successes as well as her failures lend a personal perspective to these national trends Her career also helps to clarify what it meant to be a southern liberal in the twentieth century and how the region's peculiar circumstances shaped the politics and strategies of southern reformers **Sarah's Christmas** Elizabeth

Graham,1999-11 In 1890 in Little Bethlehem Missouri school teacher Sara Calder is looking forward to the town's holiday festivities when her ex-lover now a widower returns to town offering his love and trying to get her to care for his troubled young son At first distrustful Sara's heart warms to him as the holiday spirit takes hold **Muskoka Christmas** Carolyn Miller,2022-11-10 Staci Everton is a multi-published author of historical romances whose Christmas Eve deadline for a new book sees her leave her Chicago home to go write while staying with her grandmother in the beautiful small town of Muskoka Shores Canada Staci is determined to finish her manuscript despite the small town's Christmas charm and Muskoka Shores most eligible bachelor Dr James Wells is on enforced leave from working in Africa after nearly burning out He's here to spend time with family not spend time with a workaholic whose focus on fiction is very different from the harsh realities he's faced But Christmas is a time of second chances family and faith Maybe they'll find magic under the mistletoe and a future after all
