Savage Life:

Biography Catherine Neal Parke, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informal company Jane Austens Aunt Behind Bars Stephen Wade, 2013-06-15 The collected essays explore the lives of several writers in Georgian and Victorian Britain in terms of their knowledge and experience of prison life This book focuses on the lives of the writers themselves or on the prison stretches endured by their relatives or acquaintances Some of these writers were locked up for debt while others were deprived of liberty for sedition or treason Here the reader will find amongst many other stories accounts of Dickens's father in debtors prison of Leigh Hunt living with his whole family in The Surrey House of Correction and of Oscar Wilde in Reading Gaol **From Antiquarian to Archaeologist** Tim Murray, 2014-04-16 Brings together fourteen of Tim Murray's papers on the history philosophy and sociology of archaeology published over two decades Bulletin of the History of Archaeology This volume forms a collection of papers tracking the emergence of the history of archaeology from a subject of marginal status in the 1980s to the mainstream subject which it is today Professor Timothy Murray's essays have been widely cited and track over twenty years in the development of the subject The papers are accompanied by a new introduction which surveys the development of the subject over the last twenty five years as well as a reflection of what this means for the philosophy of archaeology and theoretical archaeology This volume spans Tim's successful career as an academic at the forefront of the study of the history of archaeology both in Australia and internationally During his career he has held posts in Britain and Europe as well as Australia He has edited the Bulletin of the History of Archaeology since 2003 Authors and Authority Patrick Parrinder, 1991 One of the great paradoxes of modern times is that the more scientists understand the natural world the more we discover that our everyday beliefs about it are wrong Neil F Comins has identified and classified by origin and topic over 1 700 commonly held misconceptions about the universe He presents the reader with the tools needed to probe erroneous notions so that we can begin to question for ourselves and to think more like scientists *The Manufacturers of Literature* George Justice, 2002-02 The book combines an examination of the network of material conditions of authorship and publishing during the century with literary readings in order to explore the mutually constitutive nature of literature the material forces that influence its production and the social world of readers BOOK JACKET The Impossible Observer Robert W. Uphaus, 2014-10-17 Rationality objectivity symmetry were these really principles urged and exemplified by eighteenth century English prose In this persuasive study Robert W Uphaus argues that on the contrary many of the most important works of the period do not actually lead the reader into a new awareness of just how problematical how unsusceptible to reason both the world and our easy assumptions about it are Uphaus discusses a broad range of writers Swift Defoe Mandeville Richardson Fielding Sterne Johnson and Godwin showing that beneath their variety lies a fundamentally similar challenge addressed to the critical procedure which assumes that the exercise of reason is a sufficient tool for an understanding the appeal of imaginative literature The Impeachment

of Andrew Johnson Chester G. Hearn, 2015-08-13 While it is commonly known that Andrew Johnson was the first president to be impeached less well known are the circumstances that led to the unsuccessful campaign to remove him from office This account of Johnson s political life in Washington including brief coverage of his early career in Tennessee focuses on his conflict with the Radical Republicans a group of fanatical abolitionists who after Lincoln s assassination sought to dominate American government and punish the South as harshly as possible Johnson s focus on healing the nation and his refusal to submit to the Radicals demands led to his impeachment Though Johnson was acquitted his impeachment clearly illustrates the danger when one branch of government tries to dominate the others This chronicle of the first U S presidential impeachment covers in detail the political forces that nearly removed him from office Numerous illustrations a bibliography and an index are included

Separate Peoples, One Land Cynthia Cumfer, 2012-09-01 Exploring the mental worlds of the major groups interacting in a borderland setting Cynthia Cumfer offers a broad multiracial intellectual and cultural history of the Tennessee frontier in the Revolutionary and early national periods leading up to the era of rapid westward expansion and Cherokee removal Attentive to the complexities of race gender class and spirituality Cumfer offers a rare glimpse into the cultural logic of Native American African American and Euro American men and women as contact with one another powerfully transformed their ideas about themselves and the territory they came to share The Tennessee frontier shaped both Cherokee and white assumptions about diplomacy and nationhood After contact both groups moved away from local and personal notions about polity to embrace nationhood Excluded from the nationalization process slaves revived and modified African and American premises about patronage and community while free blacks fashioned an African American doctrine of freedom that was both communal and individual Paying particular attention to the influence of older European concepts of civilization Cumfer shows how Tennesseans along with other Americans and Europeans modified European assumptions to contribute to a discourse about civilization one both dynamic and destructive which has profoundly shaped world history

Race in a Godless World Nathan G. Alexander,2019-09-16 Is modern racism a product of secularisation and the decline of Christian universalism The debate has raged for decades but up to now the actual racial views of historical atheists and freethinkers have never been subjected to a systematic analysis Race in a Godless World sets out to correct the oversight It centres on Britain and the United States in the second half of the nineteenth century a time when popular atheist movements were emerging and scepticism about the truth of Christianity was becoming widespread Covering racial and evolutionary science imperialism slavery and racial prejudice in theory and practice it provides a much needed account of the complex and sometimes contradictory ideas espoused by the transatlantic community of atheists and freethinkers It also reflects on the social dimension of irreligiousness exploring how working class atheists experiences of exclusion could make them sympathetic to other marginalised groups
