Saul Bellow The Problem Of Affirmation:

Saul Bellow Chirantan Kulshrestha, 1980 Saul Bellow and American Transcendentalism Mohammad A. Quayum, 2004

Saul Bellow and American Transcendentalism explores Saul Bellow's moral and philosophical affinity with the writers of American transcendentalism especially Emerson and Whitman. Its focus is on the vintage Bellow or his mature novels from *Henderson the Rain King* 1959 to *The Dean's December* 1982. In these novels Bellow highlights a moral crisis arising from humankind's despiritualization and dehumanization which he believes is responsible for an ongoing dichotomy in the modern world. Bellow describes this as a dichotomy of the Cleans and the Dirties in the context of American culture. To rectify this dichotomy and redeem humankind from its current death-ridden state, Bellow and his protagonists advance a vision of life that corresponds to the transcendental vision of dialogue and double consciousness or coordination and balance. Like Emerson, they advocate 'The mid world is best'. A man is a golden impossibility; the line he must walk is a hair's breadth. Comparable to Whitman, they urge the individual to knit the knot of contrariety and act as an arbiter of the diverse.

Conversations with Saul Bellow Saul Bellow, 1993 The Woman in the Novels of Saul Bellow Ram Prakash Pradhan, 2006

The book presents in brief a critical study of Saul Bellow's vision of woman in general. As the novelist has presented a variety of women having contradictory traits, any attempt at flat generalisation has been considered forbidding. In spite of his Jewish lineage and specific Jewish themes, Saul Bellow has established himself as a humanistic and conscientious American novelist. Hence such conception as popular in Jewish tradition that his woman characters must occupy a subordinate place and their freedom of mind shall be restricted seems to be futile. Far from being misogynous as it is sometimes alleged by a few critics, his vision of woman appears to be balanced, objective and free from personal prejudice. The book is a valuable study on Nobel Laureate Saul Bellow and all those who admire his works. Would find it interesting and useful as it will enable them to see his characters from a different perspective. Students and also the teachers of English literature will find it highly informative.

The Critical Response to Saul Bellow

Gerhard Bach, 1995-10-30

Though one of the most significant American writers of the 20th century, Saul Bellow has continually elicited conflicting responses from critics. Some critics have seen him as America's greatest contemporary writer while others have discounted him as discouragingly redundant. Not even his novel *Herzog* generally considered his worthiest achievement has gone unchallenged. The expansion of critical theory in the last decade has added to the controversy over Bellow's works. The reviews and essays gathered in this volume illustrate the many disparate critical responses and approaches to Saul Bellow over the last 50 years from the late 1940s into the 1990s. Representative samples of criticism from the earliest reviews to the most recent assessments trace the different critical phases and approaches to Bellow's work over time. The selections included also reflect larger trends in literary criticism over the last half century and chart the history of the critical community's response to Bellow. The selections are arranged chronologically in clusters devoted to particular
