

Journey to Centennial SARASOTA

SECOND REVISED EDITION

Understanding our history gives us the opportunity to create a better future. Thanks to Jan Matthews' excellent book we are able to grasp the roots of our community and through that understanding, prepare a better future for the people of Sarasota County.

Clyde Butcher

**By Janet Snyder Matthews, Ph.D.
Epilogue by Allan H. Horton
With a foreword by John D. MacDonald**

Florida history is a collection of the histories of its locales. Due to its size, the difficulty of travel and the preference of people drawn from through out the country and around the world, our history is local history.

Jan Matthews has again given us a window into the evolution of one of Florida's most intriguing places, Sarasota. From the indigenous people who fished its bays and inlets, to the Europeans who launched some of the most significant expeditions from its coast, to the cast of colorful men and women who have made it what it is today, Sarasota has seen it all and Jan has correlated those experiences in words and pictures.

**Bob Graham, United States Senator
Florida's 38th Governor**
