Savage Baggage Poems:

Savage Baggage Roger Mitchell, 2001 Poetry The poems in this book are full of sharp detail words that seem like one celled creatures with a life of their own keen wit and observations on getting the soul arranged in space that cut to the chase In these mostly short pieces each tight as a fist and clear as a windowpane Mitchell redefines love and nature in a style that is a kind of meditative activism Terence Winch What emerges from Mitchell's original combination of glacial remove and after shocked elegance is wry humor a battered haunted dignity and a chromatic timbre devoid of pretense Dean Young What makes much of Mitchell's work so memorable is the respect he has for language's slow workings Though Mitchell's poems are often memory narratives they are as much about our need for narrative as they are about any particular subject matter and they are quiet poems never insisting on our attention James Harms *Bi-Polar Poetry* Travis Williams, 2013-01-25 The book *Bipolar Poetry Erasing My Demons* is a collection of a struggling young man's thoughts captured in intense rhymes the words that the author found at both the highest and lowest points of his mental illness truly bring to light the inconsistent ever changing realities that define the bipolar mind the writer entangles the feelings of loss love faith anger and doubt together in such a way that leaves you questioning good and evil and the true clarity of either Throughout the book the poems and prayers outline the writer's journey into the dark searching for light *Bipolar or Manic Depressant* young adults are diagnosed more and more in the 21st century and some extreme accounts of this irrational behavior have even resulted in violent disasters plaguing local and national television Although the author of this book has never really violently hurt anyone his rhymes emphasize some of the irrational thoughts that in some less fortunate cases too often result in these sometimes deadly tragedies the author expressed the reasoning behind this book was to help people better comprehend the inconsistent thought patterns and inner battles that so many with a mental illness face day in a day out He also stated that even at his lowest he could never comprehend how some could use mental illness to excuse rape or murder and he praised God he couldn't *International Who's Who in Poetry 2004* Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets **Poetry** Harriet Monroe, 2001 **Edwy.
