Higgs,2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate
housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of
them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar
despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister
They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot
like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet
we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from Slightly Bad Girls of

Antolak-Saper,2022-09-09 This book provides a socio legal examination of the media's influence on the development and
implementation of criminal justice policy This impact is often assumed And especially in the wake of high profile crimes the
press is routinely observed calling for sentences to be harsher and for governments to be tougher on crime But how do we
know that there is a connection To answer this question the book draws on a case study of the media reporting of the rape
and murder of Jill Meagher in Melbourne Australia as well as other well known cases including those of James Bulger Sarah
Payne Stephen Lawrence and Michael Brown among others Deploying a socio legal framework to examine how the media's
often powerful and emotive narratives play a crucial role in the development and implementation of law the book provides a
deep and critical reflection on its influence The book concludes with a number of suggestions for media reform both to
moderate the media's influence and to incorporate a broader range of viewpoints This multi disciplinary book will appeal to
scholars and students in sociolegal studies criminology and criminal law as well as those working in relevant areas in
sociology and media studies *Rules of Law* GMSEED,2023-08-23 It can now be stated with a high degree of confidence
that the UK legal system is not fit for purpose as it consistently fails to protect the innocent law abiding citizen A significant
