

The background of the poster is a composite image. The upper half shows a giant robot, likely Gamera, in a dynamic pose against a dark, starry sky. The robot's body is metallic and detailed with various mechanical parts. The lower half shows a city at night, with illuminated buildings and streets. A large, glowing yellow sphere, possibly a planet or a large moon, is positioned in the center of the image, partially obscured by the text.

This story is set in the early 1900s in the mythical town of Centerville, Indiana. Louis Parks is a ten-year-old red-haired freckle-faced boy who is a little small for his age and found to be in constant trouble with his mom because he never finishes his daily chores due to his endless daydreaming. Louis envisions himself the hero in his fantasies but his real life is quite different. Louis has found a special friendship with Charlie, a very friendly but somewhat strange barnyard horse of Louis's neighbor Mr. Beamer. Charlie has his own secrets though. Although he appears to be an old working cart horse soon to be replaced by the new horseless buggy technology, he is in fact the last of a very special breed of horse. He is an Arion from the ancient times who can achieve immortality by performing magical acts of daring and courage when called upon. As the story unfolds in the months before Christmas, Charlie, Louis and Chug Martin are thrown into circumstances wrought with danger, daring and intrigue. They must foil the plot of a trio of horse thieves from Saint Louis who arrive in Centerville during the annual county fair to steal Jupiter, the great racehorse who has come to run in Centerville's famous Gazette Stakes. Charlie, Louis and Chug perform heroic deeds, ultimately acts of great courage, bravery and determination in ridding the town of the three Missouri Rats: Black Jack, Tilly Cool, Joe Biggs and Rags Martin. This
