

THE MOST UNIQUELY POPULAR
SWEAR WORD
IN EACH STATE

There are plenty of vulgarities in the urban dictionary, and studies have shown that eloquent speakers are more fluent when it comes to using swear words. To find out which profanities are most uniquely popular (highest usage above national average) in each of our 50 states, we scoured the depths of Twitter.

“Shit” is the curse of choice for 15 states, making it the most uniquely popular word overall. It is a favorite of the East Coast, with 8 on the eastern seaboard favoring it. Meanwhile, “fuck” is preferred in 13 states, including all three on the West Coast.

Methodology. First we calculated the median frequency per 1000 tweets of each swear word. We then compared those frequencies with the ones in each state and picked the swear word that had the highest usage above the national average.
