Satans Kvinnfolk:

The Ponytail Trygve B. Broch, 2023-01-01 This open access book adopts a cultural sociology of materiality to explore the hallmark of the female athlete the ponytail Studying a wealth of news articles about ponytails in sports and society Broch uncovers this hairstyle s polyvocality and argues that it is a total social phenomenon By separating his approach from the cultural studies tradition Broch highlights how hair is imbued with codes narratives and myth that allow its wearers to understand maneuver and criticize social gender relations in deeply personal ways Using multiple theories about hair bodies myths and icons he creates a multidimensional method to show how icons are imitated and used As women navigate their practical lives health issues and gendered expectations the ponytail materializes their dynamic maneuvering of cultural and social environments Sporting a ponytail itself an embodiment of movement is filled with a performativity of social movements a cultural kinetics that is never apolitical
