and groups and in private HMO and hospital settings Closing chapters discuss redecision therapy training and supervision The book s thoroughly accessible approach to brief action oriented therapy will be welcomed by students and practitioners alike as what Dr Lennox gracefully terms teachable and learnable magic Stepping Westward Malcolm

Bradbury,2015-05-19 At the height of the 1960s a British writer accepts an academic post in America for a year that he ll never forget English author James Walker has three books to his name each greeted with middling success and then promptly forgotten But his r sum is significant enough to earn him a yearlong appointment at Benedict Arnold University as the American college s writer in residence At Benedict Arnold Walker is something of a celebrity a firebrand of 1960s British literary culture whose work though perhaps met with shrugs at home is the subject of vibrant scholarly criticism among American academics Walker of course is not quite what some were expecting and culture clashes abound as he encounters the tropes of American academia in the sixties Fusty buttoned up professors spirited advocates of free love and aggressively ambitious colleagues collide to ensure that Walker s year in America will be anything but ordinary *Dirty Linen* Martin

Doyle,2023-10-19 Martin Doyle Books Editor of The Irish Times offers a personal intimate history of the Troubles seen through the microcosm of a single rural parish his own part of both the Linen Triangle heartland of the North s defining industry and the Murder Triangle the Badlands devastated by paramilitary violence He lifts the veil of silence drawn over the horrors of the past recording in heartrending detail the terrible toll the conflict took more than twenty violent deaths in a few square miles and the long tail of trauma it has left behind Neighbours and classmates who lost loved ones in the conflict survivors maimed in bomb attacks and victims of sectarianism both Catholic and Protestant entrust Doyle with their stories Writing with a literary sensibility he skillfully shows how the once dominant local linen industry serves as a metaphor for communal division but also for the solidarity that transcended the sectarian divide To those who might ask why you would want to reopen old wounds the answer might be that some wounds have never been allowed to heal *La Fountain Bleu*
