Satan His Personality Power And Overthrow:

Satan Edward McKendree Bounds,1922 *Satan : his personality, power and overthrow* Edward McKendree Bounds,1963 *Satan* Edward M. Bounds,1966 Unfolds the Scriptural teachings on Satan s personality his power and his eventual overthrow *Satan* Edward Mckendree Bounds,2016-05-15 The gates of hell shall not prevail against the Church This promise of our Lord stands against every Satanic device and assault But this immutable word as to the glorious outcome does not protect the Church from the devil s stratagems which may and often do pervert the aims of the Church and postpone the day of its final triumph There are signs everywhere unmistakable and of dire import that Protestantism has been blinded and caught by Satan s dazzling glare There can be no question that we ve got an enemy who seeks to subvert and undermine the work of Christ in us and through us at every turn We must be watchful and alert to the schemes of Satan against us in order that we may know how to effectively defend against them This book is full of Scripture and will doubtless be eye opening for any honest seeker for truth *Satan: His Personality, Power and Overthrow* E. Bounds,2015-06-05 Edward McKendree Bounds did not merely pray well that he might write well about prayer He prayed because the needs of the world were upon him He prayed for long years upon subjects which the easy going Christian rarely gives a thought and for objects which men of less thought and faith are always ready to call impossible From his solitary prayer vigils year by year there arose teaching equaled by few men in modern Christian history He wrote transcendently about prayer because he was himself transcendent in its practice As breathing is a physical reality to us so prayer was a reality for Bounds He took the command Pray without ceasing almost as literally as animate nature takes the law of the reflex nervous system which controls our breathing *Satan* E.
